Deccan Institute of Chemical Technology (DICT), Ahmednagar, INDIA and New Arts, Commerce and Science College Parner, Ahmednagar, Affiliated to Savitribai Phule Pune University in INDIA hereby agree to promote the academic exchange and the research cooperation between the two parties.

**Brief Introduction of the institution and New Arts, Commerce and Science College, Parner:**

Ahmednagar Jilha Maratha Vidya Prasarak Samaj's (AJMVP) was founded in 1918 by the then social workers in Ahmednagar by taking inspiration from supreme sacrifice of Chattrapati Chouth Shivaji Maharaj. The founders of the society were highly inspired by ideologies of Rajarshi Shahu Maharaj and Mahatma Phule. The mass education for the upliftment of downtrodden masses in rural area was the main objective of the institution. At present institute runs seven senior colleges, institutes of management research as well as hotel management and catering technology, a law college, college of engineering, 22 junior colleges, 47 secondary schools, 13 boardings, a primary school and a federal store in Ahmednagar district.

With a well-defined vision, New Arts, Commerce and Science College, Parner, Dist- Ahmednagar was established in July 1977 by AJMVP in a rented structure with enrolment of a mere less than 100 students. The college aims at the upliftment of society with quality higher education. College caters the needs of higher education of over 3000 students augmenting the socio-economic uplift of youths coming from diverse economic, social and geographical backgrounds. Today more than 45 % students are girls who got the opportunity to take higher education only due to this institution. Keeping pace with the changing times the College takes every effort to provide quality education to the deprived and rural masses of the society of this region.

The College has in-built mechanism to generate feed-back on course content from all the stakeholders. Short term career oriented certificate courses like *German language*, *Modi script* and nursery management are conducted for proficiency development of students and orient them in their future chosen professions. The College has in-built mechanism to monitor Teaching-Learning-Evaluation processes. The College IQAC, identify lacunae before formulating and planning the activities at the beginning of each academic year. Transparency is maintained at every stage in formulating and executing the planned activities. Efforts are taken to ensure social justice and equity by providing Remedial Teaching to students from backward classes and providing special facilities to differently able students. Bridge Courses are need based for students shifting from one stream to another. Computer literacy is compulsory and ICT resources

are exploited to optimum use. The Teaching-Learning is developed further student-centric by providing a large number of inter-disciplinary courses. Quality enhancement and sustenance is a continuous process. The college has organized National and International events in the form of Seminars, workshops, Symposia and Conferences. Staff members are also participating in large number of national/state level seminars, conferences, workshops and refresher courses for their professional development and to keep abreast with the recent advances.

The College makes conscious efforts in inculcating scientific temperament among staff and students. Research activities form part of the system. Six staff members are approved guides for Ph.D. degree and 25 staff members are actively involved in research with approved ongoing major and minor research projects. The Management and the Local Managing Committee consistently encourage staff members to excel in research. A significant number of students also take part in research activities. Free consultancy is provided by the staff in soil and water analysis and community development. Extension activities have been remarkable in community and national development. Through its NCC, NSS programs and other Committees the College has left indelible impression in community development. The vibrant NCC unit of our college produced students for Republic Day parade at New Delhi for last four successive years. Time and again the College has collaborated with Governmental and NGOs for implementing various social activities.

Spread over 11.4 acre of land the College has well-developed and maintained infrastructure necessary for 15 graduate, 9 PG, 5 Ph.D. programmes and professional courses like BCA, MCA, BSc and MSc (Computer Science). The fully computerized central office, classrooms, laboratories, library, girls' hostel indoor sport auditorium, auditorium, conference halls and highly equipped laboratories are spacious and well-ventilated providing the right atmosphere for learning. The College Library is well equipped and provides more than 40,000 references, journals, online journals and valuable books with INFLIBNET facilities and periodicals. The working hours and book lending facilities are convenient to the needs of the students. The Girls' Hostel with canteen facility and a separate Health Centre cater the needs of both day scholars and the resident students. The College Office is well furnished and adequately manned with complete automation for admission process and record generation. The college has been identified as DST-FIST College since 2014 as well is recipient of various grants from funding agencies like UGC, SPPU, DST, DBT and MSSDS. We are proud of our alumni who excelled in universities as well as various fields in India as well as abroad wherever they are working for

future career. Special emphasis is adopted by us for green methodologies in our day today practices.

The college has been re-accredited by NAAC, Bengaluru with CGPA 2.81 in March 2012. Our college has been recipient of **Best College Award of SSP University** in 2014. The two parties recognize human resource development and institutional capacity building as the basis for a mutually beneficial cooperation program, hereinafter referred to as the Program.

**ARTICLE I: OBJECTIVES OF THE PROGRAM**

The objectives of the Program are to provide higher education opportunities for staff members of LRDIT-KNUT, promote institutional linkage between LRDIT-KNUT and NACSC-SPPU, and to explore other avenues for possible collaboration.

**ARTICLE II: SCOPE OF THE PROGRAM**

The Program, which is for five years, is established to provide collaborative cooperation through:

- i) Collaborative Research Programs in specific fields of interest- LRDIT-KNUT and NACSC-SPPU will jointly identify specific fields to conduct collaborative research programs of mutual interest and benefit to both the institutions.
- ii) Student Exchange Programs—Exchange programs for students will be explored and conducted accordingly which will be beneficial mutually for both the parties.
- iii) Faculty Exchange Programs—Exchange programs for faculty will be explored and conducted accordingly which will be beneficial mutually for both the parties.
- iv) Any other form of cooperation that may be agreed upon between LRDIT-KNUT and NACSC-SPPU.

**ARTICLE III: DURATION OF THE PROGRAM**

- i) This Memorandum shall enter into force on the date of its signing by both parties and shall take effect for a period of 5 (five) years. If this MoU is to be terminated without cause, a three months prior notice should be sent by one party to another party. In the case of termination of the Program, students enrolled before the termination of the MoU would continue and retain their scholarships/privileges (whether LRDIT-KNUT and/or NACSC-SPPU award the scholarship). This MoU may be renewed by mutual written consent of both the Institutions.

**ARTICLE IV: SPECIAL PROVISIONS**

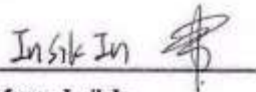

1. Both parties shall disseminate information on each other's' programs and activities.
2. Both parties hereto shall do their utmost to ensure the smooth and efficient implementation of the Program.
3. Both parties shall exert their best effort to be available for mutual consultation and shall give each other necessary information whenever reasonably requested and possible.

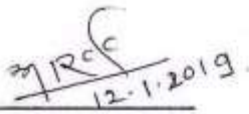

4. Any amendment to this Memorandum of Understanding shall be made in writing and mutually agreed upon.
5. All disputes arising in connection with the interpretation or application of this Memorandum of Understanding shall be settled amicably through mutual negotiation.
6. The two parties will maintain close contact to ensure the smooth implementation of the Program.

## DELNET MOU (IM 11:2020)

*This Agreement* is made on the Thursday day of 31<sup>st</sup> December 2020 between DELNET-Developing Library Network, JNU Campus, Nelson Mandela Road, Vasant Kunj, New Delhi-110070 (hereinafter referred to as DELNET) and Principal, New arts commerce and Science College, Parner, Tal-Parner Dist:- Ahmednagar, PIN-414302

(Hereinafter referred to as the 'Institutional Member')

*Whereas DELNET* has agreed to grant non-exclusive license to the Institutional Member to use DELNET's Archives and Services, Union Catalogues and other databases online, provide technical guidance in database creation and networking and deliver to the Institutional Member from time to time any computer programmes and to grant a non-exclusive license to use such programmes and their associated documents on the terms and conditions hereinafter contained:

*Whereas* the Institutional Member has its library located at Parner, Dist:- Ahmednagar (Maharashtra) and has agreed to become a member of DELNET to use DELNET archives and services at this location only and promote and share its library resources with other institutional members of DELNET:

Now it is hereby agreed as follows:

**The Institutional Member shall:**

1. Use the DELNET databases for furthering its own research programmes and providing information to its users and Institutional Members of DELNET.
2. Use the software arranged by or through DELNET, if desired by the Institutional Member, on the machine owned by the Institutional Member at the above location.
3. Create records using international standards as adopted by DELNET from time to time (DELNET is recommending the creation of records using MARC, AACR II, the Library of Congress Subject Headings List and specialised thesauri, but libraries that have used other standards can still join DELNET and upgrade their records in due course of time).
4. Contribute the records of all items created by the Institutional Member to the Central Union Catalogues, Union Lists, etc. maintained by DELNET. The copyright of records created by the Institutional Member in its own machine will rest in the Institutional Member, but the copyright of the Central Union Catalogues shall rest in DELNET.
5. Pay an initial registration fee of Rs.5,000 + 18% GST to DELNET towards its Corpus Fund.
6. Pay Annual Membership Fee to DELNET for the use of its online resources and services at rates set by DELNET annually in advance on or before 1<sup>st</sup> April or the date of expiry of membership. (If membership dues for the applicable membership year are not received on or before the date of expiry of the current membership, a grace period of one month will be given, after which services will be temporarily suspended. The services will be started immediately after the receipt of annual payment within the following year. If the annual membership fee is not paid within one year of the date of expiry, the membership will stand cancelled. If the institution wants to use DELNET services again, the institutions will have to apply afresh and pay admission fee and annual membership fee payable by an Institutional Member at present is Rs.11,500 + 18% GST).
7. Pay all fees charges within thirty days from the date of DELNET invoice. The Institutional Member shall pay interest on all amounts not paid on the due date at the rate of 10% from the date of invoice to the date of payment.

The Institutional Member shall not:

1. Use the DELNET Union Catalogues, Union Lists and other databases for any commercial purpose. The Institutional Member shall not rent, sell or license the use of or deliver or release or otherwise part with the possession of the systems/materials/software or the DELNET Union Catalogues, Union Lists and databases or any part thereof to any third person.
2. Allow the use of the software/materials/database by any other person other than its own bonafide members of its library or information centre at the above location.

It is further agreed that:

1. DELNET will not accept records in the Central Union Catalogues that do not have the essential fields as prescribed by DELNET or those that contain typographical and factual mistakes. The Institutional Member has agreed to create records of DELNET standard.
2. The Institutional Member will have qualified manpower, a suitable computer and Internet access in their Library for the use of DELNET databases and services.
3. All charges towards telecommunication, stationary, etc. arising out of the use of DELNET databases and services by the Institutional Members will be borne by the Institutional Member.
4. The Institutional Member shall not be entitled to assign, sub-license or otherwise transfer the license whether in whole or in part to any other user.
5. If the Institutional Member located outside Delhi wants to invite DELNET staff to its institution for consultation or imparting training, the Institutional Member shall pay TA/DA to the DELNET staff as per DELNET norms.
6. If the Institutional Member does not create standard records, cooperate with other Institutional Members of DELNET in exchanging information, DELNET shall terminate the contract with a month's notice to the Institutional Member.
7. This contract may also be terminated by immediate notice in writing if DELNET or the Institutional Member has been responsible for a breach of its obligations and terms of this agreement. In such a case, the Institutional Member shall stop the use of the DELNET system facilities and databases with immediate effect and return any software/hardware provided by or through DELNET back to DELNET. All disputes between the parties shall be settled by negotiation.

**M/s. Catalogic Technologies LLP and New Arts, Commerce and Science College Parner, Ahmednagar, Affiliated to Savitribai Phule Pune University in India** hereby agree to promote the academic exchange and the research cooperation between the two parties.

**Brief Introduction of the institution:**

**New Arts, Commerce and Science College, Parner:**

Ahmednagar Jilha Maratha Vidya Prasarak Samaj's (AJMVP) was founded in 1918 by the then social workers in Ahmednagar by taking inspiration from supreme sacrifice of Chatrapati Chouthie Shivaji Maharaj. The founders of the society were highly inspired by ideologies of Rajarshi Shahu Maharaj and Mahatma Phule. The mass education for the upliftment of downtrodden masses in rural area was the main objective of the institution. At present institute runs seven senior colleges, institutes of management research as well as hotel management and catering technology, a law college, college of engineering, 22 junior colleges, 47 secondary schools, 13 boardings, a primary school and a federal store in Ahmednagar district.

With a well-defined vision, New Arts, Commerce and Science College, Parner, Dist- Ahmednagar was established in July 1977 by AJMVP in a rented structure with enrolment of a mere less than 100 students. The college aims at the upliftment of society with quality higher education. College caters the needs of higher education of over 3500 students augmenting the socio-economic uplift of youths coming from diverse economic, social and geographical backgrounds. Today more than 48 % students are girls who got the opportunity to take higher education only due to this institution. Keeping pace with the changing times the College takes every effort to provide quality education to the deprived and rural masses of the society of this region.

The College has in-built mechanism to generate feed-back on course content from all the stakeholders. Short term career oriented certificate courses, add on courses, value added courses as well as bridge courses are conducted for proficiency development of students and orient them in their future chosen professions. The College has in-built mechanism to monitor Teaching-Learning-Evaluation processes. The College IQAC identifies lacunae before formulating and planning the activities at the beginning of each academic year. Transparency is maintained at every stage in formulating and executing the planned activities. Efforts are taken to ensure social justice and equity by providing Remedial Teaching to students from backward classes and providing special facilities to differently able students. Bridge Courses are need based for

students shifting from one stream to another. Computer literacy is compulsory and ICT resources are exploited to optimum use. The Teaching-Learning is developed further student-centric by providing a large number of inter-disciplinary courses. Quality enhancement and sustenance is a continuous process. The college has organized National and International events in the form of Seminars, workshops, Symposia and Conferences. Staff members are also participating in large number of national/state level seminars, conferences, workshops and refresher courses for their professional development and to keep abreast with the recent advances.

The College makes conscious efforts in inculcating scientific temperament among staff and students. Research activities form part of the system. Nine faculties are approved guides for Ph.D. degree and more than 35 staff members are actively involved in research with approved ongoing major and minor research projects. The Management and the College Development Committee consistently encourage staff members to excel in research. College has recently established Central Instrumentation Facility equipped with sophisticated instruments essential for analytical facilities with the help of Department of Science and Technology of Government of India through their various funding schemes for the benefit of research students and faculties belonging to our HEI as well as others from this region.. A significant number of students also take part in research activities. Free consultancy is provided by the staff in soil and water analysis and community development. Extension activities have been remarkable in community and national development. Through its NCC, NSS programs and other Committees the College has left indelible impression in community development. The vibrant NCC unit of our college produced students for Republic Day parade at New Delhi for last ten successive years. Time and again the College has collaborated with Governmental and NGOs for implementing various social activities.

Spread over 11.4 acre of land the College has well-developed and maintained infrastructure necessary for 17 graduate, 11 PG, 5 Ph.D. programmes and professional courses like BCA, MCA, B.Sc. B.Voc. and MSc (Computer Science). The fully computerized central office, class-rooms, laboratories, library, girls' hostel indoor sport auditorium, auditorium, conference halls and highly equipped laboratories are spacious and well-ventilated providing the right atmosphere for learning. The College Library is well equipped and provides more than 45,000 references, journals, online journals and valuable books with INFLIBINET facilities and periodicals. The working hours and book lending facilities are convenient to the needs of the students. The Hostels with canteen facility and a separate Health Centre cater the needs of both day scholars and the resident students. The College Office is well furnished and adequately

manned with complete automation for admission process and record generation. The college has been identified as DST-FIST College since 2014 as well is recipient of various grants from funding agencies like UGC, SPPU, DST, DBT and MSSDS. We are proud of our alumni who excelled in universities as well as various fields in India as well as abroad wherever they are working for future career. Special emphasis is adopted by us for green methodologies in our day today practices.

The college has been re-accredited by NAAC, Bengaluru with CGPA 3.07 in September 2017 for the third time. Our college has been recipient of **Best College Award of SSP University** in 2014. Apart from this college has been recipient of many prestigious awards like **Best College Award 2013** (by Students Welfare Board, SPPU), **Best College Magazine Award** successively for two times (2013, 2014), **SPPU Best Teacher Award 2011**, **Road Safety Campaign Award** by Ministry of Higher Education, Govt. of Maharashtra successively for two times (2013, 2014), **SPPU Best Students Welfare Officer Award 2014**, **Best NSS Officer Award** (2014-15, 2015-16), **Jagar Janivancha Award** successively for two times (2013, 2014) from Govt. of Maharashtra, **Best Principal Award** (2018), **Best College Award (NSS and SW)** (2019), **Higher Education Award** (2019) with total number of 25 awards till this day.

Dear Dr. Thube

The first workshop is confirmed for Jan 21.

The second workshop is proposed for Feb 24.

I'm writing to inquire if we can instead do it on March 3 ? There is a Fulbright conference on Feb 24 that just found out I can possibly attend.

Please let me know. I'll need to check with Fulbright office if I can attend but I wanted to check with you since we planned first.

Dear All,

The Department of Chemistry, IIT Bombay is delighted to invite you for Summer School in Organic Chemistry from 8th-10th July 2022. There won't be any registration fee and you will be provided local hospitality (shared accommodation and meals) in the IITB campus. Your accommodation is arranged in our Hostels: Hostel 9 for Boys and Hostel 11 for Girls). Additionally, 2nd class (sleeper) return-train fare or bus charges to Mumbai will be reimbursed to you in due course.

Since this is an intensive residential program for those who have completed their 1st-year M.Sc., which aims to strengthen the fundamentals of organic chemistry and at the same time help students connect the dots between theory and research. Your participation for the entire duration is mandatory.

Kindly send your confirmation by replying to this email at the earliest. Please note that you can plan to arrive at IIT Bombay on 7th July, evening and leave on 10th July night or 11th morning.

You are expected to bring the following

- (1) College ID card
- (2) Adhar Card
- (3) Printout of this E-mail for entry to the IITB campus.
- (4) Bed sheets, blankets, towels, etc for the hostel use. There won't be any pillows in the hostel rooms.

We will be sending you the details of your accommodation and program schedule in the coming days.

For any queries and clarifications, please feel free to contact us by e-mail or via phone/What App (in the group)

Please fill in your contact information and travel details using the following link at the earliest. If you have already filled the form, no need to fill again

Dear Dr. Thube

I hope to be in India May to mid June and then again July to mid August.

I think I would like to visit Ahmednagar in July. We can discuss details.

Is your college in session in May. I was thinking maybe I can give a 2-3 lecture on "Application of Organic chemistry in Everyday life". It will be an interesting practical lecture of students.

Please let me know. I think this time I will come in the morning and return same day.

You do not have to pay me but if you can arrange a car it will be great.

In this academic year this course will be conducted during 20<sup>th</sup> December 2021 to 28<sup>th</sup> February 2022. As a part of this certificate course we are conducting a workshop on Green Chemistry on 20<sup>th</sup> to 21<sup>st</sup> December 2022. It is of great pleasure to invite you as chief guest and an eminent speaker to guide our students during this workshop.

Your expertise in this field has helped our students to develop and to grab the opportunity in the form of their placements. We are very sure that such events are helpful in developing and achieving the skills related to Green Chemistry through new ideas in Green chemistry and creates awareness about Green Practices in the laboratory as well as day to day life.

Kindly accept our invitation and oblige us.

Thanking You.

Yours Sincerely

**Subject:** Invitation for Chemical Education fair "Chemistry --Fun-damentals"2022

Respected Sir,

In order to popularize Chemistry at school level, Chemistry Department of our college is organizing Chemical Education fair "Chemistry --Fun-damentals 2022" on Tuesday, 29 March 2022. The timing of fair is 9.00am. to 4.00pm. The Exhibition includes introduction of chemical experiments, Poster exhibition, Demonstrations of Funny experiments, and Video show of Chemistry experiments, Scientific Games, Lectures on science and fun, information of Instruments used in Chemistry Laboratory etc. You are invited as chief guest for inaugural function and also requested to send students of VIII and IX class along with representative teacher for the fair.

Thanking You.

**Brief Summary of activity/ event:**

New Arts Commerce and Science College, Parner conducted a Campus placement drive on **05<sup>th</sup> February, 2022** of **Mulika Infotech PVT LTD, Shirur, Pune.**

Mulika Infotech is a leading IT company specialization into the web projects ( PHP / MySQL / JavaScript / AJAX ), where company are working with USA, UK, Canada, and Ireland clients for various web related projects Since 2009.

Mulika Infotech is a company that works in a flexible environment for software development process, adjusting as per client's requirements. Attempting to provide world-class services, company always strive to provide excellent quality work and consistent quality drives outsourcing business.

Panel of members, Mr. Jalindar Shete(CEO of Mulika Infotech PVT LTD) & Mrs. Smita Shete (HR) , Software Engineer came for searching suitable talent by conducting student interviews for Jr. Software Engineer, Providing support to customers through email and chat, troubleshooting technical issues.

The Panel members were welcomed with bouquets and Memento as a token of appreciation and respect. Panel members were very keen in conducting Campus recruitment drive next year also.

The programme was coordinated by Mr. A. U. Lasure and staff members of computer science

Department. The programme commenced with a warm welcome of Mulika Infotech Pvt. Ltd. HR & team. This was followed by a small presentation by Mr. Jalindar Shete which gave a detailed knowledge of the company and the job role. After that the following rounds of interview were conducted

1. Initial screening and assessment of communication skills (In Person)
2. Communication assessment (Telephonic)
3. Technical Interview / Operations Interview (Telephonic)
4. HR Interview (In-Person).

Around 20 candidates participated in the campus recruitment drive, out of which 15 candidates were qualified after the first round. Qualified candidates were then assessed on their communication skills, after which 10 candidates were shortlisted. After the third and final round 02 students were shortlisted and selected by Mulika Infotech PVT LTD.

Overall experience and feedback of Mulika Infotech PVT LTD recruitment team was very positive as the need of their organization to search the right talent to drive its business objectives were fulfilled by the students and the Campus Recruitment Drive conducted by us.

Our Principal Dr. R. K. Aher motivated & supported in every aspect for the successful conduction of this campus drive & quoted how such programmes were essential for boosting the confidence of students and for the strong image of our Institute by building a bridge between prestigious IT organisations and New Arts Commerce and Science College.

**Outcome of Activity/ event:**

1. Students get opportunity to work in the organization
2. Increase the ability to face interview among the students.

**Brief Summary of activity/ event:**

New Arts Commerce and Science College, Parner conducted a Campus placement drive on **07<sup>th</sup> Dec, 2019** of **Mulika Infotech PVT LTD, Shirur, Pune**.

Mulika Infotech is a leading IT company specialization into the web projects ( PHP / MySQL / JavaScript / AJAX ), where company are working with USA, UK, Canada, and Ireland clients for various web related projects Since 2009.

Mulika Infotech is a company that works in a flexible environment for software development process, adjusting as per client's requirements. Attempting to provide world-class services, company always strive to provide excellent quality work and consistent quality drives outsourcing business.

Panel of four members, Mr. Jalindar Shete(CEO of Mulika Infotech PVT LTD) & Mrs. Smita Shete (HR) , Software Engineer Mr. Rohit Kadam came for searching suitable talent by conducting student interviews for Jr. Software Engineer. Providing support to customers through email and chat, troubleshooting technical issues.

The Panel members were welcomed with bouquets and Memento as a token of appreciation and respect. Panel members were very keen in conducting Campus recruitment drive next year also.

The programme was coordinated by Mr. S.P.Gaikwad and staff members of computer science Department. The programme commenced with a warm welcome of Mulika Infotech Pvt. Ltd. HR

& team. This was followed by a small presentation by Mr. Jalindar Shete which gave a detailed knowledge of the company and the job role. After that the following rounds of interview were conducted

1. Initial screening and assessment of communication skills (In Person)
2. Communication assessment (Telephonic )
3. Technical Interview / Operations Interview (Telephonic)
4. HR Interview (In-Person).

Around 57 candidates participated in the campus recruitment drive, out of which 20 candidates were qualified after the first round. Qualified candidates were then assessed on their communication skills, after which 5 candidates were shortlisted. After the third and final round 2 students were shortlisted and selected by Mulika Infotech PVT LTD.

Overall experience and feedback of Mulika Infotech PVT LTD recruitment team was very positive as the need of their organization to search the right talent to drive its business objectives were fulfilled by the students and the Campus Recruitment Drive conducted by us.

Our Principal Dr. R. K. Aher motivated & supported in every aspect for the successful conduction of this campus drive & quoted how such programmes were essential for boosting the confidence of students and for the strong image of our Institute by building a bridge between prestigious IT organisations and New Arts Commerce and Science College.

**Outcome of Activity/ event:**

1. Students get opportunity to work in the organization
2. Increase the ability to face interview among the students.

The college was successfully re-accredited for the third cycle with 'A' grade by NAAC in 2017. The College prides itself by possessing a rare distinction of having a highly qualified, dedicated and enthusiastic staff. The college is honoured by "New College Award 2017" by the Savitribai Phule Pune University, Pune. Our college is identified as a DST-FIST as well as RUSA, Govt. of Maharashtra sponsored college.

**About IQAC:**

Internal Quality Assurance Cell (IQAC) of our college is established on 15<sup>th</sup> December, 2006. The vibrant IQAC of our college is functioning as an integral part of all academic and administrative activities along with co-curricular and extra-curricular activities. This has been resulted in more than 18 Prizes/Awards in college at various levels by Government of Maharashtra and allied agencies. IQAC is involved in maintenance and sustenance of quality policies in higher education in our institute as well as support all academic and administrative activities of the college. IQAC is a backbone of our institute and is actively engaged in organizing events at all levels including national and international. IQAC has always catered the demands of the changing needs of the students of the changing time through introducing new innovative program. The college was successfully accredited for the first cycle with 78 % by NAAC in 16-17 December, 2003, with B Grade in 2-4 February, 2012 for the second cycle and with A Grade for the third cycle in 15-16 September, 2017.

**About the Science Faculty:**

The Faculty of Science was established in 1992 and offers 6 undergraduate, 6 post graduate as well as 2 Ph.D. degree courses. Department of Chemistry and Botany are identified as Research and Research Centers for Ph.D. of SPPU, Pune. The main objective of our faculty is to maximize general scientific skills and practices common across different disciplines through sustained monitoring, along with discipline specific content and conceptual enhancement among undergraduate and postgraduate students. Our faculty has received

research grants from U.G.C., D.S.T. and S.P.P.U. for the establishment of sophisticated laboratories as well as in the form of research projects. The activities of the faculty are aimed to impart quality education, boost thinking potential with overall development of the students and placements in reputed organizations at national and international level. Faculty of such and every department are highly qualified and experienced and are continuously engaged in the student centric activities. All of the departments are catering the educational needs of all the students in the form of skills enhancement certificate courses and value added courses.

**Brief Summary of activity/ event:**

Maharashtra Academy of Sciences, Pune, with the intention of inspiring young minds into cutting-edge material research, On December 15, 2020, from 9:00 am to 12:00 pm, the Material Research Society of India, IISc Bangalore, and the Department of Chemistry at New Arts, Commerce, and Science College, Parner were jointly host an international workshop on advances in functional materials.

The workshop's opening ceremony began at 9:00 am with a formal greeting of the honourable speakers and participants. Prof. A.J. Dhole, the workshop's coordinator, introduced the honourable speakers. Dr. D. R. Thube, head of the chemistry department and vice president of the college welcomed everyone on behalf of the host institution, New Arts Commerce and Science College Parner, introduced the workshop's theme, and described the goals driving its organisation. During his welcome speech Prof. G.D. Yadav, Director of ICT and President of MASE, Prof. S. B. Krupanidhi, President of MRSI Bangalore, and Dr. Bharat Kale, Director General of CMET, Pune, were the chief guests for the inaugural function. They gave the inaugural addresses and expressed their best wishes for the workshop's execution.

At 9:30 am, the technical session got underway. Ferroelectric Crystal Materials and Exciting Applications was the theme of Prof. Umesh Waghmare's presentation at JNCASR. Prof. Rahul Panat of Carnegie Mellon University in Pittsburgh, USA, hired a second session. Next-generation 3D printing, brain-computer interface, bio-sensing technology, and lithium-ion batteries were the main topics of his speech. Finally, Dr. Dattatray, a former student of our institute and a scientist at NCL in Pune, gave a lecture on 2D hybrid nanomaterials for novel devices. Applications of nanomaterials in sensing, electronic, and energy storage devices were covered in his talk.

The faculty from various colleges, research institutes, and universities in Maharashtra and around India, as well as students enrolled in UG and PG classes, has actively engaged. There were 257 participants overall, including teachers and kids, in this international event. Prof. S. D. Mhaske gave a thank-you speech to end the event. The Google form used to collect workshop feedback. Participants received an electronic copy of the certificate in their emails.

YouTube has posted a workshop video at this link: [r11r5yxHR50](https://www.youtube.com/watch?v=r11r5yxHR50)

**Outcome of Activity/ event:**

1. Students, Teachers and Young Researchers were benefited by the workshop.
2. Majority of the participants has given Positive feedbacks about the Workshop.
3. Workshop encouraged and motivated to Students and young researchers towards applied research.

The image shows a Zoom meeting interface with a central presentation slide. The slide is divided into two main sections:

### Ferroelectrics: Smart Multifunctional Materials

**Mechanical Stimulus:** A diagram shows a grid of atoms with a green arrow pointing up, labeled "Sensor".

**Mechanical Response:** A diagram shows a grid of atoms with a green arrow pointing up, labeled "Actuator".

**Electrical Response:** A diagram shows a grid of atoms with a green arrow pointing down, labeled "Apply large negative E-field".

**Applications:** Speakers, Heart Beat Monitors, Submarines, ...

**Non-volatile Memory**

**Interesting Science of Materials,**

- Properties tunable by Electric Field and Stress
- Extreme Sensitivity to boundary conditions (surrounding)

• M. E. Lines and A. M. Glass, Principles and Applications of Ferroelectrics and Related Materials, Oxford Univ Press (2003)

• M Dawber, K M Rabe and J F Scott, Rev Mod Phys 77, 2018 (2005).

### Printing of Nano and Microparticles

**Direct Write Process**

1. Substrate: Si/SiO<sub>2</sub> substrate
2. Printing Method
3. Printing
4. Energy (Thermal, Laser, Plasma)
5. Sintering

The Zoom interface shows several participants in a grid view. The Zoom logo is visible in the bottom right corner of the meeting area.

**Brief Summary of activity/ event:**

New Arts Commerce and Science College, Parner conducted a Campus placement drive on **26<sup>th</sup> February, 2022** of **Mulika Infotech PVT LTD, Shirur, Pune**.

Mulika Infotech is a leading IT company specialization into the web projects ( PHP / MySQL / JavaScript / AJAX ), where company are working with USA, UK, Canada, and Ireland clients for various web related projects Since 2009.

Mulika Infotech is a company that works in a flexible environment for software development process, adjusting as per client's requirements. Attempting to provide world-class services, company always strive to provide excellent quality work and consistent quality drives outsourcing business.

Panel of four members, Mr. Jalindar Shete(CEO of Mulika Infotech PVT LTD) & Mrs. Smita Shete (HR) , Software Engineer Mr. Rohit Kadam & Mr.Tushar Mahandule came for searching suitable talent by conducting student interviews for Jr. Software Engineer. Providing support to customers through email and chat, troubleshooting technical issues.

The Panel members were welcomed with bouquets and Memento as a token of appreciation and respect. Panel members were very keen in conducting Campus recruitment drive next year also.

The programme was coordinated by Mr. S.P.Gaikwad and staff members of computer science Department. The programme commenced with a warm welcome of Mulika Infotech Pvt. Ltd. HR

& team. This was followed by a small presentation by Mr. Jalindar Shete which gave a detailed knowledge of the company and the job role. After that the following rounds of interview were conducted

1. Initial screening and assessment of communication skills (In Person)
2. Communication assessment (Telephonic )
3. Technical Interview / Operations Interview (Telephonic)
4. HR Interview (In-Person).

Around 19 candidates participated in the campus recruitment drive, out of which 10 candidates were qualified after the first round. Qualified candidates were then assessed on their communication skills, after which 8 candidates were shortlisted. After the third and final round 5 students were shortlisted and selected by Mulika Infotech PVT LTD.

Overall experience and feedback of Mulika Infotech PVT LTD recruitment team was very positive as the need of their organization to search the right talent to drive its business objectives were fulfilled by the students and the Campus Recruitment Drive conducted by us.

Our Principal Dr. R. K. Aher motivated & supported in every aspect for the successful conduction of this campus drive & quoted how such programmes were essential for boosting the confidence of students and for the strong image of our Institute by building a bridge between prestigious IT organisations and New Arts Commerce and Science College.

**Outcome of Activity/ event:**

1. Students get opportunity to work in the organization
2. Increase the ability to face interview among the students.

**Brief Summary of activity/ event:**

With the permission of honourable Prin. Dr. R. K. Aher sir, We conducted an workshop on Electronic Waste Management in department of BBA- CA. Accordingly, We Invited Mr. Gopikrushna Pardeshi sir from KAPILA ENTERPRISES, SUPA MIDC, PARNER to give proper guidance to students about the Electronic Waste.

In this workshop the resource person spoke about the sources constituting Electronic Waste which contain following points:

- I. E-Waste from Individual Households
- II. E-Waste from Business sectors
- III. E-Waste from Manufactures & Retailors
- IV. E-waste from Imports
- V. E-Waste from Secondary Market

The workshop was well attended by post graduate students of department. It was organized on 19/01/2022. However, 25 students participated in the delivered lecture. This workshop is coordinated by Asst. Prof. Zarekar S.R. There was many questions asked by participants to resource person. The workshop has been completed successfully.

**Outcome of Activity/ event:**

1. The overall objective of this workshop is to provide an insight into various aspects of e-waste management with the respect to the current situation and future scenario.
2. Develop understanding on various technological applications for processing of waste and their disposals in various ways.
3. Acquire knowledge on waste to energy productions in the perspectives of sustainable development.

## कोरोना काळ रोगप्रतिकारकशक्ती वाढविण्यास पूरक : डॉ. विद्यासागर

### सकाळ वृत्तसेवा

पारनेर, १७ : आजच्या धकाधकीच्या काळात प्रत्येकाचे आपल्या आरोग्याकडे दुर्लक्ष होत आहे. मात्र, सध्याच्या कोरोना आजाराविरुद्ध लढताना योग्य आहार, व्यायाम, विहार व निद्रा यांची गरज आहे. या गोष्टी नियमित केल्या, तर शरीराची रोगप्रतिकारक क्षमता वाढण्यास मदत होते, असे प्रतिपादन स्वामी रामानंद तीर्थ मराठवाडा विद्यापीठाचे माजी कुलगुरू डॉ. पंडित विद्यासागर यांनी केले.

पारनेर महाविद्यालयात न्यू ट्रेड्स इन सायन्स अँड टेक्नॉलॉजी आंतरराष्ट्रीय परिसंवादात 'बदलत्या गुस्त्वाकर्षणाचे जीवसृष्टीवर होणारे परिणाम' या विषयावर प्रमुख पाहुणे

म्हणून डॉ. विद्यासागर बोलत होते. अध्यक्षस्थानी प्राचार्य डॉ. रंगनाथ आहिर होते. ते म्हणाले, की आजारासह दैनंदिन विविध समस्यांचा सामना करण्यासाठी विज्ञान व तंत्रज्ञान आपणास मदत करू शकते.

ऑनलाइन संवादात भोपाळ येथील डॉ. नितान पाटील, पुण्यातील आगरकर अनुसंधान संस्थानचे डॉ. सुरेंद्र घासकडबी, आयआयएसईआरचे डॉ. सत्यजित रथ, मायक्रोबायॉलॉजिस्ट सोसायटी ऑफ इंडियाचे अध्यक्ष डॉ. अरविंद देशमुख यांनी सहभागी घेऊन विज्ञान, तंत्रज्ञान व संशोधनात्मक संधीवर मार्गदर्शन केले.

परिसंवादात आंतरराष्ट्रीय व राष्ट्रीय स्तरावरील एकूण ४३५ प्राध्यापक, विद्यार्थी आणि संशोधक यांनी सहभाग

नोंदवला. त्यापैकी एकूण १३१ संशोधकांनी आपले संशोधन सादर केले. सर्व संशोधन उत्कृष्ट होते.

उत्कृष्ट मौखिक संशोधन सादरीकरण प्रकारातील सर्वसाधारण गटात हैदराबाद येथील डॉ. जयदीप पवार, (प्रथम), चेन्नई येथील डॉ. सचिन अनभुले (द्वितीय) व भेंडे येथील डॉ. भास्कर ताकटे (तृतीय), विद्यार्थी गटात - नगर येथील विजय खंडागळे (प्रथम), पुण्यातील शुभम घुंगाडे (द्वितीय) व नेवामे येथील अभियेक निकम (तृतीय) यांची निवड करण्यात आली.

परिसंवादात प्राचार्य डॉ. आहिर, उपप्राचार्य डॉ. दिलीप टुवे संयोजक प्रा. महेश आहिर यांनी मार्गदर्शन केले.

या सर्व मान्यवरांचे सर्व स्तरांतून कौतुक होत आहे.

**Brief Summary of activity/ event:**

On Wednesday, April 13, 2022, IQAC and the Department of Chemistry of the New Arts, Commerce and Science College, Parner, hosted a one-day course titled "Research Methodology." Prin. Dr. R. K. Aher, Principal, extends a gracious hand in launching the workshop. The session was attended by 63 postgraduate students, 6 research students, and 9 teachers.

In his introduction, Professor Dr. D. R. Thube discussed the rationale behind organising a workshop. Sir talked about the necessity of setting up a workshop on research technique. the requirement for a literature review in the creation of objectives. An effective researcher must have strong communication skills, be on time, have confidence, and be knowledgeable about the topic matter. Welcome to the workshop, main guest and all resource people, prin. Dr. R. K. Aher.

Dr. A. G. Gadhave weighs in on the subject how does research start? The goal of the research must be an environmental, social, or biomedical necessity, among other things. In addition, he offered advice on what should be avoided while choosing a topic. He discussed the literature review and the usage of research articles that were published in reputable international publications. Use the Sci-finder app to acquire the most recent details on the research topic. The different reputable publishers used for referencing include the Royal Society of Chemistry, Elsevier, Taylor and Francis, Chemical Science, Nature, and Pub-Chem. Additionally, he discusses how to introduce yourself, your personality, your body language, and your attire when presenting a topic. The topic knowledge and its fundamental inquiries are covered.

In a Open discussion the student raise question related to literature survey. He said that Research is a passion not a job. The discussion with the resource person and participant resolves the ambiguity of student. The workshop is over with vote of thanks given by Dr. P. N. Daule. Thanks to Resource Person, Chief guest, Patron institute, Principal, Vice-Principal, Staff of institute and all the participants and anchor of webinar Asst. Prof. A. J. Dhole.

**Outcome of Activity/ event:**

1. A total of 4 Department students have successfully finished their research projects.
2. Graduate students clarified their concepts about organic synthesis.

## उत्तम संशोधनासाठी नवीन संशोधन तंत्राचा अवलंब करणे गरजेचे : डॉ. अनिल गाढवे

प्रतिनिधी | पारनेर

सर्वच क्षेत्रांमध्ये संशोधनाची आवश्यकता आहे. नवीन्यपूर्ण संशोधन ही काळाची गरज आहे. उत्तम संशोधनासाठी नवनवीन संशोधनतंत्राचा अवलंब करावा, असे आवाहन प्रवरानगर (लोणी) येथील पद्मश्री विठ्ठलराव विखे पाटील महाविद्यालयाचे मार्गदर्शक डॉ. अनिल गाढवे यांनी केले.

पारनेर महाविद्यालयातील रसायनशास्त्र विभागाने आयोजित केलेल्या 'रसायन शास्त्रातील संशोधन पद्धती' या विषयावरील कार्यशाळेत डॉ. गाढवे बोलत होते. प्राचार्य डॉ. रंगनाथ आहरे यांच्या अध्यक्षतेखाली झालेल्या कार्यशाळेत रसायन शास्त्र विभाग प्रमुख डॉ. दिलीप तुंबे यांच्यासह प्राध्यापक, विद्यार्थी सहभागी झाले होते. डॉ. गाढवे म्हणाले, उत्तम संशोधनासाठी संशोधकाने झोकून देऊन काम करण्याची तयारी ठेवली पाहिजे. तरच संशोधनाचे उत्कृष्ट निष्कर्ष

पारनेर महाविद्यालयात आयोजित करण्यात आलेल्या कार्यशाळेत बोलताना डॉ. अनिल गाढवे.

**One Week Online Faculty Development Programme On Chemical Sciences 2022****ABOUT THE COLLEGE**

Govt. Digvijay Autonomous PG College, Rajnandgaon was founded on 13<sup>th</sup> July 1957, as a private college established by Rajnandgaon Shiksha Mandal in a Palace donated by revered Prince Mahant Raja Digvijay Das Ji. The college was taken over by the state government on 27<sup>th</sup> August 1973 and has completed Sixty four years of its glorious existence. The college which started with 73 students caters more than 5000 students today. The pride of our college are the three international literary personalities; Shri Gajanan Madhav Muktibodh, Dr. Padumlal Punnalal Bakshi and Dr. Baldev Prasad Mishra; have given their contributions as faculty members in the growth of this institution.

**ABOUT THE DEPARTMENT**

The Department of Chemistry at Govt. Digvijay Autonomous PG College, Rajnandgaon takes pride in its professional and highly-qualified faculty members, modern infrastructure and focuses on the creation and application of knowledge in the field of chemistry. The department offers various programs at undergraduate and postgraduate levels including research facilities. Our Department has carried out the tradition of hard work and excellence in providing high-quality teaching to the students; thus enhancing their skill and ability, motivating them to think creatively, and take decisions accordingly in all their scientific pursuits and other endeavours.

**ABOUT THE FACULTY DEVELOPMENT PROGRAMME**

This Faculty Development Programme will feature a wide variety of keynote, invited and contributed lectures on different aspects of chemical sciences. The objective of this FDP is to bring the academicians and researchers, in the field of chemical sciences to a common platform to exchange ideas and their recent findings related to latest advances and applications. This FDP will contribute to update knowledge in the field of chemical sciences and will encourage the young researchers for promoting newer research endeavors in the challenging domain of current science.

**For Whom**

The programme is designed for highly motivated faculty members from recognized Universities/Institutions, research scholars, industrial personnel, etc.

*Everything is theoretically impossible , untill it is done.*

**Brief Summary of activity/ event:**

With the permission of honourable Prin. Dr. R. K. Aher sir, We conducted an industrial visit at Retailware Softech Pvt. Ltd. Ahmednagar. It was organized on 09/06/2022.

On behalf of Mr. Ajit Thadani(CEO, Retailware Softech Pvt. Ltd. Ahmednagar), Branch Incharge started the first session by a brief introduction about company. He shared his experience in IT sector with students and guide for the other trends. He guides students about the followings:

1. How to make an impressive resume/c.v.?
2. Things to be added or eliminated in one's resume.
3. Dos & Don'ts in an interview.
4. How to project oneself before the interviewer?

This industrial visit was informative, interesting and successful that added a lot of corporate and interview knowledge for our students.

**Outcome of Activity/ event:**

1. Industrial visits provide the students with an opportunity to learn practically through interaction, working methods and employment practices.
2. The practical knowledge of how a business can be started and what are the real life challenges being faced can only be learnt through have practical experience from industrial visits.
3. When pursuing a professional degree like BBA, industrial visit has its own importance for students because only the theoretical knowledge is not sufficient for their proper understanding of the actual business operations at the ground level.
4. The employee contacts are precious especially when the students wish to pursue the same career.

**Brief Summary of activity/ event:**

Department of Chemistry has organized a one day workshop on "Safety Awareness in Chemical Laboratory and Disaster Management" on 15<sup>th</sup> Dec 2017. The aim of workshop was to create awareness about safety and train them for safety work culture in chemical laboratory and industries. We invited a renowned person as a resource person Mr. Dasharath Borude (Retired Air For Officer and manager Bhairavi Group of Industries, Pune) and Mr. S. Gore (Retired Air For Officer), delivered lectures on safety, chemical safety, disaster management as well as demonstrations on use of fire extinguisher for different types of fires. Hon. Dasharath Borude also demonstrated the use of Safety Equipment's. 95 PG students of Chemistry and 15 Teachers have actively participated. A small quick examination about laboratory safety was conducted at last on the same day. 11 PG students were awarded Certificate of Appreciation and Merit through this programme. Students became aware of fire and got trained for laboratory safety. Mr. N. B. Chede coordinated this workshop. Dr. D. R. Thube proposed vote of thanks for the Guests.

**Outcome of Activity/ event:**

1. Students understood safety of human being in his life of service.
2. They understood chemical safety and safety norms in Lab. and industry.
3. All students are acquired a knowledge of preventive measures, training of handling, use of safety equipment's and disaster management.

**Brief Summary of activity/ event:**

Department of Chemistry and Research Center of New Arts, Commerce and Science College, Parner had organized "Chemistry Fundamentals 2018" on 22<sup>nd</sup> January 2018 funded by college. The exhibition was inaugurated by the principal Dr. R. K. Aher, Vice-principal Dr. T. S. Thopate and Head of the chemistry department Dr. D. R. Thube, Prof. P. S. Mutkule and others faculties.

The exhibition consisted of 120 scientific posters made by the post graduate students of the chemistry department. There were 30 scientific chemistry experiments demonstrated by PG students with the explanation of science behind the experiment.

About 250 school students belonging to 8<sup>th</sup>, 9<sup>th</sup> and the teachers of Parner Public School, the students of college visited the exhibition. The PG students of chemistry explain and demonstrated the experiment and scientific poster presented. The total expenditure of the exhibition was Rs. 2145/- which was fully done from the College funds.

The exhibition was smoothly conducted within safety of all of us by Asst. Prof. S. D. Mhaske (Organizing secretary), Asst. Prof. P. N. Daule (Coordinator), and Asst. Prof. A. J. Dhole (Convener). All the faculties of the department, technical staff and all PG students have taken special efforts in successful organization of this activity.

**Outcome of Activity/ event:**

1. Students acquaint with chemistry experiments.
2. There were build up of chemical and environmental awareness in young minds

**Brief Summary of activity/ event:**

For the purpose of helping students improve their careers and find jobs, the departmental career guidance cell has organized a variety of lectures and seminars. As a part of these events, the Department of Chemistry held a guidance session on Friday, December 28, 2018 on "New Pathways for Chemistry Students and Researchers." Dr. Santosh Pagire, a well-known alumni and postdoctoral fellow in Japan, gave students a session that was extremely educational. Dr. Santosh, a farmer by trade, rose from humble beginnings to become a Humboldt Fellow in Germany, where he earned his doctorate and completed his study in a respected institution. While doing his MSc, Dr. Santosh passed the Set test on his first try and scored 22nd in the CSIR-NET. Dr. Santosh described his achievements and the Chemistry Department's and college-wide contributions.

**Outcome of Activity/ event:**

1. The cultivation of scientific temperament among students.
2. Students analyses the of impact of science and technology on society.
3. Students are motivated for research by taking a project at college level.

Training of students was conducted in two different laboratories which are Soil Testing Lab and Bio fertilizer Division. Total Seventeen students were gone for the training .During these training students are divided into two batches of students.

One batch completed training work in Biofertilizer Division on Isolation, Mass Production and Quality Control of *Azotobacter* as a Nitrogen Biofertilizer they completed. In biofertilizer training mass multiplication of *Azotobacter*, large scale production of *Azotobacter*, quality control of lignite powder and mixing of culture with lignite powder takes places.

Second batch of students completed training work at Soil Testing Lab on Soil and Water Analysis and Soil Testing Parameters. Soil Testing Parameters such as pH, electrical conductivity, organic carbon, calcium carbonate, potassium carbonate in soil. Nutrients quantification of soil in that Micronutrient and Macronutrient. After soil testing training they completed training of Mass Production and Quality Control of Bio-fertilizer.

**Outcome of Tour:**

1. Students are well trained in soil testing for different parameters.
2. Students are tried to learn Production of Biofertilizer and its use.

### Brief Summary of activity/ event:

Department of Chemistry has organized a one day workshop on “**Safety Awareness in Chemical Laboratory and Disaster Management**” on 17/04/2019. The aim of workshop was to create awareness about safety and train them for safety work culture in chemical laboratory and industries. We invited a renowned person as a resource person Mr. Dasharath Borude (Retired Air Force Officer) Manager, Bhairavi Group of Industries, Pune) delivered lectures on safety, chemical safety, disaster management as well as demonstrations on use of fire extinguisher for different types of fires. Hon. Dasharath Borude also demonstrated the use of Safety Equipment’s. 43 students of Chemistry and 16 Teachers have actively participated. Students became aware of fire and got trained for laboratory safety. Mr. N. B. Chede coordinated this workshop. Dr. D. R. Thube proposed vote of thanks for the Guests.

### Outcome of Activity:

1. Students understood safety of human being in his life of service.
2. They understood chemical safety and safety norms in Lab. and industry.
3. All students are acquired a knowledge of preventive measures, training of handling, use of safety equipment’s and disaster management.

Respected Sir,

Our department regularly organizes workshop from eminent persons for awareness about Safety Awareness in Chemical Laboratory and Disaster Management. We have arranged your lecture on 17 April 2019 at 9.00am to 3.30 pm. in the Rajarshri Shahu Conference Hall and demonstration in Science building campus. Your thoughts and demonstration will definitely guide our students to develop new ideas as well as students will get opportunity to interact with you.

Kindly accept our invitation.

Thanking You.

**Brief Summary of activity/ event:**

Departmental Career Guidance Cell has organized different lectures and seminar for the Career development and placement of students. Being part of these activities, Department of Chemistry organised guidance talk on "Career Opportunities in Industries for Chemistry" on Monday 24, December 2018. 74 Post – Graduate and Under – Graduate Chemistry students participated in this activity.

Program starts with welcome speech by Asst. Prof. Pravin N Daule and felicitation of *Dr. Prashant Deokar, Halghans Technologies Pvt. Ltd. Navi Mumbai* by Head of Department Dr. Dilip R. Thube. In his guidance lecture Dr. Prashant Deokar acquainted students regarding qualities a person should have to achieve excellence in career in industrial sectors. He stressed on nurturing of good habits, skills for effective communication and importance of hard work in success of a person. During his talk Dr. Deokar highlighted success stories of many successful personalities in various fields. The time management, meticulous planning and determined efforts are key factors in the success of person. A planning of career at the right time saves the time as well as decides growth of person in the particular field. Apart from academic achievements, soft skills are necessary for achieving the proper job and further progress. Disciplined work always pays the dividends was the prime message in the session.

After lecture there was interactive session in which students asked their queries and open discussion session cleared the doubts in the minds of students. Prof. Pradip S. Mutkule proposes the vote of thanks.

**Outcome of Activity/ event:**

1. The students aware about time management, meticulous planning and determined efforts are key factors in the success of person
2. Soft skills are required for proper job and further progress.

Title of Activity	Certificate Course on Computer Repairing Technology
Date/ Duration	19/12/2019 to 27/12/2019
Name of the Guest/ Speaker with designation	Prof. Ajim Mansuri Assistant Professor
Number of Participants enrolled	39
Venue	Physics Lab II

**Brief Summary of activity/ event:**

A certificate course on "Computer Repairing technology" was organized by Department of Physics and IQAC of New Arts, Commerce and Science College, Parner from 19/12/2019 to 27/12/2019. There were about 39 participants attended the Certificate course

The Dr. S. L.Kadam, welcomed all the participants and the resource person. Prof. V. P. Deore gave the introduction of resource person. He also introduced theme of the course to the participants.

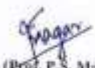

Resource person for the workshop was Prof. Ajim Mansuri, Fun first Global Skillers Junner, Pune who spoke about PC architecture, troubleshooting techniques, storage, memory management, and communications devices .

Mr. Ajim Mansuri Sir deeply introduced the Computer hardware, software and operating systems. He talks briefly about different types of issues affecting computer systems or servers or networks . They gave hands on training about troubleshooting of different parts of computer.

The course is over with a vote of thanks given by Prof P.S. Magar. He gave thanks to the Resource Person, Principal, Head of the Department and Staff & all the participants, the anchor of the program was Asst. Prof. R. G. Korde.

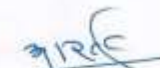

**Outcome of Activity/ event:**

1. Students become able to distribute memory slots of hard disk drive which has advantage to increase the speed of PC.
2. Students can easily detect minor faults of SMPS and other components of computer and can easily troubleshoot it.
3. They get an idea about technique to minimize memory utilization.

Respected Sir,  
 Greetings of the Day!!!  
 Thank you very much for this opportunity to our M.Sc. Students to interact with IIT Professors and Scientists through Summer School in Organic Chemistry which is going to be held from 29th May to 7th June, 2019. As per your guidelines, I am sending names of two of our M.Sc I Organic Chemistry Students for this school. Their examinations will over during 15 may 2019. They will join on 28th may in IIT, Mumbai.  
 The names are:  
 1. Miss. Nichit Madhuri Balu  
 2. Miss. Tarde Madhuri Sudhakar  
 We will fill up the nominations as per the link provided.

Thanking you once again.

With Best wishes.

Sincerely

 Subject: Nominations for IIT Bombay Summer School in Organic Chemistry 2019

Dear Colleague,

The Department of Chemistry, IIT Bombay is planning a Summer School in Organic Chemistry from 29th May to 7th June, 2019. This is an intensive residential program, which aims to strengthen the fundamentals in organic chemistry at the same time to help students connect dots between theory and research with hands-on Laboratory sessions related to lecture topics.

The following topics will be covered in this Summer School:

1. Stereochemistry
2. Organic Synthesis
3. Organic Reaction Mechanisms and Pericyclic reactions
4. Biomolecules
5. Spectroscopy

For effective learning, the number of the students in the workshop has been restricted to around 25.

We request you to nominate 2 M.Sc. students who completed their first year from your Department. The students should be toppers in the class having a strong inclination for higher studies in Organic Chemistry or related areas. There won't be any registration fee and selected candidates will be provided local hospitality (accommodation and meals) in the IITB

**Brief Summary of activity/ event:**

Workshop on Better Living Through Green Chemistry was held by the Department of Chemistry on dated 29 July 2019. For Chemistry undergraduate and graduate students. The workshop was attended by 139 students. For the workshop's opening ceremony, Professor Dr. Ram Mohan of Illinois Wesleyan University in Bloomington, USA, was invited to speak. On the subject of "Better Living Through Green Chemistry," he has given lectures. Professor Dr. Ram Mohan, the honourable speaker, welcomed everyone to the workshop. Dr. R.K. Aher, the principal, congratulated and welcomed the Hon. Speaker. The function was introduced by Prof. D.R. Thube, who also provided details on the Department of Chemistry. At 10.30 am, the workshop's first session began. Presentation of the Introduction to Green Chemistry lecture was made by Professor Ram Mohan. The second lecture began.

The third lecture, which focused on better living through green chemistry, began at 2.30 and ended at 3.30. At the conclusion of Day 1, Prof. Ram Mohan interacts with department faculty members and discusses social issues and local environmental pollution challenges. The Hon. Speaker's vote of thanks was delivered by Prof. S.D. Mhaske. Day two activities got underway at 8.30 am. Professor Ram Mohan spoke on the subject of plastic. Presentations by students for brief talks began at 9.30 am and lasted at 11.30 am. 23 students in total took part in the presentation competition. First through sixth grade kids were honoured by being presented with certificates and cash prizes by the distinguished chief guest Prof. Ram Mohan. the remaining pupils.

**Outcome of Activity/ event:**

1. Students learned about experiments in "green" chemistry.
2. The student took part in a debate about how green chemistry is used in everyday life.

Sub: Letter of Invitation...

Respected Sir,

It gives immense pleasure to invite you for guest lectures from eminent persons for awareness about environmental issues for students. Year 2019 is celebrated as International Year of Periodic Table (IYPT 2019). As a part of this we are going to organize several activities in this year for popularization of chemistry as well as for benefit of our students. Your lecture is to guide, encourage and motivate our students. We have arranged your lecture on 29 July 2019 at 11.00 am – 01.30 pm in the Rajarshi Shahu Conference Hall. Your thoughts will definitely guide our students to develop new ideas as well as students will get opportunity to interact with you.

Kindly accept our invitation.

Thanking You

**Brief Summary of activity/ event:**

Department of Chemistry has organized Campus interview drive for M. Sc. Organic and Analytical chemistry students of our college on 06<sup>th</sup> August 2019 for their placement in calyx Pharmaceuticals

For campus drive 30 students of M. Sc. Organic and Analytical chemistry students of our college has participated in this drive.

Dr. Ashok Konda, Assoc.V.P. R&D Calyx Chemicals & Pharmaceuticals Ltd. Mumbai and his team came in our campus for placement drive. The function was started by the welcome of Dr. Ashok Konda and his team. Principal Dr. R.K. Aher felicitated and welcomes and has given the information about the Department of Chemistry to Hon. Guest.

The first session of the campus drive was started at 10.00 am by written test on basic chemistry. After the lunch they scrutinised the candidates on the basis of written test score and organized interviews of selected candidates. They have selected the three candidates of our college as per their needs.

Campus drive program ends with valedictory function. Dr. Ashok Konda interacts with students and gives some suggestion regarding the interviews. Student kept their views and shared their feedbacks about the interview.

Prof. S.D. Mhaske expressed the Vote of thanks of Dr. Ashok Konda and his team.

**Output of the Workshop:**

1. Students got knowledge about interview techniques and pattern of written test.
2. Thirteen students were placed through this campus drive.

**Brief Summary of activity/ event:**

The year 2019 is celebrated as 150<sup>th</sup> International Year of Periodic Table (IYPT). Department of Chemistry organized **Green Chemistry Workshop** on Photocatalysis and their applications on 12<sup>th</sup> December 2019 for the benefit of UG and PG Students of the Chemistry. 188 Students and 16 faculties of the Department participated in this Workshop.

Dr. Santosh Pagire from Institute of Microbial Chemistry Tokyo, Japan was invited Speaker for the workshop. The objective behind organising this workshop was to create the awareness among the students and teachers about Green practices in the laboratory as well as in day to day life.

Workshop was started by the welcome of Hon. Speaker Dr. Santosh Pagire. Hon. Principal Dr. R.K. Aher welcome and felicitated Hon. Speaker. Prof A.J. Dhole introduced the function and has given the information about the Department. Prof. P.S. Mutkule has given the short introduction of Hon Speaker.

The first session of the workshop was conducted during 10.00.am. to 12.00 pm This session was aimed at Research Opportunities to UG and PG Students at International level. The second session was conducted during 2.00 pm to 4.00 pm with detailed information and present research on Photocatalysis with the help of Green aspects of Chemistry. During these sessions Students interacted very well and tried to understand the Green context. The workshop was ended with the discussion about Syn-Cat programme at University of Regensburg.

The workshop was concluded with the vote of thanks.

**Outcomes of activity :**

1. Students and teachers inspired by the workshop and encouraged to implement Green methodologies in the laboratory.
2. Students get information about recent development in Green Chemistry research.
3. Students Know about Photocatalysis and its applications.

**Brief Summary of activity/ event:**

Department of Chemistry and Research Center and science association of New Arts, Commerce and Science College, Parner had organized "Chemistry Fundamentals 2019-20" on 18<sup>th</sup> February 2020 funded by college. The exhibition was inaugurated by the principal Dr. R. K. Aher, Vice-principal and Head of the chemistry department Dr. D. R. Thube, science association chairman Prof. P.S. Mutkule, science faculty coordinator Dr. R.S. Diggikar, Head of the zoology department Dr. S. R. Wagh, Dr. T. S. Thopate, Dr. S. M. Kale and others faculties.

The exhibition consisted of 110 scientific innovative and basic science concept posters made by the post graduate and T. Y. B.Sc. chemistry students. There were 30 scientific chemistry experiments demonstrated by PG students with the explanation of science behind the experiment in simple language to school students. About 288 school students belonging to 8<sup>th</sup>, 9<sup>th</sup> and the teachers of Parner Public School, the students of college visited the exhibition. The PG students of chemistry explain and demonstrated the experiment and scientific poster presented. The total expenditure of the exhibition was fully done from the College funds.

The exhibition was smoothly conducted within safety of all of us by Asst. Prof. S. D. Mhaske (Organizing secretary), Asst. Prof. P. N. Daule (Coordinator), and Asst. Prof. A. J. Dhole (Convener) Prof. N. B. Chede, Dr. P.G. Rohokale, Dr. S. G. Kundlikar, Prof. Thube A. K. All the faculties of the department, technical staff and all PG students have taken special efforts in successful organization of this activity.

**Outcome of Activity/ event:**

1. Students benefited by Hands on Training.
2. Our UG and PG students get trained while training school students.
3. Students increased their communication skills, scientific approach towards any experiments.

**Subject: Invitation for Chemical Education fair "Chemistry Fun-Damentals 2019-20"**

Respected Sir,

In order to celebrate Science day and popularize Chemistry at school level, Chemistry Department of our college is organizing Chemical Education fair "**Chemistry Fun-Damentals 2019-20**" on 18<sup>th</sup> February 2019. The timing of fair is 9.00am. to 4.00pm. The Exhibition includes introduction of chemical experiments, Poster exhibition, Demonstrations of Funny experiments, and Video show of Chemistry experiments, Scientific Games, Lectures on science and fun, information of Instruments used in Chemistry Laboratory etc. You are invited as chief guest for inaugural function and also requested to send students of VIII and IX class for the fair.

Thanking You.

**Brief Summary of activity/ event:**

Department of B. Voc. Renewable Energy Technology and Management Department has organized Solar Plant Installation and techniques during 05<sup>th</sup> August 2019 to 5<sup>th</sup> November 2019 for the S.Y. students of the B.VOC. 18 students participated in this workshop.

Workshop was started on March 5<sup>th</sup> August 2019 with inauguration and Engineer Senthil Kumaran started the Aim and Objectives of workshop session. He has given the daily time table of Three-month workshop. From 7<sup>th</sup> August to 5<sup>th</sup> October, they conducted Theory lectures on Basics of Solar Installation. On 11<sup>th</sup> to 21<sup>th</sup> April, they did Site survey and visit Solar Industry. During industrial visits students learned about How to purchase components?

From 6<sup>th</sup> October to 1<sup>st</sup> November 2019 theory as well as Practical conducted. In morning session from 9.am to 1pm. Engineer Senthil Kumaran conducted theory lectures and in afternoon session from 2pm to 5pm Mr. Suraj Kumar the coordinator of Surya Mitra Training Institute, Bangalore conducted Civil Installation of Solar Plants, Electrical connection of Solar PV plant and various types of Mechanical Structure. During practical session students learn Testing and maintenance of Solar PV plant. At the end of session, they taught safety and customer orientation to students.

On 3<sup>rd</sup> November 2019 they conduct theory exam and on 4<sup>th</sup> November 2019 they have conducted practical exam. The 5<sup>th</sup> August 2019 was last day of workshop the team of Surya Mitra Training Institute, Bangalore distributed Certificates to students.

**Outcome of Activity/ event:**

1. This course gives theoretical as well as practical knowledge of solar power plant installation.
2. Student can start their own business of solar power plant installation.
3. Student learned safety and security of solar power plant installation.
4. Students got Certificate of Level 4 provided by Green Jobs Sector Skill Council Gov. of India.
5. Students Got placement opportunities in Solar Industries.

Respected Sir,

With all our due respect, we would like to thank you for your presence at the Faculty Enrichment Programme on Wednesday, 10<sup>th</sup> March 2021. It was an honor for us to have you as resource person. We believe that the knowledge you have shared will help immensely to our faculty.

Again thank you. We hope to see you again soon.

Thanking You,

Yours faithfully,

## Report of Faculty Enrichment Programme entitled

### 'Communicative English for Professionals':

#### A Collaborative Activity

The Department of English, New Arts, Commerce and Science College, Parner and Mulikadevi College, Nighoj runs the faculty enrichment programme entitled 'Communicative English for Professionals'. It's an eight-day activity commencing from 8<sup>th</sup> March, 2021 to 15<sup>th</sup> March, 2021. There were 38 faculty members registered for the programme. The objective of this Faculty enrichment programme is to enrich communication skills of the participants.

In the Inaugural Session, Ashok More welcomed all the participants. Swati More introduced the chief guest. Prin. Dr. Rangnath Aher delivered the inaugural address. In his speech he highlighted the importance of communication skills in professional life. Dr. M.R. Erande chaired the inaugural session. Anand Patekar proposed the vote of thanks.

Ashok More, Anil Chindhe, Swati More, Anand Patekar, Manisha Adhav, Anil Kale and B.B. Sagade worked as resource persons for this faculty enrichment programme. Ashok More delivered a lecture on vocabulary building. Anil Chindhe delivered a lecture on sentence patterns. Swati More delivered a lecture on conversational skills. Anand Patekar delivered a lecture on writing skills. Manisha Adhav delivered a lecture on communication skills. Anil Kale engaged in an interactive practical activity on presentation skills. Dr. B.B. Sagade delivered a lecture on presentation of Department and Activity.

The valedictory programme is on 15<sup>th</sup> March, 2021. Dr. B. B. Sagade was the chief guest for the programme. He delivered the valedictory address and appreciated the endeavour of both colleges for organising the faculty enrichment programme.

Ms. Swati More, Dr. Pranjali Bharate, Mr. Anand Patekar, Dr. Vishal Salve and all other committee members took the effort for the grand success of the programme. The programme ended with a vote of thanks by Mr. Anand Patekar. We received feedback from the participants and certificates were distributed to participants. The programme was appreciated by all participants.

**New Arts, Commerce and Science College, Parner**  
**Report of Internship**

The final year students of BA who opted for Functional English need to do surveys and undertake projects to have entrepreneurship experience. The students did a survey and select the industry/ firm for the project in the month July and August. They seek permission from the Director/ Manager to carry out the project. The students work with the firm for three months usually in the months of November, December and January to collect the information and practical knowledge about it. They work for three months with the assigned firm and enrich their entrepreneurship skills. They got valuable training and valuable knowledge. They prepared questionnaires to take interviews. They interacted with the director, manager, and workers.

On the basis of collection of data and training, the students completed the assigned project under the guidance of the faculties. Nine students of the departments worked with different firms and enterprises for three months. After their successful completion of Internship, they carried out an innovative Project which proved useful for them as well as youth who are seeking for better self -employment. During these three months, they also developed their business communication and entrepreneurship skills.

**Brief Summary of activity/ event:**

Maharashtra Academy of Sciences, Pune, with the intention of inspiring young minds into cutting-edge material research. On December 15, 2020, from 9:00 am to 12:00 pm, the Material Research Society of India, IISc Bangalore, and the Department of Chemistry at New Arts, Commerce, and Science College, Parner were jointly host an international workshop on advances in functional materials.

The workshop's opening ceremony began at 9:00 am with a formal greeting of the honourable speakers and participants. Prof. A.J. Dhole, the workshop's coordinator, introduced the honourable speakers. Dr. D. R. Thube, head of the chemistry department and vice president of the college welcomed everyone on behalf of the host institution, New Arts Commerce and Science College Parner, introduced the workshop's theme, and described the goals driving its organisation. During his welcome speech, Prof. G.D. Yadav, Director of ICT and President of MASE, Prof. S. B. Krupanidhi, President of MRSI Bangalore, and Dr. Bharat Kale, Director General of CMET, Pune, were the chief guests for the inaugural function. They gave the inaugural addresses and expressed their best wishes for the workshop's execution.

At 9:30 am, the technical session got underway. Ferroelectric Crystal Materials and Exciting Applications was the theme of Prof. Umesh Waghmare's presentation at JNCASR. Prof. Rahul Panat of Carnegie Mellon University in Pittsburgh, USA, hired a second session. Next-generation 3D printing, brain-computer interface, bio-sensing technology, and lithium-ion batteries were the main topics of his speech. Finally, Dr. Dattatray, a former student of our institute and a scientist at NCL in Pune, gave a lecture on 2D hybrid nanomaterials for novel devices. Applications of nanomaterials in sensing, electronic, and energy storage devices were covered in his talk.

The faculty from various colleges, research institutes, and universities in Maharashtra and around India, as well as students enrolled in UG and PG classes, has actively engaged. There were 257 participants overall, including teachers and kids, in this international event. Prof. S. D. Mhaske gave a thank-you speech to end the event. The Google form used to collect workshop feedback. Participants received an electronic copy of the certificate in their emails.

YouTube has posted a workshop video at this link: r1r5yxHR50

**Outcome of Activity/ event:**

1. Students, Teachers and Young Researchers were benefited by the workshop.
2. Majority of the participants has given Positive feedbacks about the Workshop.
3. Workshop encouraged and motivated to Students and young researchers towards applied research.

**About MASc**

The Maharashtra Academy of Sciences is the premier scientific learned society of the state of Maharashtra. It was established in 1976 with the specific aim to highlight the scientific and technological issues confronting the state, and to recommend appropriate steps necessary to be under taken by the concerned authorities for the promotion of science and technology. There are more than 900 fellows of the academy.

**About NACS College, Parner**

New, Arts, Commerce and Science College, Parner was established in 1977 and Science faculty was established in 1992 in the form of UG programmes. Today, college is catering the educational desires and needs of students in the form of UG, PG and PhD programmes along with Skills enhancing certificate and diploma courses. College has been accredited with "A" grade by NAAC for third cycle, ranked by NIRF, supported by DST, RUSA, RSC. The college is honored with Best College Award, Best Principal Award and other 20+ awards by SPPU and Govt. of Maharashtra.

**Venue:** Online.

The screenshot shows a Zoom meeting with several participants. The main content is a presentation slide titled "Ferroelectrics: Smart Multifunctional Materials".

**Ferroelectrics: Smart Multifunctional Materials**

The slide illustrates the relationship between Mechanical Stimulus, Mechanical Response, and Electrical Response. It shows a "Sensor" and an "Actuator" cycle. Applications include "Speakers, Heart Beat Monitors, Submarines,..." and "Non-volatile Memory".

**Interesting Science of Materials,**

- Properties tunable by Electric Field and Stress
- Extreme Sensitivity to boundary conditions (surrounding)

- M Dawber, K M Rabe and J F Scott, Rev Mod Phys 77, 20188 (2005).

**Printing of Nano and Microparticles**

The slide shows a "Direct Write Process" diagram with three steps:

1. Substrate: Silicon substrate
2. Printing Method
3. Sintering

The diagram also indicates "Energy (Thermal, Laser, Plasma)" is applied during the sintering process.

**Brief Summary of activity/ event:**

Department of B. Voc. Renewable Energy Technology and Management have deputed 11 Students for Suryamitra Solar Plant Installation and techniques Internship during 22<sup>nd</sup> March 2021 to 21<sup>st</sup> June 2021 for the S.Y. students of the B.VOC. 11 students participated in this workshop.

Workshop was started on March 22<sup>nd</sup> 2021 with inauguration and Engineer Senthil Kumaran started the Aim and Objectives of workshop session. They gave the daily time table of Three-month workshop. From 24<sup>th</sup> March to 5<sup>th</sup> April, he has conducted Theory lectures on Basics of Solar Installation. On 6<sup>th</sup> to 10<sup>th</sup> April, he did Site survey and visit Solar Industry. During industrial visits students learn about How to purchase components?

From 11<sup>th</sup> April to 18<sup>th</sup> June 2021 theory as well as Practical conducted. In morning session from 9.am to 1pm. Engineer Senthil Kumaran conducted theory lectures and in afternoon session from 2 pm to 5 pm Mr. Suraj Kumar the coordinator of Suryamitra Training Institute, Bangalore conducted Civil Installation of Solar Plants, Electrical connection of Solar PV plant and various types of Mechanical Structure. During practical session students learn Testing and maintenance of Solar PV plant. At the end of session, he taught safety and customer orientation to students.

On 19<sup>th</sup> June 2021 conducted theory exam and on 20<sup>th</sup> June 2021 conducted practical exam. The 21<sup>st</sup> June 2021 was last day of workshop the team of Suryamitra Training Institute; Bangalore distributed Certificates of completion of training cum internship Programme to students.

**Outcome of Activity/ event:**

1. Students Learned about basic principle construction working and installation of Solar PV System
2. This course gives theoretical as well as practical knowledge of solar power plant installation.
3. Student can start their own business of solar power plant installation. And Sell.
4. Student learned safety and security of solar power plant installation.
5. Students Got Certificate of NSQF Level 4 of Green Job Sector Skill Council. This is helpful for placement in solar industries.

Dear All,

The Department of Chemistry, IIT Bombay is delighted to invite you for Summer School in Organic Chemistry from 8th-10th July 2022. There won't be any registration fee and you will be provided local hospitality (shared accommodation and meals) in the IITB campus. Your accommodation is arranged in our Hostels: Hostel 9 for Boys and Hostel 11 for Girls). Additionally, 2nd class (sleeper) return-train fare or bus charges to Mumbai will be reimbursed to you in due course.

Since this is an intensive residential program for those who have completed their 1st-year M.Sc., which aims to strengthen the fundamentals of organic chemistry and at the same time help students connect the dots between theory and research. Your participation for the entire duration is mandatory.

Kindly send your confirmation by replying to this email at the earliest. Please note that you can plan to arrive at IIT Bombay on 7th July, evening and leave on 10th July night or 11th morning.

You are expected to bring the following

- (1) College ID card
- (2) Adhar Card
- (3) Printout of this E-mail for entry to the IITB campus.
- (4) Bed sheets, blankets, towels, etc for the hostel use. There won't be any pillows in the hostel rooms.

We will be sending you the details of your accommodation and program schedule in the coming days.

For any queries and clarifications, please feel free to contact us by e-mail or via phone/What App (in the group)

Please fill in your contact information and travel details using the following link at the earliest. If you have already filled the form, no need to fill again

**Brief Summary of activity/ event:**

A one-day industry-Academia workshop on "Research Career in Chemistry: Opportunities Abroad" is jointly organized by IQAC, Department of Chemistry and Alumni Association of New Arts, Commerce and Science College, Parner on Thursday 30.12.2021. The workshop is inaugurated the auspicious hand of Prin. Dr. R. K. Aher. 184 students and Teacher participated in the workshop.

Dr. Santosh Pagire was formally welcomed and introduced as the guest by Mr. B. S. Narsale, who also explained the rationale for the workshop's creation. The need for resources in the pharmaceutical business has expanded due to COVID-19, however trained and experienced individuals are preferable.

Salutations from Prin. Dr. R. K. Aher to all of the workshop's resource people. Dr. Aher made the observation that encouraging student involvement in curriculum-enriching activities should be a top concern. Alumni from the chemistry department are constantly making contributions to society, employment opportunities, and educational knowledge. The comments on industry and academic institution collaboration in research and placement have been made, sir.

Dr. Santosh Pagire, a Marie Curie Fellow from the University of Bristol in the UK, explained how the pharmaceutical sector operates during the technical session. It contains departments including Research & Development, ADL, Quality, and Production. each department need human resources. employee traits, job status, and personal development. The requirement for a research project in the senior year was also mentioned by the sir. Students asked questions about academic and industry interviews during the discussion session, and their questions were answered. The workshop's closing session featured spoken comments from the students. The institute's thanks were given by Prof. S. S. Chaudhari.

**Outcome of Activity/ event:**

1. Students are aware about the positions in industry.
2. Students are aware of the number of fellowships available for study abroad

**Brief Summary of activity/ event:**

MSc Chemistry students seeking jobs in Pharma and Academics not only have desired qualification but also require professional skills such as Communication Skills, Interview Skills, Body language, Team Work, Time Management, Positive attitude etc. these Soft Skills are very essential for their professional growth as well as growth of organisation where they are working.

Students perusing MSc in Chemistry are mostly from rural and remote areas where there is lack of environment which allows students to develop professionally which consequences there is inferiority complex developed among student. Due to poor fluency in English language students can't able to present effectively and express their thoughts impressively during the interview.

To train the Student for Interview and to develop Professional Skills among the Students, Department of Chemistry has organised A Soft Skills and Personality Development programme for MSc II Organic Chemistry Students with the help of faculties of Department on 19<sup>th</sup> to 20<sup>th</sup> July 2021.

On day first faculties of Department Prof. Dr. D.R. Thube, Prof. S.D. Mhaske, guided to students on the topic Interview Techniques and CV Writing, Presentation Skills, respectively.

On day second Mrs. Reshma Zaware HR Manager and Alumni of Department guided to students on the module Interview techniques and how to succeed in the Pharma interview, She cleared Students doubts in question answer session.

Prof. A. J. Dhole Prof. B.S. Narsale, Prof. P. N. Daule had delivered the lectures on the module Body language in Interview, Communication Skills, Time Management and Professional Skills respectively.

After successfully completion of the programme Certificate of Participation was given by the auspicious hand of Vice Principal and IQAC Coordinator of the College Prof. Dr. D.R. Thube.

**Outcome of Activity/ event:** Total 6 Students of the Department have been selected in the campus Interview of different Pharma Industries

1. Department of Chemistry has Organised Campus interview of Badrivishal Pharmaceutical Pvt. Ltd. Pune in that two Students of MSc Organic Chemistry have been selected for R and D Department.

The workshop is officially opened by Prin. Dr. R. K. Aher. The programme was attended by 87 students and the teacher. The workshop's aim was explained by Mr. B. S. Narsale, who also officially welcomed and presented the guests, Dr. Shekhar Shinde, a post-doctoral CNRS fellow from France, and Mr. Gorakshnath Bhalekar, an assistant manager from Alembic Pharma in Gujarat. The need for resources in the pharmaceutical business is growing, but trained and experienced individuals are preferable, he continues. Salutations from Prin. Dr. R. K. Aher to all of the workshop's resource people. Dr. Aher made a point about how alumni involvement in curricular enrichment activities should be given top emphasis. Alumni from the chemistry department are constantly making contributions to society, employment opportunities, and student knowledge. The comments on industry and academic institution collaboration in research and placement have been made, sir. In the technical session, Dr. Shekhar Shinde discussed how to apply for research programmes overseas, available research scholarships, and which exams one must pass to be eligible for a secure research post. The presence of departments like Research & Development, ADL, Quality, and Production was mentioned by Mr. Bhalekar. each department need human resources. employee traits, job status, and personal development. The need for research has also been mentioned by the speaker.

**Outcome of Activity/ event:**

1. Students aware about research.
2. They got information about fellowship.
3. Students were interested in projects in their curriculum.

#### Brief Summary of activity/ event:

A one-day workshop "An Interview Technique- Panel Discussion" is jointly organized by IQAC, Department of Chemistry and Alumni Association of New Arts, Commerce and Science College, Parner on Saturday 5<sup>th</sup> February 2022. The workshop is conducted via the Google Meet platform, and the Principal, Dr. R. K. Aher, gave it a virtual start. 14 teachers and 87 postgraduate students attended the workshop. In his introduction, Professor Dr. D. R. Thube discussed the rationale behind organising a workshop. Sir talked about the necessity of creating a CV or biodata with a career objective and personal information. The fundamental elements of a good interview are effective communication, timeliness, self-assurance, and subject knowledge.

Prin. Dr. R. K. Aher, welcome all the resource person and chief guest of webinar. Dr. Aher put forth the student enrichment activity and community activity during the academic year. Also commented on contribution of alumni in building knowledge of student. Dr. Sandip Pujari, Dr. V. S. Padalkar, Miss. Reshma Zaware gives input on topic How to write an effective resume? Dr. Sandip Pujari commented on the things to be avoided at the time of cv writing. Miss. Zaware adds, details like Date of Birth, Blood Group, Educational qualification with the name of college and affiliating university must mention Dr. Vikas Padalkar, Sr. General Manager, NOCIL Ltd, Mumbai stated about the documents need at the time of interview.

Dr. Satish Lanke, Dr. Abhinav Tathe and Dr. Shekhar Shinde collaboratively talk on How to introduce, confidence, personality, body language and dressing. Dr Tathe also demonstrated for the fresher and experienced person. The subject knowledge and its basic questionnaire are given by Dr. Padalkar. Dr. Satish stated on the department in industry and the work responsibilities.

Miss. Zaware focus on HR interview, she said employer must have its own vision about the job preference, annual package. Interviewer can also ask the question related to policy of industry and facility to be provided. Employer must aware about an industry like establishment, location, growth, and profit charts type of industry and scope of future.

In a Open discussion the student raised question related to academic and industry interview. He said that Research is a passion not a job. The discussion with the resource person and participant resolves the ambiguity of student. The workshop is over with vote of thanks given by Dr. V. N. Khose, Thanks to Resource Person, Chief guest, Patron institute, Principal, Vice-Principal, Staff of institute and all the participants and anchor of webinar Asst. Prof. S. D. Mhaske.

**Brief Summary of activity/ event:**

On May 18, 2022, the Department of Chemistry held a workshop on the application of organic chemistry in everyday life. For Chemistry undergraduate and graduate students. The workshop was attended by 72 students. For the workshop's opening ceremony, Professor Dr. Ram Mohan of Illinois Wesleyan University in Bloomington, USA, was invited to speak. On the subject of "Organic Chemistry in Everyday Life," he has given lectures. In order to lessen environmental risks brought on by harmful chemicals, it was important to organize this certificate programme with the goal of raising student understanding of green laboratory procedures and implementing green chemistry techniques in the lab.

Professor Dr. Ram Mohan, the honourable speaker, welcomed everyone to the workshop. Dr. R.K. Aher, the principal, congratulated and welcomed the Hon. Speaker. The function was introduced by Prof. D.R. Thube, who also provided details on the Department of Chemistry. At 10.30 am, the workshop's first session began. Presentation of the Introduction to Green Chemistry lecture was made by Professor Ram Mohan. The second talk began at 11.30 a.m. He discussed certain harmful chemical substances and their impact on the environment in his speech. Similar to the environmental impacts of benzene, dioxin, chlorinated compounds, mercury, and phosphate-containing insecticides, and raises awareness about the need to avoid using such harmful substances in farming and laboratories. The third lecture began at 2:30 and ended.

**Outcome of Activity/ event:**

1. Students are aware about use of pesticide.
2. It is best to avoid dangerous substances that are used on a daily basis.

**Brief Summary of activity/ event:**

A one-day industry-Academia workshop on "Opportunities in pharmaceutical Industries" is jointly organized by IQAC, Department of Chemistry and Alumni Association of New Arts, Commerce and Science College, Parner on Saturday 19<sup>th</sup> March 2022. The workshop is inaugurated the auspicious hand of Prin. Dr. R. K. Aher. 93 Postgraduate students and 11 Teacher participated in the workshop.

Dr. Vikas Padalkar and Dr. Abhinav Tathe were formally welcomed and introduced as well as the reason for organising the workshop by Mr. B. S. Narsale. The need for resources in the pharmaceutical business has expanded due to COVID-19, however trained and experienced individuals are preferable. Prin. Welcome to the workshop, resource people, Dr. R. K. Aher. Dr. Aher made the observation that encouraging student involvement in curriculum-enriching activities should be a top concern. Alumni from the chemistry department are constantly making contributions to society, employment opportunities, and student knowledge. The comments on industry and academic institution collaboration in research and placement have been made, sir.

Technical meeting How was the pharmaceutical sector described by Dr. V. S. Padalkar, Dy. General Manager, NOCIL Ltd., Mumbai? It contains departments including Research & Development, ADL, Quality, and Production. each department need human resources. employee traits, job status, and personal development. The requirement for a research project in the senior year was also mentioned by the sir. Dr. Abhinav Tathe gave a talk on intellectual property rights and employment options outside of the marketing and pharmaceutical industries. Students asked questions about academic and industry interviews during the discussion session, and their questions were answered. The workshop's closing session featured spoken comments from the students. Prof. A. J. Dhole gave the thanking speech.

**Outcome of Activity/ event:** Total 6 Students of the Department have been selected in the campus Interview of different Pharma Industries

1. The need of human resource for industry.
2. Intellectual property rights.
3. Career opportunities other than pharmaceutical industries and marketing field.

#### Brief Summary of activity/ event:

On Wednesday, April 13, 2022, IQAC and the Department of Chemistry of the New Arts, Commerce and Science College, Parner, hosted a one-day course titled "Research Methodology." Prin. Dr. R. K. Aher, Principal, extends a gracious hand in launching the workshop. The session was attended by 63 postgraduate students, 6 research students, and 9 teachers.

In his introduction, Professor Dr. D. R. Thube discussed the rationale behind organising a workshop. Sir talked about the necessity of setting up a workshop on research technique. the requirement for a literature review in the creation of objectives. An effective researcher must have strong communication skills, be on time, have confidence, and be knowledgeable about the topic matter. Welcome to the workshop, main guest and all resource people, prin. Dr. R. K. Aher.

Dr. A. G. Gadhave weighs in on the subject how does research start? The goal of the research must be an environmental, social, or biomedical necessity, among other things. In addition, he offered advice on what should be avoided while choosing a topic. He discussed the literature review and the usage of research articles that were published in reputable international publications. Use the Sci-finder app to acquire the most recent details on the research topic. The different reputable publishers used for referencing include the Royal Society of Chemistry, Elsevier, Taylor and Francis, Chemical Science, Nature, and Pub-Chem. Additionally, he discusses how to introduce yourself, your personality, your body language, and your attire when presenting a topic. The topic knowledge and its fundamental inquiries are covered.

In a Open discussion the student raise question related to literature survey. He said that Research is a passion not a job. The discussion with the resource person and participant resolves the ambiguity of student. The workshop is over with vote of thanks given by Dr. P. N. Daule. Thanks to Resource Person, Chief guest, Patron institute, Principal, Vice-Principal, Staff of institute and all the participants and anchor of webinar Asst. Prof. A. J. Dhole.

#### Outcome of Activity/ event:

1. A total of 4 Department students have successfully finished their research projects.
2. Graduate students clarified their concepts about organic synthesis.

## उत्तम संशोधनासाठी नवीन संशोधन तंत्राचा अवलंब करणे गरजेचे : डॉ. अनिल गाढवे

प्रतिनिधी | पारनेर

सर्वच क्षेत्रांमध्ये संशोधनाची आवश्यकता आहे. नवीनपूर्ण संशोधन ही काळाची गरज आहे. उत्तम संशोधनासाठी नवनवीन संशोधनतंत्राचा अवलंब करावा, असे आवाहन प्रवरानगर (लोणी) येथील पद्मश्री विठ्ठलराव विखे पाटील महाविद्यालयाचे मार्गदर्शक डॉ. अनिल गाढवे यांनी केले.

पारनेर महाविद्यालयातील रसायनशास्त्र विभागाने आयोजित केलेल्या 'रसायन शास्त्रातील संशोधन पद्धती' या विषयावरील कार्यशाळेत डॉ. गाढवे बोलत होते. प्राचार्य डॉ. रंगनाथ आहरे यांच्या अध्यक्षतेखाली झालेल्या कार्यशाळेत रसायन शास्त्र विभाग प्रमुख डॉ. दिलीप तुंबे यांच्यासह प्राध्यापक, विद्यार्थी सहभागी झाले होते. डॉ. गाढवे म्हणाले, उत्तम संशोधनासाठी संशोधकाने झोकून देऊन काम करण्याची तयारी ठेवली पाहिजे. तरच संशोधनाचे उत्कृष्ट निष्कर्ष

**New Arts, Commerce and Science College, Parner**  
**Department of English**  
**Report of Internship**

The final year students of BA who opted for Functional English need to do surveys and undertake projects to have entrepreneurship experience. The students did a survey and select the industry/ firm for the project in the month February. They prepare questionnaire. They seek permission from the Director/ Manager to carry out the project. They visited the firm in the First week of the March. The students work with the firm for to collect the information and practical knowledge about it. They work on this project for three months and do project on the assigned firm and enrich their entrepreneurship skills. They got valuable training and valuable knowledge. They prepared questionnaires to take interviews. They interacted with the director, manager, and workers. Based on collection of data and training, the students completed the assigned project under the guidance of the faculties. Eleven students of the departments worked with different firms and enterprises. After their successful completion of Internship, they carried out an innovative Project which proved useful for them as well as youth who are seeking for better self -employment. During internship, they also developed their business communication and entrepreneurship skills.

**Brief Summary of activity/ event:**

**Department of B.Voc. Renewable Energy Technology and Management** has organized one-month online internship programmed of centurion University of Bhubaneswar during **01/09/2021 to 01/10/2021** for the S.Y. and T.Y. students of the B.VOC. **16** students participated in this workshop.

Internship was started on 1st September 2021 with inauguration and Prof. Nimay Chandra Giri Director of Centurion University Bhubaneswar. Hon. Principal R.K. Aher and Faculties. in his inaugural speech he explained Aim and Objectives of workshop and given best wishes to students. Prof. Suryanarayan coordinator of workshop given Schedule of One-month workshop and taken Overview of Renewable Energy Development in India, Regulations for solar sector in India. From 2<sup>nd</sup> September Dr. Sau Bhagya Laxmi, conducted Theory lectures on Basics of Solar cell technology and working of PV cell/Panel/Array Installation. On 3<sup>rd</sup> to 4<sup>th</sup> September Prof. Dabashree D. Behera delivered lecture and given information about theoretical and demo lecture on solar cooker, solar oven, Preheating of thermal power plant. Next two days 5<sup>th</sup> and 6<sup>th</sup> September 2021 Prof. Nimay Chandra Giri has given talk on solar PV system sizing and installation and system operation and control. On 7<sup>th</sup> to 9<sup>th</sup> September 2021 Prof. Smruti Ranajan Nayak conducted lecture on sizing and connection and maintenance of Battery and Inverter of solar system. On 10 September Prof. Surya Narayan Sahu explained software exposure. From 14<sup>th</sup> to 17<sup>th</sup> September Prof. Smruti Ranjan Nayak conducted lecture on solar pumping system, solar Roti rolling machine, solar milking machine, Dc refrigerator, solar pottery wheel millets processing unit and Dc Blower, Rice Huller Sema, solar cooker. On 15<sup>th</sup> September the Entrepreneur Talk by Guest. On day 16<sup>th</sup> to 17<sup>th</sup> day Mr. Rama Prasanna Dalai gave information about overall costing of a solar PV systems and troubleshooting. On 19<sup>th</sup> to 22<sup>nd</sup> September Mr. Rajendra Khatanga, Mr. Surya Narayan Sahu and One external guest gave talk on software exposure and Entrepreneur skill. On 23<sup>rd</sup> and 24<sup>th</sup> September they conduct site visit. On 25<sup>th</sup> September Prof. Surya Narayan Sahu teach transformer manufacturing. On 26<sup>th</sup> and 27<sup>th</sup> September they conducted lecture on Entrepreneur talk and concluded the training Programme.

**Outcome of Activity/ event:**

1. This course gives basic theoretical as well as practical knowledge of solar power plant System.
2. Students can able to install solar PV System.

Subject: Regarding training on Solar Technology .....

Respected Sir,

This has reference to the subject cited above, our College is running Bachelor of Vocation in Renewable Energy Technology and Management course under the NSQF scheme of UGC since academic year 2018-19.

We would like to organise one month online training program on Solar Technology for our S.Y. and T.Y. B.Voc. students with the help of expert faculties from your institution. Kindly grant the permission for organizing the training workshop.

Thanking you

**Brief Summary of activity/ event:**

For M. Sc. Organic and Analytical Chemistry students at our college, the Department of Chemistry arranged a campus interview drive on July 22, 2021 in preparation for their placement at Badrivishal Chemicals and Pharmaceuticals Ltd., Pune. 18 M. Sc. in Organic and Analytical Chemistry students from our college participated in the campus drive.

Badrivishal Chemicals and Pharmaceuticals Talegaon Dabhade's Dr. Narayan Karanjule, CTO, and his colleagues visited our campus for a hiring event. Dr. Narayan Karanjule and his colleagues welcomed everyone to the event. Hon. Guest was congratulated, welcomed, and given information about the Department of Chemistry by Principal Dr. R.K. Aher.

At ten o'clock in the morning, a written test in fundamental chemistry kicked off the first session of the campus drive. After lunch, they conducted written test score analysis on the applicants and scheduled interviews for those who passed. According to their requirements, they chose our college's three candidates.

Campus Drive concludes with a farewell performance. In his interactions with students, Dr. Narayan Karanjule offers advice on the interviews. Students maintained their opinions and provided feedback regarding the interview. Dr. Narayan Karanjule and his colleagues gave a vote of thanks, which was delivered by Prof. B.S.Narsale.

**Output of the Workshop:**

1. Students got knowledge about interview techniques and pattern of written test.
2. Three students were selected through this campus drive.

Venue	A.P.J.Abdul Kalam Auditorium

**Brief Summary of activity/ event:**

Workshop on Better Living Through Green Chemistry was held by the Department of Chemistry on December 21, 2021. For Chemistry undergraduate and graduate students. The workshop was attended by 139 students. For the workshop's opening ceremony, Professor Dr. Ram Mohan of Illinois Wesleyan University in Bloomington, USA, was invited to speak. On the subject of "Better Living Through Green Chemistry," he has given lectures. Professor Dr. Ram Mohan, the honourable speaker, welcomed everyone to the workshop. Dr. R.K. Aher, the principal, congratulated and welcomed the Hon. Speaker. The function was introduced by Prof. D.R. Thube, who also provided details on the Department of Chemistry. At 10.30 am, the workshop's first session began. Presentation of the Introduction to Green Chemistry lecture was made by Professor Ram Mohan. The second lecture began.

The third lecture, which focused on better living through green chemistry, began at 2.30 and ended at 3.30. At the conclusion of Day 1, Prof. Ram Mohan interacts with department faculty members and discusses social issues and local environmental pollution challenges. The Hon. Speaker's vote of thanks was delivered by Prof. S.D. Mhaske. Day two activities got underway at 8.30 am, Professor Ram Mohan spoke on the subject of plastic. Presentations by students for brief talks began at 9.30 am and lasted at 11.30 am. 23 students in total took part in the presentation competition. First through sixth grade kids were honoured by being presented with certificates and cash prizes by the distinguished chief guest Prof. Ram Mohan, the remaining pupils.

**Outcome of Activity/ event:**

1. Students learned about experiments in "green" chemistry.
2. The student took part in a debate about how green chemistry is used in everyday life.

**Subject: Invitation as a Chief Guest and Resource Person for Green Chemistry Certificate course.**

Respected Sir,

Department of Chemistry of our College is continuously conducting a Certificate Course on Green Chemistry since 2019. In this academic year this course will be conducted during 20<sup>th</sup> December 2021 to 28<sup>th</sup> February 2022. As a part of this certificate course we are conducting a workshop on Green Chemistry on 20<sup>th</sup> to 21<sup>st</sup> December 2022. It is of great pleasure to invite you as chief guest and an eminent speaker to guide our students during this workshop.

Your expertise in this field has helped our students to develop and to grab the opportunity in the form of their placements. We are very sure that such events are helpful in developing and achieving the skills related to Green Chemistry through new ideas in Green chemistry and creates awareness about Green Practices in the laboratory as well as day to day life.

Kindly accept our invitation and oblige us.

Thanking You.

**Brief Summary of activity/ event:**

Department of Chemistry and Research Center and science association of New Arts, Commerce and Science College, Parner had organized "Chemistry Fundamentals 2021-22" on 29<sup>th</sup> March 2022 funded by college. The exhibition was inaugurated by the principal Dr. R. K. Aher, Vice-principal and Head of the chemistry department Dr. D. R. Thube, Science association chairman Prof. V. R. Magar, science faculty coordinator Dr. R.S. Diggikar, Head of the Physics department Dr. S. L. Kadam, Dr. T. S. Thopate, Dr. S. M. Kale and others faculties.

The exhibition consisted of 114 scientific innovative and basic science concept posters made by the post graduate and T. Y. B.Sc. chemistry students. There were 35 scientific chemistry experiments demonstrated by PG students with the explanation of science behind the experiment in simple language to school students.

About 138 school students belonging to 9<sup>th</sup> and the teachers of New English School, Parner, Senapati Bapat High School, Parner and the students of college visited the exhibition. The PG students of chemistry explain and demonstrated the experiment and scientific poster presented. The total expenditure of the exhibition was fully done from the College funds.

The exhibition was smoothly conducted within safety of all of us by Asst. Prof. V. R. Magar (Organizing secretary), Asst. Prof. P. N. Daule (Coordinator), and Asst. Prof. A. J. **Subject:** Invitation for Chemical Education fair "Chemistry --Fun-damentals"2022

Respected Sir,

In order to popularize Chemistry at school level, Chemistry Department of our college is organizing Chemical Education fair "Chemistry --Fun-damentals 2022" on Tuesday, 29 March 2022. The timing of fair is 9.00am. to 4.00pm. The Exhibition includes introduction of chemical experiments, Poster exhibition, Demonstrations of Funny experiments, and Video show of Chemistry experiments, Scientific Games, Lectures on science and fun, information of Instruments used in Chemistry Laboratory etc. You are invited as chief guest for inaugural function and also requested to send students of VIII and IX class along with representative teacher for the fair.

Thanking You.

**Chemistry Fundamentals: Education Fair -2022**

Ahmednagar Jilha Maratha Vidya Prasarak samaja's New Arts, Commerce and Science College, Parner, Department of Chemistry has been organised a one day science exhibition on 29<sup>th</sup> March 2022. The science education fair was named as "Chemistry Fundamentals: Education Fair-2022." Department of chemistry was continuously organising this activity since last 7 years but after Covid -19 pandemic this activity was very helpful in order to inspire and attract young minds from schools at their initial levels. The objective of science exhibition:

1. To inculcate scientific attitude and research mindedness.
2. To create teaching aids.
3. To make platform for students showcase their scientific skills.
4. To make and opportunity for school students to observed sophisticated laboratories.
5. Students to participate in activities so as to understand cognitive, affective aspect of task

The event was inaugurated on auspicious Hands of Hon. Principal Dr. Ranganath Aher, Vice Principal Dr. D. R. Thube and All Head of Departments of Science Faculty and staffs were present for the function. The event started at 9.00 am and continued till 4.00 pm. PG student and Last year UG students took active participation.

The Exhibition consists of:

1. Scientific Poster
2. Chemistry Experiments

The Students from M.Sc. II Analytical Chemistry opened this exhibition by performing a Scientific Drama on be aware of superstition. Students from M.SC I showed chemical safety in homes. More than 200 students of 8<sup>th</sup> and 9<sup>th</sup> class from Senapati Bapat High School and New English School, Parner visited for the exhibition. There were 42 posters and 18 experiments demonstrated by Post Graduate students. Students asked different queries and gave a feedback on this exhibition. A popular lecture on science and day to day life was delivered by Hon.Principal Dr. Ranganath Aher. All the participants offered certificates.Prof.V.R.Magar coordinated the event.prof.B.S Narsale, Prof.S.D.Mhaske, Prof. A.J.Dhole, Prof.P.N. Daule, Prof.N.B.chede, Prof.A.K Thube, Prof.M.S.Tarade, Prof. S.S.chaudhari monitored different activities in the event. The recorded videos of demonstration of Experiments and posters are uploaded on you-tube and available for public.

**Brief Summary of activity/ event:**

The Department of Chemistry has always engaged in all round development of students. For this, department has always conducted different activities through the active participation of students. Department is always caponized for the development of students. As a part of this under the guidance of IQAC, the department has organised One day workshop on "Career opportunities in Chemistry after graduation." chemistry subject is centre of the science and it has wide scope in different fields like pharmaceutical, metallurgy, chemical, textile, nano science, space science, agriculture etc...

Now a day there are many challenges faced by our society during the pandemic era of covid 19 to tackle such types of challenges, we should focus on research and developments. For this purpose we should produce efficient and skilled scientists so they can take over to these challenges. First step towards these students of chemistry should admit in renowned institutes from India and abroad. So students of Under Graduate should aware about opportunities after Graduation from chemistry Department of Chemistry has organised one day workshop on "Career opportunities in Chemistry after graduation" through Zoom online platform.

For this workshop eminent speaker Mr. Rajiv Abhyankar from Institute for Advanced studies, Pune delivered lecture. Dr. Rajiv Abhyankar in his lecture aware the students about national and state level different examinations like IIT-JAM, NET, SET, GATE, GRE, Toffel etc. He informed the students about pattern, syllabi and marking scheme of these examinations. He also told the names of different reference books that should help to crack these exams. 92 students were participated in this activity.

**Outcome of Activity:**

1. Students get information regarding different competitive exams
2. Students interact with resource person and clear their doubts about these exams

**Brief Summary of activity/ event:**

The Department of Chemistry has always engaged in all round development of students. The chemistry is play vital role in different government department like forensic, drug and food etc. Students should aware about such departments, their role in public welfare and their decorative services. To 'grab the opportunities in these department students prepare themselves according to pattern executed by the MPSC.

As a part of this under the guidance of IQAC, The Department of Chemistry has organized a one day workshop on "Crack the State Level Competitive Examinations in Chemical Sciences." through Google meet online platform. For this workshop eminent speaker Dr Saiyam Sikka from Institute for Advanced studies, Pune delivered a lecture. Dr. Saiyam Sikka in his lecture informed the students about different post that was filled by MPSC. He informed the students about the pattern, syllabi and marking scheme of these examinations. He also told the names of different reference books that should help to crack these exams.

For this workshop Vice - Principal and Head of Chemistry Dr. Dilip Thube delivered the welcome address to participants and Prof. Pravin Daule delivered the vote of thanks for the workshop. 114 students are participated into this workshop. Students give positive oral feedback for activity, they express their gratitude to the chemistry department for conducting the workshop and expecting more programs in future.

**Outcome of Activity/ event:**

1. Students got information about how to crack state level competitive exams
2. Students interact with resource person to acquaint knowledge about these exams.
