1. Brief Report:

In order to make the skills enhancement course in "Skills Enhancing Program in Languages and Communication Skills" more effective and interesting, The English language lab was equipped with 24+1 Seats Station-e Language Lab. The internal teaching faculty contributed in imparting training to the students. Adequate use of audio video media was made in teaching. Students were given practical training in different situations like conversing, college functions, telephonic conversations, in the market, making requests, inquiries, suggestions, offers etc. English newspapers, magazines, reference books like dictionaries, grammar books, spoken English books, online video content and TV programs in English were made available.

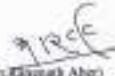

The practical training is given to students by giving them the task of teaching to first year students of Functional English. These tasks are supervised by teachers. College has established a Career Guidance Cell for guidance and counseling services to assist and inform students about educational and vocational choices and to liaise with employing establishments.

2. Outcome: This course helped students to improve their communication in English. At the end of the course, they were more confident. They were able to teach English to their juniors during hands-on training. They are in a position to earn money by working as translators, actors, receptionists, business executives at call centers etc. This course has put them in a better stage to face regular and competitive exams and other challenges of the world. In all, students were satisfied.

Mrs. Barve Trupti Sakhalkar,
At/Po: Vasand, Tal. Paner,
Dist. Ahmednagar

This is to certify that Mrs. Barve Trupti Sakhalkar, has delivered a lecture at our College on the topic "Career Opportunities in Life Sciences" on 20 / 02 / 2021. In her enlightening and informative lecture she had discussed all the topics concerned with "Career Opportunities in Life Sciences". Her lectures were quite informative and useful. They helped our students immensely, boosted the confidence of students and gave new dimensions to students' understanding. We expect similar co-operation and help in future as well.

International Conference on Advances in Functional Materials
15-12-2020 09:00 am - 12:30 pm

With the aim of motivating the young minds towards the advanced material research, Mahatma Gandhi National Council of Educational Research and Training (MGNCR), Ministry of Human Resource Development, Government of India, has organized an International Workshop on Advances in Functional Materials on 15th December 2003 at 09:00 am to 03:30 pm.

Inaugural function of the workshop started at 09:00 am by formal welcome of honourable speakers & Participants. Coordinator of the workshop Prof. A. E. Dhali welcomed honourable speakers. Head of Chemistry Department and Vice Principal of College Dr. D. R. Thakre welcomed all on the behalf of host institute Nipu Amr Commerce and Science College, Panaji and introduced the theme of the workshop and explained the objectives behind the organization of the workshop in his welcome address. Patronized Prof. G. B. Vaidya Director, IIT and President of NASI, Prof. S. S. Krupadkar, President, MRSI, Bangalore and Dr. Bhushan Kalsi, Director General of CMIE, Poona was Chief guest for the inaugural function. They have delivered Inaugural addresses and given the best wishes for conducting the workshop.

The Technical session started at 9:30 am; prof. Utsav Bhagat, INCASS delivered the talk on the topic Polymeric Crystal Materials and exciting applications. Second session was engaged by Prof. Balbir Panigrahi Carnegie Mellon University Pittsburgh USA. In his lecture he has focused on 3D printing for the next generation, Brain Computer Interface, Bio-printing devices and E-Ink Displays. Third Session of our conference Dr. Dorothy Lee, Sintaris, ICL, Paris delivered the lecture on the topic 2D Hydrid Nanomaterials for Novel devices. In his lecture he has discussed the applications of Nanomaterials in the imaging devices, Electronic devices & energy storage devices.

The students studying at OG and PG Classes as well as faculty from various colleges, research institutes and universities from Maharashtra as well as India have participated actively. Total participation for this international event was 257 including students and teachers Prof. S.D. Prof. S. D. Misrae concluded the programme by expressing his gratitude. Feedbacks of the workshop were collected by Google form. An electronic copy of the Certificates was delivered to participants by their emails. Workshop Video is uploaded on YouTube link: <https://www.youtube.com/watch?v=KJzDfHgkTtA>

Outline of the workshop:

- Students, Teachers and Young Researchers were benefited by the workshop.
 - Participants' Feedback was collected. Majority of the participants have given Positive Feedback about the Workshop.
 - Workshop may encourage and motivate to Students and young researchers towards Applied research.

Microanalysis of Syllabus of competitive examination

Report of National Workshop

"Roadmap to Competitive Examination in Chemical Sciences 2020"

An online national workshop on "Roadmap to Competitive Examination in Chemical Sciences" was organized jointly by IQAC and Department of Chemistry of New Arts, Commerce and Science College, Poneri on 24th October 2020 through Zoom Meeting and YouTube Live Streaming. The participants were registered from 10th October 2020 onward using a Google Form. The publicity for registration was done on social media using email, what's App, Facebook, Twitter, due to Covid-19 pandemic. The total 1111 number of participant registered from all parts of the India viz. Maharashtra, Gujarat, Karnataka, Andhra Pradesh, Telangana, Uttar Pradesh, Chhattisgarh, Punjab & Haryana, Himachal Pradesh, Odisha, and West Bengal. There was a participant from China also.

The virtual inauguration of workshop was done by Hon. Principal Dr. M. G. Chankar Desai, Faculty of Science and Technology, Savitribai Phule Pune University, Pune. Prof. (Dr.) Dilip R. Thabde Vice-principal and Head of the chemistry department is his introductory speech has cleared the idea and purpose of the workshop. Sir has stated that this is a right time for students for preparation and going a big success in competitive examination. He highlighted contribution of department in enhancing the skill and knowledge of the students and also talk about prominent alumni excelled in competitive examination, completed PhD and Postdoc in India and abroad. Principal Dr. R. K. Aher welcomed all the dignitaries and participants in his welcome address. He has put forth the growing graph of the college and activities organized by college for enrichment of students and awareness in society during pandemic situation. Principal Dr. M. G. Chankar in his inaugural address highlights the important of chemistry in today's world. He also added that the basic concepts in chemistry should be more focused along with applicative part for success in chemical sciences. He congratulates college for organizing this big event with huge number of participants.

The first invited session was engaged by renowned and inspiring speaker Dr. Gajanan S. Radhikar Professor of Chemistry, Shivaji University, Kolhapur, Maharashtra. The session was started with the inspiring words to students for importance of goal setting. He added essential of time management in competitive examination. He teaches student how to carry out SWOT analysis and microquantitative analysis of chemical sciences syllabus of NET, SET, GATE, ONGC and various science etc. examination. He added that remove prejudices from mind and understand the question first. 'Love your subject and job' he concluded with this message.

The second invited session was engaged by Dr. Bapu Shingate Associate Professor of Chemistry, Dr. Babasaheb Ambedkar Marathwada University, Aurangabad, Maharashtra. Lecture was started with fundamental understanding of subject and applied concepts in chemistry. The list of quality books and use of standard references was given to students. He also talks about the importance of interdisciplinary approach and building strong foundation of subject knowledge. He further added that focus should be on the understanding not on memorizing. He had taken number of problems and the way to solve this. He concluded with the note that the students should do the group discussion which helps in understanding the problems.

The session was followed by discussion of the participant's questions and queries resolved by resource person. The vote of thanks was proposed by Assistant Professor Sugor Mhaske Coordinator. The sincere thanks to all resource persons, chief guest, patrons of the institute, Principal, Vice-principal, the staff of institute and participants. The online workshop was anchored by Asst. Prof. Bhaskar Narsale and Dr. Sarita Konarkar.

Report of One Day Workshop

"Placement opportunities and Career in Pharma Industry"

An one day workshop on "Placement opportunities and Career in Pharma Industry" was organised jointly Department of Chemistry, New Arts, Commerce and Science College, Panvel and Asura Pharma Training Institute, Sangli on 13th July 2020. The 96 P.G. students of Analytical and Organic chemistry had participated in this workshop.

The inauguration of workshop was done by Hon. Mr. Prashant B. Divate, Director, Asura Pharma Training Institute, Sangli and Principal Dr. R. K. Aher, New Arts, Commerce and Science College, Panvel. Prof. (Dr.) Dilip R. Trivedi Vice-principal and Head of the chemistry department in his introductory speech have cleared the idea and purpose of the workshop. He has stated that this is a right time for students for preparation and enters into field of research. He highlighted contribution of department in enhancing the skill and knowledge of the students. Principal Dr. R. K. Aher welcomes all the dignitaries and participants in his welcome address. He has put forth the growing graph of the college and activities organized by college for enrichment of students. Mr. Prashant B. Divate in his inaugural speech highlighted the need of chemistry students in industries and also added the need of research in Pharma and medical science. He stated that the rural parts of India having scholar students with innovative ideas.

The first board session was engaged by renowned and inspiring speaker Mr. Prashant B. Divate Director, Asura Pharma Training Institute. The session was started with the inspiring words to students for research and innovation in Pharma. He talks about the Methodologies in research, Synthesis strategies, Reagents for single conversion, Separation techniques, TLC important in synthesis.

After the lunch break second session was started with introduction to needs and requirements of industries. The Skills needs to acquire by the students to enter in Pharma were highlighted. The sophisticated instrument used like UV, FT-IR, Spectrophotometer, HPLC, GC, Karl-Fischer titrator, pH meter, Conductivity meter, Tablet disintegration and data processing was

explained. He also shows the same list of the students got selected from college and the list of associated Pharma industries.

The session was followed by discussion of the participant's questions and queries resolved by resource person. The vote of thanks was proposed by Assistant Professor Sagar Mhaske Coordinator. The sincere thanks to all resource persons, chief guest, patrons of the institute, Principal, Vice-principal, the staff of institute and participants. The one day workshop was anchored by Asst. Prof. Dr. Sarita Kundlikar.
