**Alumni Association and Report on Activities conducted by Association for College
Development 2021-22**

HEI has strong alumni since its inception a registered Alumni Association. Alumni are contributing for the holistic development of HEI in general and students in particular while giving their services to the national and international organizations in India and abroad. Association conducts periodical meetings for planning of the activities and executes the activities planned. They have contributed to HEI in different ways such as, Alumni Guidance Talks, Workshops on Placements and Interview Skills, Guidance on Opportunities in Industries, Research and Entrepreneurships, Donation of Fees of needy students, Donation of Books to departmental libraries, conduct of placement drives on campus and donation of equipments/instruments.

Aims & Objective of the Alumni Association are:

1. To create awareness of higher education and policies on higher education.
 2. To acquaint the students with local and global career opportunities.
 3. To suggest and discuss academic courses necessary to compete the HEI at national and international levels.
 4. To share the academic and career experiences, success stories to enhance the learning abilities of students.
 5. To guide the students for their health fitness at workplaces.
 6. To cooperate the student for their academic and social growth.
 7. To aware the students about social issues that they can address being a good citizen.
 8. To guide students and faculties for national and international scholarships/ fellowships for research.
 9. To support students financially if they are need of support.
 10. To support the academic department for research facilities.
 11. To strengthen the library facilities through book donations.
 12. To give gratitude to teachers and institutions.
-
- During this year, they conducted department wise meetings in online mode during April–September 2021 as a pandemic was not closed and there were restrictions. For these meetings 729 students participated online on the ZOOM platform successfully and interacted with the faculties too. Many of them suggested the innovative ideas on curriculum as career opportunities. They put forth the spectrum of career opportunities for the benefit of the students through their Guidance Talks and Workshops conducted by various departments.
 - The departments' viz., Marathi, English, Zoology, and Computer Science received good number of books from alumni for the departmental library.
