C. Feedback Reports

College has established a committee for the feedback and it has developed a mechanism from offline to online for appreciation and evaluation of initiatives and efforts towards providing a learning ambiance to the learners as per the vision and mission. The committee takes feedback from various stakeholders as per the policy and procedures. These feedbacks are analyzed and reported to authorities for further necessary action. The report was approved in CDC meeting with necessary action. Suggestions of stakeholders from the feedbacks contributed significantly in the overall development of college. The annual reports of feedback and ATRs for last five years are uploaded on college website.

Introduction:

Ahmednagar Jilha Maratha Vidya Prasarak Samaj, Ahmednagar, the parent institute was established in 1918 with an objective of imparting quality education especially to the economically and socially weaker sections of the society in the district of Ahmednagar. It is a public trust, registered under the Bombay Public Charitable Trust Act, 1953. It has substantially contributed to the educational and social developments so far and will continue to do so in future catering to the needs of the changing times. Over the years, it has grown into a family of more than hundred educational institutions from pre-primary education to higher professional education. It is managed by a team of dedicated social workers. During the period of about hundred years, its development has been consistent to its motto “Tajo Si Tejo Me Dehi”.

New Arts, Commerce and Science College, Parner is one of the active educational institute working in the rural area since 1977. It is affiliated to Savitribai Phule Pune University, Pune and recognised under 2(f) and 12(B) of the University Grant Commission, New Delhi. The College has been accredited with “A” grade with CGPA 3.07 on four point scale in 3rd cycle of reaccreditation by NAAC, Bangalore in 2017. The college has continuously upgraded its academic profile with new academic programmes as per the need of the time and to make available the new avenues of career options to students. We have a team of devoted, dedicated teachers and committed support staff. The college has reached its level of excellence due to the constant support and encouragement from the visionary management, devoted and committed team of teaching and support staff and above all, support and affection from the society. We are committed to strive hard to scale greater heights to fulfil expectations of all stakeholders.

Policy:

The performance of HEIs is dependent on effective learning outcomes. Feedback mechanism is an essential and effective tool to identify wheather the HEI is imparting the quality education. Hence our institute has made a policy to avail the feedback from all the stakeholders and to analyse the institutional performance on different fronts. Through continual feedback mechanism HEI ensures the growth and development in infrastructural facilities to strengthen the teaching-learning process.

Objectives:

Feedback is the key feature to maintain academic excellence of a HEI.

Following are the objectives:

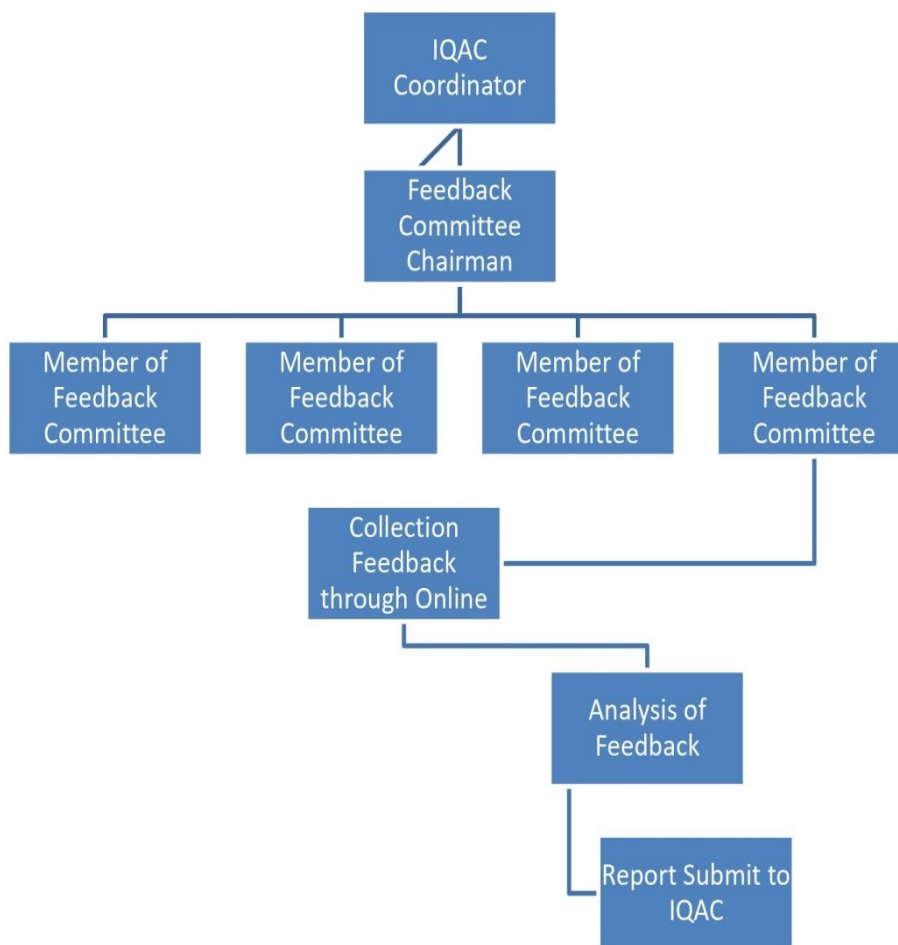

1. To provide various stakeholders with an opportunity to contribute their opinion on the quality of their learning experiences, as required in preparation for and as part of review processes.
2. To assess the success of academic delivery in relation to the expectations of students.
3. To provide feedback to college faculties in order to improve delivery and/or content of the study-unit.
4. To assure the standards and quality of college's infrastructure and prescribed curriculum.
5. To offer the platform to the students in identifying a better role in the teaching-learning process.
6. To identify the obstacles in attaining the learning objectives and outcomes of a particular programme.
7. To support the improvement and up gradation in the teaching methodology at the institution.
8. To avail a network for bridging the communication gap between the management and students.

Role and Responsibilities:

1. To avail the feedback from all the stakeholders and to maintain an up-to-date database of the same.
2. To assist management in creating an learning environment in the college that enables students to have far-lasting memories.
3. To provide the inputs from feedback to improve the quality of our academic programmes and enrich the credibility of the institution.
4. To offer best possible academic environment and learning experience to reach potential for academic achievement.

Feedback and Learning Outcome committee

The college authorities have constituted a Feedback and Learning Outcome committee. Its composition is as follows:

The members of the committee are as below:

Sr. No.	Name of Committee Member	Designation
1	Dr. R. K. Aher	Principal
2	Dr D. R. Thube	IQAC, Coordinator

5	Prof. M. S. Aher	Member
6	Prof. R. A. Shinde	Member
7	Prof. Suraj Gaikwad	Member
8.	Student Representative	Member

Feedback Collection Process:

The feedback committee meets periodically and designs/upgrades the formats for various kinds of feedback to be collected from stakeholders. The feedbacks are collected from all stakeholders (students, teachers, alumni, employers) through online mechanism using questionnaire designed by the committee on Infrastructural facilities, Teaching-Learning process, Curriculum and Delivery, Extension and Outreach activities, Teacher Quality and Evaluation Process.

The feedbacks are collected through online mechanism with the help of college website portal. These feedbacks are analyzed and the analysis report is prepared. This report is placed before the IQAC and CDC meeting and discussed for its actions. The Action Taken Report (ATR) on feedback report on feedback is prepared and uploaded on college website for the access of one and all. This suggestions received in feedbacks are useful for the upgradation of the facilities as well as improvement of the processes an services.

The feedbacks collected from different stakeholders are:

Stakeholder	Feedback on curriculum development and deployment	Feedback on infrastructural facility of the college
1. Student	√	√
2. Teacher	√	√
3. Alumni	√	√
4. Employer	√	√

Department-wise Action Taken Report on Feedback

Academic Year-2020-21

Feedback is one of the most important components to tracing out the general process in the curriculum and planning for future improvements. We have decided to take feedback of final year students of graduate and postgraduate students, their parents, alumni on curriculum design and overall development of the college.

The feedback mechanism is an essential and effective tool to identify whether the college is imparting quality education. Hence our college has made a policy to avail the feedback from all the stakeholders. The college authorities have established a Feedback committee.

The feedback committee plans the formats, collection and evaluation of feedback from all the stakeholders such as students, teachers, alumni, employers, etc. Regular meetings of the committee have been to execute the planned activities. The feedback is collected online in the form of standard formats from all the stakeholders on various aspects such as curriculum development and deployment, infrastructural facility of the college etc.

The feedback is collected through online mode from different stakeholders. The feedback forms and formats are jointly designed by the committee and IQAC. The forms are uploaded on the college website and feedback is collected online from all the stakeholders in a planned schedule. The feedback received from different stakeholders is as below.

Stakeholder	Feedback on curriculum development and deployment	Feedback on the infrastructural facility of the college.
Student	√	√
Teacher	√	√
Alumni	√	√
Employer	√	√

The collected feedback is analysed systematically and a report is submitted to IQAC and the Principal. The corrective measures are taken by the respective authorities in CDC meeting. Thus feedback mechanism is used to maintain academic excellence of a HEI.

Received responses from different stakeholder

Sr no	Stakeholder	Received Responses
1	Student	1303
2	Alumni	98
3	Teacher	88
4	Employer	10
5	College Infrastructure	399
Total Response		1898

After analyzing the feedback received from all the stakeholders, The suggestion and recommendations are discussed with head of department, IQAC and Principal. The necessary steps and measures are taken on the feedback. The suggestions regarding curriculum obtained from all the stakeholders are communicated to affiliating university authorities through respective Board of Studies and in the curriculum restructuring workshops

Suggestions received from stakeholders:

- Start a professional course like B. Pharm, D Pharm etc
- Give the attention towards laboratory development
- Increase the Wi-Fi connectivity
- Develop the digital classroom
- Organize the contest for improving the creative thinking of students
- More need of purifier water system
- Introduce the syllabus for enhancing the self-employability
- Alumni association should be more functional
- Include the applied computer knowledge in curriculum

Action Taken Report is as follows:

Sr. No.	Suggestion	Department	Action Taken
1	Start a professional course like B. Pharm, D Pharm etc	IQAC	Policy decisions must be taken considering the rules of affiliation.
2	Give attention towards laboratory development	Commerce	Discussed with the principal for development.
3	Increase the Wi-Fi connectivity and develop the digital classroom	Technology Section	This facility is already available in the college.
4	Organize the contest for improving the creative thinking of students	Academic Department	Planned to organize the quiz, essay writing competition, group discussions, assignments etc.
5	Introduce the syllabus for enhancing the self-employability	Academic Department	Introduced the carrier/ job-oriented certificate courses in related subjects
6	Alumni association should be functional	Alumni Committee	Alumni activities increased.
7	Include applied computer knowledge in the curriculum.	Academic Department	Communicated to the concerned department for implementation.

Conclusion: Thus, the feedback given by the stakeholders was analysed and suitable action was taken to satisfy the expectations of the stakeholders.

Brief Summary of activity/ event

ACKNOWLEDGMENT

The two days National Conference on "Graph Theory & Its Applications" (NCGTA-2018) organized by Mathematics Department, New Arts, Commerce And Science College, Parner & Sponsored by BCUD was a grand success. The conference mainly focused on the basic notes in selection of the research topic, plan of research work, presentation of research proposal and use of Graph Theory in research. It was helpful to the researchers to present their research work and writing of research articles or reports. The success of the conference was due to the contributions made by large number of participants especially under graduate students, post graduate students, research students and non Ph. D. teaching faculty from different colleges, Universities and research institutes. The total number of participants was 156.

On the first day, that is 19th January 2018, inauguration function was held in the spacious Rajarshi Shahu conference Hall of the college. The conference was inaugurated by Dr.S.B.Nimase (Ex.VC of Lucknow University), Hon. K.C.Mohite (Dean of Science faculty), Hon.Rahul Zaware patil (Member of A.J.M.V.P.S), and Hon. Dr. R. K. Aher (Principal), Dr.Sanjivani Gharage (Ruija College Mumbai), Dr.S.B.Gaikawad (H.O.D. of N.A.C.&S.College Ahmednagar), Dr.S.V.Ingale & Dr.T.S.Thopate (Vice Principle) New Arts, Commerce and Science College, Parner. The dais was shared by Asst.Prof.R.D.Sonawane Convener (NCGTA-18). The importance and theme of the conference, welcomes of all the participants and detailed information of the institute and the college was given by Sonawane R.D. After felicitation of chief guest and president function, an inaugural speech was given by chief guest Dr.S.B.Nimase, Dr.K.C.Mohite. This was followed by presidential address by Rahul Zaware Patil. At the end of inaugural function Asst.Prof. Shinde S.R proposed the vote of thanks to the chief guest, president of the function and all the participants for giving their valuable time for the cause of this conference.

Hon. Principal Dr. R. K. Aher and Vice Pincipal Dr.T.S.Thopate was Director of the conference. Asst.Prof.V.M.Gadage was the Co-ordinator for the conference. Asst.Prof.R.D. Sonawane as the convener and Asst.Prof.D.D.Pathave was the organizing secretary for the conference. All the members of the organizing committee took untiring efforts for successful organization of the conference, however the contribution made Asst.Prof.S.R.Shinde, Treasurer of the conference were noteworthy. The tremendous efforts of the Members, Staff and Students of New Arts, Commerce and Science College, Parner provided a great support to the success of the conference. The co-operation of BCUD and our parent institute Ahmednagar Jilha Maratha Vidya Prasarak Samaj's, Ahmednagar are highly acknowledged for their generous financial support.

Session Reports

Session I

Date 19th January 2018

"Graph Theory & It's Applications"

1. Invited Speech- Dr. Sanjeevani Gharage Department of Mathematics, Ramnarain Ruija College. Mumbai.

Chairman Dr.S.B.Gaikawad.
Rapporteur Asst.Prof.N.T.Mandage.
Vote of Thanks Dr.S.V.Ingale

Dr. Sanjeevani Gharage talked on Strongly Regular Graph with Parameter $(q^2(q+2), q(q+1), q)$ where q is prime .

She explained how to prove the existence or non existence of various strongly regular graph.

2. Invited Speech-Prof.B.N.Waphare, Savitribai Phule Pune University, Pune

Chairman Dr.S.V.Ingale.
Rapporteur Asst.Prof.Nutan Mandage.
Vote of Thanks Prof.Gadge.V.M.

Prof.B.N.Waphare talked on Hypercube and Its Decomposition, Properties of Hypercube ,Characteristics of Hypercube, Decomposition of Hypercube.

3. Invited Speech-Dr S.B.Gaikwad, New Arts Commerce And Science College, Parner,

Chairman Dr.S.B.Gaikwad
Rapporteur Asst.Prof.Gadge.V.M.
Vote of Thanks Asst.Prof.Pathave D.D

Dr S.B.Gaikwad talked on Rigidity and Degree of freedom in wire network. Application of Degree of freedom, Network rigidity at finite temperature.

4. Invited Speech-Dr.S.V.Ingale, New Arts Commerce and Science College, Ahmednagar

Chairman Dr.B.N Waphare
Rapporteur Asst.Prof.Pathave D.D
Vote of Thanks Asst.Prof.Mandge N.T

Dr S.V Ingale talked on Fuzzy Graphs And Its Applications.

Session II

(20th January 2018)

1. Invited Speech-Prof.M.M.Shikare, Savitribai Phule Pune University, Pune.

Chairman Prof.D.N.Kandekar
Rapporteur Asst.Prof.Mandge N.T
Vote of Thanks Asst.Prof.Pathave D.D

Prof.M.M.Shikare talked on Application of Graph Theory in Daily Life and Application of Graph Theory in various field.

2. Invited Speech-Mrs Veena Shinde-Deore, Assistant Professor And Head, Department of Mathematics, Bhavan's H.S. College, Mumbai.

Chairman Prof.M.M.Shikare
Rapporteur Asst.Prof.Gadge V.M
Vote of Thanks Asst.Prof.Mandge N.T

Mrs Veena Shinde-Deore talked on Friendly Labeling And Zero-Edgemagic Labeling of Corona Graph

3. Invited Speech-Mrs Sheetal Thakare, Assistant Professor, Dept of App Mathematics, Lokmanya Tilak College of Engg. Navi Mumbai.

Chairman Mr Yogesh B.Rokade
Rapporteur Asst.Prof.Mandge N.T.
Vote of Thanks Asst.Prof.Gadge V.M

Mrs Sheetal Thakare talked on Super Weak Sum Labeling Of Generalised Friendship Graphs And Fans

4. Invited Speech-Mr. Yogesh B. Rokade, Assistant Professor. Department of Mathematics, New Arts, Commerce And Science College, Shevgaon.

Chairman Mrs. Shital Thakare
Rapporteur Asst.Prof. Pathave D.D.
Vote of Thanks Asst.Prof. Gadge V.M

Mr. Yogesh. B. Rokade talked on Some Bounds For Irregularity Of Graph.

Session III

VALEDICTORY FUNCTION

Valedictory function was held on 20th January 2018 in the afternoon at 4:00 pm. It was presided over by Hon. Prin. Dr. R. K. Aher. He expressed the satisfaction over successful organization of the conference and admired the efforts taken by organizing committee. A number of participation expressed their opinions about the successful organization and praised the college for organizing such a wonderful conference. At the end of programme certificate distribution completed.

Outcome of Conference:

- ❖ The students will be able to use tools based on graph theory in solving real-world problems as a result of this conference.
- ❖ The core ideas of graph theory were understood by the students.
- ❖ Students' and teachers' proofreading abilities have increased.

Brief Summary of activity/ event:

Department of computer Science & IQAC of new arts commerce and Science college, Parner coordinated with Elite Software PVT LTD, Pune to organise five days Certificate Course on "**Web Development**" on 26th Feb. to 2nd March 2018 to make students aware of concept of front end Development.

The Certificate Course made students aware of front end development using HTML, CSS, Javascript, Wordpress and web hosting. There are total 75 participants in this Certificate Course. The certificate course benefitted to increase the knowledge of student which is required to work in software industry. There was Question-Answering Session, Many of Students asked question to Sagar Tarade (Project Manager), Prasad Rout (Senior Software Developer), Shelar Shailesh (CRM and Web developer), Devakate Swapnil (Intern Developer). The team of Elite Software Development satisfied all the question of students. At the end, Lasure A.U. conveyed vote of thanks to college and Elite Software PVT LTD.

Outcome of Activity/ event:

1. Students know the web page development using Bootstrap, CSS, HTML and Javascript.
2. Student aware about web Hosting.
3. Student Developed their domain

Brief Summary of activity/ event:

Two days International Conference on "Innovations in Physical, Chemical and Life Sciences (IPCLS-2018)" was organized by our College, New Arts, Commerce & Science College, Parner & sponsored by BOD, Savitribai Phule Pune University, Pune. The conference was held on 27th & 28th December 2018.

Chief Guest for the inaugural function for the same was Dr. Anjana Singh, former head, Central department of Microbiology, Tribhuvan University, Kirtipur, Kathmandu, Nepal. President for this function was Hon. Aher R. K., Principal, New Arts, commerce and Science College, Parner. In the Keynote address of first session Dr. Anjana Singh guided the delegates on Molecular detection of BLANDM-I gene among Metallo beta lactamase producing Klebsiella pneumonia from different clinical specimens at tertiary care hospital. Dr. Ravindra Bulakhe was Chairperson for this particular session.

In the second session, another resource person Dr. Ravindra Bulakhe from Department of Polymer science and Engineering, Korea National University of Transportation, Chungju, South Korea gave his presentation on Development of nanostructured copper hydroxide and molybdenum sulphide conjugation with grapheme for high-performance asymmetric solid-state supercapacitors. Dr. C. Mahendranathan chaired this session. There was lunch break of one hour after the second session. In the third session Dr. Vishal Shinde, Agri Biotechnologist, California, USA delivered speech on Implementation of advances in Physical, Chemical and biological sciences for agricultural research and farming. This

session was chaired by Dr. Anjana Singh. Fourth session was conducted by Dr. S. R. Jagiasi, from R. K. Talreja College, Ulhasnagar. He gave presentation on Biodegradation and detoxification of Congo red dye by free living diazotrophs. This session was chaired by Dr. S. D. Pagire. Fourth session was conducted Scientific session was held at the end of day. Oral presentations were conducted in this session. This session was chaired by Prof. P. S. Mutkule.

First session of second day was started with oral presentations. This session was chaired by Dr. S. R. Jagiasi. In the second session invited speech was given by Dr. C. D. Bhenki. His topic was Green Protocol for synthesis of dihydroquinazolinone derivatives. Third session was conducted by Dr. B. N. Jadhav as resource person. He guided the participants on the topic study of ivermectin (Ivermectin 1979) in broiler chicken from Aurangabad District of Maharashtra State. The remaining oral presentations were conducted in the fourth session. In the fifth session invited talk was given by Dr. C. Mahendranathan on the topic importance of some wild Leafy vegetables and medicinal plants available at the Eastern Province, Sri Lanka. This session was chaired by Dr. R. Bulakhe.

Last technical session was conducted by Dr. S. K. Pagire. He delivered lecture on recent advances in sustainable enantioselective photocatalysis-Powered by visible light. The session was chaired by Dr. Ketan Parmar.

For valedictory function Dr. S. K. Pagire was present as a Chief Guest. Dr. T. S. Thopate, Vice principal was president of this function. Prof. P. S. Mutkule has taken review of the two days conference. More than 200 participants from all over India and outside India were participated in this conference. Conference was very fruitful for students, teacher, academician, researchers, scholars and the peoples in the society.

For the successful of this conference grate efforts are taken by all the members of organizing committee and administrative staff, teaching & non-teaching staff and students. All abstracts are published in Abstract book and full length research articles are published in International Research Journal of Multidisciplinary studies.

Outcome of Activity/ event:

1. Researchers from different specialization shared their knowledge for new Researchers in this era.
2. New Researchers gets an idea about recent advancement techniques in Research.
3. Researchers share their experiences, new ideas and Research result about all aspects and subjects of Physical, Chemical and Life Sciences and discuss the practical challenges encountered and solution adopted.

INVITATION

Dear Friends,

It gives us a great pleasure to cordially invite you to participate in three (03) day Science Academies Lecture Workshop on "Modern Trends in Biological Sciences" to be held on 9th- 11th of January, 2019 organized by Department of Zoology, New Arts, Commerce and Science College, Parner - 414-302 Dist. Ahmednagar (MS).

ABOUT THE INSTITUTION

Chhatrapati Rajarshi Shahu Maharaj of Kolhapur, the son of Huitama Chouthe Chhatrapati Shivaji Maharaj was a source of inspiration to the institution. The institute established in 1918, namely "Ahmednagar Jiha Maratha Vidya Prasarak Samaj". The main object of the institution is to impart education to economically backward, downtrodden and weaker sections of the society irrespective of the caste, creed, sex and religion. The growth of institution during the past 100 years is noteworthy with its motto "Tejo Si Tejo me Deh".

ABOUT THE COLLEGE

New Arts, Commerce and Science College, Parner is one of the active educational institute working in the rural area since 1977. It is affiliated to Savitribai Phule Pune University, Pune and recognized under 2(J) and 12(B) of the UGC. The College has been accredited with "A" grade with CGPA 3.07 in 3rd cycle of reaccreditation. Recently college has got recognition in RUSA, Unnat Bharat Abhiyan and NIRF. The college has well developed Cactus Garden. The present student enrollment is 2416. The total number of programmes offered at present is 42 which include 15 UG, 11 PG, 02 research centers and 04 certificate courses. The college also offers B. Voc. in software development and renewable energy technology and management. The college has reached its level of excellence due to the constant support and encouragement from the visionary management, devoted and committed team of teaching and support staff and above all, support and affection from the society. We are committed to strive hard to scale greater heights to fulfill expectations of all stakeholders.

ABOUT THE DEPARTMENT

The Department of Zoology was established in 1992 and offers undergraduate degree course B. Sc. Zoology. The main objective of department is to internalize general scientific skills and practices common across different disciplines through sustained mentoring, along with discipline specific content and conceptual enhancement among undergraduate students. The department has received research grants from UGC, DST and BCUD, Savitribai Phule Pune University, Pune. The activities of the department are to impart quality education, boost thinking potential with overall development of the students and to create awareness among students towards local fauna and its importance and conservation.

ABOUT THE WORKSHOP

Modern biology is developing with breath taking speed. Ideas hypothesized few years ago as science fiction are now becoming reality. With the advancement of modern techniques, humans are able to uncover the truth behind the biological phenomenon. These techniques are becoming so useful to the mankind in various ways. The well-organized workshop including basic as well as advanced concepts in the life sciences shall help in better understanding and inspire the undergraduate students for pursuing higher studies in life sciences. The science academies lecture workshop will promote the scientific temper and disseminate the scientific knowledge to the local students, teachers and research scholars. This workshop has prime objective to provide an opportunity for a close interaction of scientists with varied interests in diverse fields of the research.

HOW TO REGISTER ?

UG and PG students, Research Scholars and Faculty members from life sciences discipline can register through online or offline form available on college website. Interested candidate can send duly filled registration form to the course co-ordinator by mail (ajinky.aher@gmail.com) or by post. There is no registration fee. The number of participants is limited to 120 only. The registered participants would be entitled to workshop kit, tea and working lunch during the lecture workshop. No TA/DA will be provided to the participants. Accommodation will be made available by paying necessary charges in the college hostel on demand. Please visit the college website (<http://www.newartsparner.com>) for registration form, details and updates.

Deadline for registration: 7th January, 2019

Indian Academy of Sciences (IASc), Bengaluru

The Indian Academy of Sciences founded in 1934 by Professor C. V. Raman, a Nobel Laureate with the main objective of promoting the progress and upholding the cause of science, both in pure and applied branches. Major activities include to promote original research and to disseminate scientific knowledge to the community through its activities of organizing meetings, discussions, seminars, symposia and publications, recognizing scientific talent amongst the young, improvement of science education in India.

Indian National Science Academy (INSA), New Delhi

The Indian National Science Academy, established in 1935, is a premier science academy in the country. INSA plays crucial role in promoting sciences in India and harnessing scientific knowledge for the cause of humanity and National welfare. It works towards coordination among scientific bodies, promoting and safeguarding the interest of scientists besides publishing journals and proceedings and managing funds for promotion of science.

The National Academy of Sciences (NASI), Allahabad

The National Academy of Sciences was founded in 1930. The main objective of the academy is to provide a national forum for the publication of research work carried out by Indian scientists. The academy promotes scientific and technological research, organize meetings and hold discussions on scientific and technological problems, securing and managing funds and endowments for the promotion of science and technology, undertaking the scientific work(s) of technological or public importance and publication of proceedings, journals, memoirs, etc.

Science Education Panel

In 1994, the Council of Indian Academy of Sciences, Bengaluru set up a Science Education Panel to organize a variety of programmes for teachers and students of science all over India. The Indian Academy of Sciences had initiated several activities which included (a) Summer Research Fellowships for students and teachers to work with Fellows of the academy and other faculty in the country; (b) Refresher Courses of two-week duration for teachers; (c) Lecture Workshops of 2 or 3 days duration for students and teachers; (d) Inviting teachers to attend the Mid-Year and Annual Meetings of the Academy. In January 2007, the Indian National Science Academy (New Delhi) and The National Academy of Sciences, India (Allahabad) joined with this academy in conducting three of the programmes viz Summer Research Fellowships, Refresher Courses and Lecture Workshops.

Day 1: 09 January, 2019

The Workshop started with the **Inaugural function** by lighting the lamp at 10.00 am. Hon' **Dr. Gopal Kundu**, Director and Scientist G, National Centre for Cell Sciences, Pune was the chief guest for this function. The Inaugural function was presided over by **Dr. Ranganath K. Aher**, Hon'ble Principal, New Arts, Commerce and Science College, Parner. **Dr. Sudhir Wagh**, Assistant Professor and Head, gave the welcome address with his introductory remarks. **Mahesh S. Aher (Co-ordinator)** gave the introduction of the Hon' Chief Guest, Convener and Principal. The felicitation of all the dignitaries were then took place. **Dr. Surendra Ghaskadbi (Convener)** highlighted the purpose and importance of organizing Science Academies' Lecture Workshop. **Dr. Kundu** addressed the gathering and inspired the students for pursuing higher studies in life sciences and emphasized to make use of ICT cultivate the area of research interest. **Dr. Ranganath K. Aher**, Hon'ble Principal, delivered the presidential address where he urged the student to use this opportunity to learn basic as well as advanced concepts in the life sciences by interacting with resource persons. He also thanked all the three Science Academies for their financial support for organization of the lecture workshop. The inaugural function came to an end with vote of thanks given by **Dr. Sajan Khapke (Assistant Professor in Botany)** who offered thanks to everybody concerned with the arrangement of the workshop, especially, to the renowned Resource Persons. He also thanked all the Science Academies for their generous support in making the funds available on time.

The Inaugural session was followed by the technical session. The **first invited lecture** between 10.40 am to 11.50 am was given by **Dr. Gopal Kundu**, Director and Scientist G, National Centre for Cell Sciences, Pune. He delivered a lecture on **“Status of Cancer Research and Cancer Awareness in India”**. He focused on about awareness of various types of cancer and their current scenario in India.

After first technical session, there was a break for **tea** between 11.50 am to 12.00 noon. The **second invited lecture** between 12.00 noon to 01.15 pm was also delivered by **Dr. Gopal Kundu** on **“Development of Novel Therapeutic Target(s) and Diagnostic Marker(s) in Breast and Other Cancers”**. He highlighted that existing cancer therapies often result in high toxicity and nonspecific side effects and urged for better targeted delivery and increased efficacy of drugs to overcome these effects.

After this lecture, the **Lunch Break** of about 45 minute duration was given where a good quality lunch was served to all the participants and Resource persons.

The **third invited lecture between** 02.00 pm to 03.15 pm was given by **Dr. Surendra Ghaskadbi**, Agharkar Research Institute, Pune on **“Development of form and shape in animals.”** This talk was highly informative and ends with discussion followed by tea break of 15 minutes duration.

The **fourth invited lecture** between 03.30 pm to 04.45 pm was delivered by again **Dr. Surendra Ghaskadbi**, Agharkar Research Institute, Pune on **“Hydra as a model system to study evolutionary developmental biology: Genes, signals and stem cells”**. He made the session lively and active.

Day 2: 10 January, 2019

The second day of the workshop begins with **fifth invited lecture** by **Dr. Urmila Kulkarni-Kale**, Information Scientist, Bioinformatics Centre, Savitribai Phule Pune University, Pune on **“Bioinformatics: Data to discovery”** between 10.00 am to 11.15 am. She emphasized on the need of bioinformatics for analysis of huge data generated through genome sequencing projects. It was highly informative and ends with discussions followed by tea break for 15 minutes.

The **sixth invited lecture** between 11.30 am to 12.45 pm was given by **Dr. Urmila Kulkarni-Kale** on **“Understanding common cold viruses: evolution & diversification”**. The lecture was very interesting. This was followed by **Lunch Break** from 12.45 pm to 01.30 pm.

Prof. J.K. Pal delivered the **seventh invited lecture** on **“Fostering creativity and innovation in the science classroom- a need of the hour”** between 01.30 pm to 02.45 pm. He illustrated with an example, the need of encouraging observation, inquisitiveness and challenging mind that are instrumental to innovation. The lecture was interesting and ends with discussion followed by a tea-break for 15 minutes.

The **eighth invited lecture** between 03.00 pm to 04.15 pm was given by **Prof. J.K. Pal** on “**The complexity of protozoan parasites hindering vaccine development - a strategy for a way forward**”. He made the session lively and active.

Day 3: 11 January, 2019

The third day of the workshop begins with **ninth invited lecture** by **Dr. Ashok Giri**, Principal Scientist & Head, Division of Biochemical Sciences, National Chemical Laboratory, Pune, on “**Diversity and biosynthesis of plant secondary metabolites**” between 10.00 am to 11.15 am. It was highly informative and ends with discussions followed by tea break for 15 minutes.

The **tenth invited lecture** between 11.30 am to 12.45 pm was given by **Dr. Ashok Giri** on “**Insect Plant Interaction**”. The lecture was interesting. This was followed by **Lunch Break** from 12.45 pm to 01.30 pm.

Prof. V. A. Bapat delivered the **eleventh invited lecture** on “**Biotechnology: Science of 21st Century**” between 01.30 pm to 02.45 pm. He emphasized on the use of biotechnology for wellbeing of the mankind. The lecture was interesting and ends with discussion followed by a tea-break for 15 minutes.

The **twelfth and final invited lecture** between 03.00 pm to 04.15 pm was given by **Prof. V. A. Bapat** on “**Plant Biotechnology: Current status and future prospects.**” He made the session lively and active.

Valedictory Function

The Workshop ended with the **Valedictory Function** between 04.15 pm to 05.00 pm. The **Valedictory** function was presided over by **Prof. V. A. Bapat**. Two of the teacher participants **Mr. Ranjit Raut** and **Mr. Popat Pathare** shared their feelings about the workshop. One of students **Ms. Priya Shelake** expressed her views about the Lecture Workshop. **Prof. V. A. Bapat** addressed the participants and inspired the students for pursuing higher studies in life sciences. The programme finished with the **Vote of Thanks** given by **Dr. Sudhir Wagh**.

Remarks of Co-ordinator

The Three-day Lecture Workshop went well with all the resource persons taking sincere efforts to make the participants understand the various concepts starting from basics to their relevance. The participants achieved a good insight into the “Modern trends in Biological Sciences” through this program. Participants in their feedback mentioned that workshop was very helpful. Most of them felt that this kind of program should be organized frequently.

Finally, a lots of thanks to the three Science Academies namely **Indian Academy of Sciences (Bangalore)**, **Indian National Science Academy (New Delhi)** and **The National Academy of Sciences, India (Allahabad)** for their financial support in conducting this Lecture Workshop.

Number of Participants Attended the Lecture Workshop

The list of participants including faculty members, research Scholars and students from various institutions is given below. A total of **one hundred forty** participants (excluding Resource Persons and Supporting Staff) attended the workshop. **No registration fee** had been collected from the participants for attending the lecture workshop.

Brief Summary of activity/ event:

Activity Report

On 5/02/2019, a special lecture was organized on the topic of elimination of superstitions on behalf of the National Service Scheme Department in New Arts Commerce and Science College Parner. The principal of the college, Dr. Ranganath Aher, in his introduction gave special guidance to the students regarding the elimination of superstitions. Regarding the elimination of superstitions, Mr. Machindra Wagh gave special guidance to the students on how to eliminate superstitions through a lecture. In today's modern times, all students are pursuing higher education. In rural areas, it is necessary to take special efforts to eliminate superstitions to some extent. Even today the Indian society is highly educated but still believe in superstitions and fall victim to it due to which we are causing immense damage to our family and society. Therefore, the youth of today mentioned in his lecture that it is necessary to create awareness in the society about the elimination of superstitions and to free the society from superstitions. Prof. Sanjay introduced the program. The vote of thanks was presented by Dr. Ashok Ghorpade, 45 volunteers participated in this program.

OUTCOME-

1. There was awareness among the students.
2. Due to the awareness among the students, it has an effect on the people in the society, so the amount of superstition will be reduced in the society.

Total of Activity	Kavi Sammelan
Date	3 January 2020
Name of the Guest/Speaker with Designation	Dr. Gumfa Kokate
Number of Participants Enrolled	53
Collaborating Agency	college
Venue	Rajarshi Shahu Auditorium

Brief Summary of activity/ event:

During the academic year 2019-20, on the occasion of Marathi language fortnight, the college hosted a state level poet meeting in collaboration with Parner Taluka Kavi Manch and New Arts, Commerce, and Science College, Parner. The poets' meeting started with lamp lighting at 10:00 am in Rajarshi Shahu Auditorium. In his introduction, the Principal of the college, Dr. Ranganath Aher, explained the role behind organising this poets' meeting.

Principal Dr. Ranganath Aher said that a platform should be available to budding writers so that they can bring their thoughts in front of others while they are writing their own works, and they should be able to freely express their thoughts while expressing their feelings. He expressed that belief. The chairman of the program, former Chairman of Parner Panchayat Samiti, Rahul Zavra Patil, said recently that today's youth seem to be stuck in the trap of social media. Literature lovers should do the work to get them out of this trap. Today's youth should read books on social issues, understand their surroundings, and observe society with their own eyes. Today's youth are sensitive and thoughtful. This young man's pen in hand She should be provided a proper platform. Only then will good writers and poets emerge in the future. The youth should write and present the problems of society through their literature. That means it will help to create a sane, considerate society.

The chief guest of the programme was Dr. Gumfa Kokate. She said, "Savitribai Phule, Mahatma Phule, should understand the literature. In Marathi literature, many famous poets like Kusumagraj, Narayan Surve, and Vinda Karandikar have created poetry and inspired many people to write literature. Swati Thube-Khodde said, "While I am writing, I have been writing keeping women, farmers, workers, and labourers in the center. More than sixty poets from Yavatmal, Wardha, Solapur, Jalgaon, Nanded, Parbhani, Satara, Kolhapur, and Aurangabad districts of the state participated in this poet meeting. Poets participating in this competition presented their poems on childhood, farmers, mothers, terrorism, today's social situation, politics, superstitions, etc.

On this occasion, on behalf of Parner Taluka Kavi Mancha, the Mr. Sahitya Ratna Award, given in memory of Raosaheb Anna Thube, was presented to poetess Swati Thube-Khodde. He was selected for the award this year considering both his contributions in the field of literature and his work in the social field. This award was given to the poetess principal Dr. The cave was provided by Kokate. On this occasion, Vice Principal Dr. Dilip Thube, Sahebrao Thange, Kiran Thube, Ramchandra Thube, Dinesh Auti, The Hon. Thube, Vilas Londhe, and other dignitaries were present. This poetry competition was judged by poet Prashant Wagh, poet Subhash Sonwane, sir,

cover artist Arvind Shelar, and ghazalist Ram Gaikwad. In this competition, Sharad Chorghhe (Pune), Ashwini Bhange (Nevasa), Shankar Shinde (Nagar), and Nilesh Kolhe (Yavatmal) got first, second, and third positions, respectively.

In the organisation of this poetry meeting, Prof. Tushar Thube, Dr. Haresh Shelke, Prof. Pravin Jadhav, Prof. Nand Kumar Udar, Dr. Maya Lahare, Somnath Chaudhary, Mahabali Misal, Utkarsh Zawre, Ashok Gaikwad, Omprakash Dendge, Atul Janjad, Tejas Tagad, Vinod Thube, Sanket Thange, Shwetali Chaudhary, Aarti Belote, Smita Thorat, Hadayamanav, Rupali Salve, Madhuri Chattar, Priyanka Khose, and Manoj Dixit worked hard. Thanks for the program. Prof. Tushar Thube believed while Sutraschanan Pvt. Anand Patekar did.

Outcome of Activity/ event:

1. Students were able to understand poetry through Kavi Samelan.
2. Through this, the students were introduced to human values through various poems.
3. Students get to know human values through his literature.

While guiding the poets' meeting, the presiding poet, Dr. Gumfa Kokate.

We conclude the session among the participants and resource persons of the workshop which was very nice headed by Dr.I.K.Nikam where various doubt and the minute loop holes which were there in newly introduced syllabus was cleared.

Lastly the convener of this workshop Dr.S.M.Kale presented the votes of thanks towards all the participants, speakers and all the helping hands in making this workshop as a successful event. This workshop was smoothly conducted by lucid anchoring of Dr.B.S.Narsale.

Outcome of Activity/ event:

1. All students were get aware by new syllabus
2. This CBCS pattern will be helpful to students for creaking competitative exams.

Brief Summary of activity/ event:

One day Online Workshop of S. Y. B. Sc. Botany Revised Syllabus was organized by Department of Botany and IQAC on 08th August 2020 at 10 AM. The workshop was held online mode through Zoom Meet platform. All the faculty members of Botany departments were present in the workshop. Welcome speech was given by Hon. Principal Dr R. K. Aher. Prof D. R. Thube, IQAC Coordinator & Vice Principal focused on role of IQAC in colleges. Dr R. N. Deshmukh Head, Department of Botany briefly introduced Botany Department and its progress. Total 181 participants were registered for the workshop. The concept speech of workshop was given by Dr. B. M. Gaykar (Chairman, BOS Botany). The first session was started with the discussion on Angiosperm Taxonomy and Ecology paper by Dr. D. M. Mahajan, Baburaoji Gholap College Pune. He focused on new important point in syllabus.

In second session Dr Illiyas Sayyad, Poona College guided to participants. He emphasized on plant physiology paper. In third session Dr. H. S. Patil from Vidya Pratishthan College Baramati started with discussion on Anatomy and Embryology paper. In fourth session Dr. S. R. Bale from Ahmednagar College Ahmednagar, guided to participants on plant biotechnology paper.

At the end of webinar question answer session is done. Concluding remark was given by Dr. Ashok Tuwar, Member of BOS, Botany, SPPU. Workshop is coordinated by Asst. Prof. R. M. Shaikh. Vote of thanks proposed by Dr S. L. Khapke.

Outcome of Activity/ event:

1. The syllabus was well understood by everyone.
2. S.Y.B.Sc Botany theory paper I & II of sem III & IV were discussed.

Brief Summary of activity/ event:

On Saturday, October 3, 2020, the IQAC, Department of Chemistry, and Alumni Association of New Arts, Commerce, and Science College, Parner will host a one-day webinar titled "Research- Another Call for Young Minds." The webinar is conducted via the Zoom technology, and Dr. M. G. Chaskar, Dean, Board of Science and Technology, Savitribai Phule Pune University, Pune, gives it a ceremonial virtual start. Prof. Dr. D. R. Thube gave an introduction to the webinar's goals. According to Sir, research in any topic is an integral element of studying any subject. The results of a study are dispersed across the area for the benefit of the entire population. Welcome to the webinar, resource people and main guest, Prin. Dr. R. K. Aher. During the pandemic, Dr. Aher proposed the student enrichment activity and the community activity. Also discussed was the function of a department in fostering knowledge. Dr. M. G. Chaskar emphasised the importance of basic science research in his overall message, as well as the need to properly guide aspiring scientists. Opportunities in Chemistry and Pharmacological Aspects of Chemical Research, presented by Dr. Hanuman Kalmode, Post-Doctoral Fellow, Department of Molecular Physiology and Biological Physics, University of Virginia, USA, is followed by a lecture on "Research Methodology for Beginners," presented by Dr. Vikas Padalkar, Sr. General Manager, NOCIL Ltd., Mumbai. Dr. Kalmode and colleagues discuss COVID 19 and pharmacological dimensions. He talked about drug development, stages of clinical trials, drug uses, and laboratory workup. He talked about the research scholarships available in India and overseas, including SERB, CSIR, DST-CSIR, and Vigyan Prasar for the promotion of Indian science. Research is a passion, not a job, according to Dr. Padalkar, who focuses on the early stages of an investigation. Before beginning a study project, you should be aware and thoughtful. The initial stage in conducting research is to decide on a research facility, organisation, and mentor. You should also choose the subject or issue you will be working on. The literature review is carried out in a variety of ways when you search for an issue, including through research papers, journals, SCOPUS, reference books, etc. with findings like search, refine, analysis, and arrangement. The primary goal following a problem search is to establish the problem's objective as well as its glassware, chemical, and analytical equipment needs. He said, "You have."

Outcome of Activity/ event:

1. The discussion with the resource person and participants resolves the ambiguity of researchers.
2. Students got idea about primary stages of research.
3. Students aware of fellowships in India and abroad for research.

Brief Summary of activity/ event:

In the academic year 2020-21, October 15th, 2020 was celebrated as Reading Inspiration Day on behalf of the Marathi Department and Library Department. This day, former President of India Dr. A. P. J. Abdul Kalam's birthday is celebrated as Reading Inspiration Day.

In the background of the Corona infection, this programme was conducted online through the app Google Meet. The programme was introduced by the head of the Marathi department, Dr. Done by Hareesh Shelke. He said, is reading culture disappearing in today's era of information technology? Such a question is being raised. With this background, this programme will surely enrich the reading culture. It will also be a guide for reading. He stated his belief. This program's main lecturer is Dr. Prabhakar Desai, Marathi Department Head at Savitribai Phule Pune University. He said that books have an important contribution to make in building individuals, societies, and nations. How we read and what we read is more important than how much we read. Popular books are those that touch the reader's emotions. There is no harm in reading popular books in the initial stages to develop an interest in reading. But the emphasis should be on reading books that really engage the thoughts of the readers and stimulate their thoughts. If we are not able to read good books, the attitude of always relying on others is strengthened. Reading gives the ability to accurately interpret the various events happening in society. In the current situation, there is a need to focus on reading rather than listening to others' thoughts. Because only hearing does not stimulate thoughts. In today's era, all the media seems to be divisive to society. Society seems to be falling prey to this intellectual divide. The basic reason for this is a lack of reading skills. This is why society cannot accurately interpret the happenings around us. Mythical, historical, Ranjan Pradhan literature in Marathi is the best literature in Marathi. It is seen that the readers have made such a society. Even beyond this, there is classic and excellent literature in Marathi. This also needs to be taken into consideration. To enrich the reading movement, the government has established village-to-village public libraries. In these libraries, the shelves are more likely to be filled with books that entertain and educate readers than thought-provoking books. This also needs to be considered by the government and public library operators. In the college level library, it is seen that the students focus on reading the books related to the syllabus. Beyond this, students should read classic and thought-provoking books. Such detailed and rigorous opinions about the promise are presented in his lectures. The programme was chaired by the principal of the college. Ranganath Aher said that though the medium of reading has changed over time, the importance of reading has not decreased. Students are required to read comprehensively. Along with the syllabus, students should cultivate their thoughts by reading various fine literature, ideological literature, and many books on other subjects. Former President, Dr. A.P.J. Various aspects of Abdul Kalam's personality were highlighted. For the success of the program, the Vice Principal, Dr. Dilip Thube, Dr. Deepak Sontakke, Dr. Vijayakumar Raut, Prof.

Virendra Dhanshetty, Prof. Ashok More, Dr. Tukaram Thopte, Dr. Bhausaheb Shelke, Prof. Mangesh Chitalkar, and other professors contributed. 130 students attended this program. Thanks to this program, Prof. Nandkumar Udar considered while Dr. Maya Lahare did.

Outcome of Activity/ event:

1. Students get to know the background of the library.
2. Students learned the importance of reading and developed reading skills.
3. Human values were identified through reading.

Brief Summary of activity/ event:

An online national workshop on "Roadmap to Competitive Examination in Chemical Sciences" was organised jointly by IQAC and Department of Chemistry of New Arts, Commerce and Science College, Parner on 24th October 2020 through Zoom Meeting and YouTube Live Streaming. The participants were registered from 10th October 2020 onward using a Google Form. The publicity for registration was done on social media using e-mail, what's App, Facebook, Twitter, due to Covid-19 pandemic. The total 1111 number of participant registered from all parts of the India viz. Maharashtra, Gujarat, Karnataka, Andhra Pradesh, Telangana, Uttar Pradesh, Chhattisgarh, Punjab & Haryana, Himachal Pradesh, Orissa, and West Bengal. There was a participant from China also.

The virtual inauguration of workshop was done by Hon. Principal Dr. M. G. Chaskar Dean, Faculty of Science and Technology, Savitribai Phule Pune University, Pune. Prof. (Dr.) Dilip R. Thube Vice-principal and Head of the chemistry department in his introductory speech has cleared the idea and purpose of the workshop. Sir has stated that this is a right time for students for preparation and gating a big success in competitive examination. He highlighted contribution of department in enhancing the skill and knowledge of the students and also talk about prominent alumni excelled in competitive examination, completed PhD and Postdoc in India and abroad. Principal Dr. R. K. Aher welcomes all the dignitaries and participants in his welcome address. Sir has put forth the growing graph of the college and activities organized by college for enrichment of students and awareness in society during pandemic situation.

The first board session was engaged by renowned and inspiring speaker Dr. Gajanan S. Rashinkar Professor of Chemistry, Shivaji University, Kolhapur, Maharashtra. The session was started with the inspiring words to students for important of goal setting. He added essential of time management in competitive examination. He teaches student how to carry out SWOT analysis and microquantitative analysis of chemical sciences syllabus of NET, SET, GATE, ONGC and Forensic science etc. examination. He added that remove prejudice from minds and understand the question first. 'Love your subject and job' he concluded with this message.

The second board session was engaged by Dr. Babu Shingate Associate Professor of Chemistry, Dr. Babasaheb Ambedkar Marathwada University, Aurangabad, Maharashtra. Lecture was started with fundamental understanding of subject and applied concepts in chemistry. The list of quality books and use of standard references was given to students. He also talks about the importance of interdisciplinary approach and building strong foundation of subject knowledge. He further added that focus should be on the understanding not on memorizing. He had taken number of problems and the way to solve this. He concluded with the note that the students should do the group discussion which helps in understanding the problems.

The session was followed by discussion of the participant's questions and queries resolved by resource person. The vote of thanks was proposed by Assistant Professor Sagar Mhaske Coordinator. The sincere thanks to all resource persons, chief guest, patrons of the institute, Principal, Vice-principal, the staff of institute and participants. The online workshop was anchored by Asst. Prof. Bhausaheb Narsale and Dr. Sarita Kundlikar.

Outcome of Activity/ event:

1. To prepare students for NET-SET and competitive examination
2. To prepare students for fundamental basic chemistry
3. To prepare students for how to solve NET-SET paper

Brief Summary of activity/ event:

Modern Indian Languages (MIL) and Publishing and Editing (SEC 2(2) (Compulsory with DSE subjects) one-day workshop 2020-21 academic year

In the academic year 2020-21, Savitribai Phule Pune University has released a new syllabus for the second-year Arts class. Two new subjects, Modern Indian Languages (MIL) and Publishing and Editing (SEC 2(2) (compulsory with DSE subjects)) have been included in the syllabus. In order to clear the doubts in the minds of the professors of Savitribai Phule Pune University regarding this newly started course and to make the study-teaching process more effective, Savitribai Phule Pune University, Marathi Study Board and New Arts, Commerce and Science College Parner, Internal Quality Cell (IQAC) Marathi Department jointly organised on Thursday. On November 5, 2020, the workshop was organised online through Google Meet in eight sessions from 10:00 a.m. to 04:00 am. The opening ceremony of the workshop was done by the principal of the college.

Under the chairmanship of Ranganath Aher, the president of the Marathi Study Board of Savitribai Phule Pune University, Dr. It concluded at 10:00 am in the presence of Shirish Landge. At this opening ceremony, Dr. Shirish Landge explained in detail the purpose of the newly introduced subjects in the curriculum. He stated that the study and teaching processes must evolve over time. The current time is considered twilight. As new challenges have arisen during this period, some opportunities have also arisen. In the current Coro era, there is a need for professors to be

tech-savvy. The curriculum has been designed keeping in mind that the students should acquire some skills while studying at the degree level. The Marathi Board of Studies has tried to make an employment-oriented curriculum. In order to develop some special skills among the students, the Marathi Board of Studies has decided to start sixteen certificate courses. Dr. Ranganath Aher said that through such workshops, the professors need to make changes in the study and teaching process according to the changing times. In terms of the personality development of the students, it is very necessary to have the elements of linguistic skill development in the curriculum. So it is very necessary to organise such workshops. This workshop is important in order to satisfy the doubts of the professors regarding the new curriculum, to make the study-teaching process more effective, and to achieve the purpose of the new curriculum. The college always gives importance to organising new activities. He also said that online lectures have been made available by New Arts, Commerce and Science College on its website to all the colleges under the jurisdiction of Savitribai Phule Pune University. In the first session of the workshop on language, on personality development, life in democracy and media, Dr. Rahul Jagdale and Dr. Prakash Shewale guided the attendees. In the second session, Dr. Dilip Pawar and Dr. guided by Rajendra Thorat, In the third session, Dr. Dr. was guided by Bhaskar Dhoke. In the fifth session, Mrs. Sunitaraj Pawar gave guidance on the topic of publishing houses and book production processes. In the second session, Dr. Dilip Pawar and Dr. guided by Rajendra Thorat, In the third session, Dr. Dr. was guided by Bhaskar Dhoke. In the fifth session, Sunitaraj Pawar gave guidance on the topic of publishing houses and book production processes. While in the sixth semester, Dr. Dr. was guided by Jaya Kadam. In the afternoon session, Dr. answered the questions of the participants in the question and answer session. Sudhakar Shelar did. In the closing session of the program, Savitribai Phule According to Dr. Prabhakar Desai, Associate Dean of the Faculty of Arts, Fine Arts, and Experimental Arts at Pune University, the student population in the rural areas of the three districts of Pune, Ahmednagar, and Nashik is large. It is our responsibility to deliver quality education to all these students. There is also a need for Marathi professors to exchange their knowledge by maintaining frequent harmony in their matters of study and teaching. New skill-based courses have been started. The aim of the course will be achieved only if the professors also acquire those skills.

As the chief guest in the concluding session, Associate Dean of the Faculty of Fine Arts and Experimental Arts, Dr. Prabhakar Desai, Chairman of the Marathi Study Board, Shirish Landge, Member of the Marathi Study Board, Dr. Sandeep Sangle, was present. The Vice Principal of the College, Dr. It was Dilip Thube. On this occasion, Dr. Prabhakar Desai said that it is satisfactory to keep changing the curriculum so that the students of Marathi subjects can get new employment opportunities. Because new skill-based courses are coming forward, all of these courses will be a guide for students in the future. Marathi professors need to meet frequently to share their knowledge. On this occasion, Dr. Sandeep Sangle said that the newly introduced subjects in Marathi subjects are an important change in Marathi subjects. This course will be helpful in developing special skills in students.

College Vice Principal Dr. Dilip Thube said efforts should be made to create an interest in reading among students. It is necessary to create skill development opportunities through Marathi

language and literature and also provide them with employment opportunities. For this, there is a need to organise curriculum-based workshops frequently. On this occasion, Art Branch Head Dr. Deepak Sontakke, Dr. Virendra Dhanshetty, Dr. Vijayakumar Raut, Prof. Abasaheb Gandal, Prof. Ranjit Shinde, Prof. Ashok More, Dr. Bhimraj Kakade, Dr. Yuvraj Waghire, Office Superintendent Sunil Chavan, Prof. Mangesh Chitalkar, other professors of the college, and 350 professors from other colleges participated online in the workshop. In the inaugural ceremony, Dr. Haresh Shelke did, while the closing session was introduced by Prof. Thanks to Dr. Nandkumar Udar. Haresh Shelke believed, while Dr. Done by Maya Lahare

Outcome of Activity/ event:

1. The Professors got direction for teaching the new curriculum.
2. The Professors were informed about which reference books to use for the course.
3. The Professors got to know how Marathi language can be used in New social media.

Venue	Online Google Meet Platform

Brief Summary of activity/ event:

Department of Computer Science organised a Webinar on "Toward IT Career" on 12th Dec 2020 on the google meet platform. The key note address is delivered by Dr. S. R. Wagh Coordinator of Computer Science, New arts commerce and Science College Parner.

Mr. Ganesh Diwate Sr. Software Engineer Niyuj Software PVT LTD was a speaker for the webinar. A Total of 344 individual participated in the webinar, 100(google meet application), 244 (YouTube).

The webinar began with the welcome address by the principal Dr. R. K. Aher. The principle motivated the students to adopt new skills to compete with the world and use the pandemic situation to understand the future of IT industry. He mentioned the importance of such informative Webinar for the students.

The principal address followed by a session by Mr, Ganesh Diwate who with the help of PowerPoint Presentation, highlighted the different career option available after pursuing the B.Sc. Computer Science and M.Sc. Computer Science degree. He also explains the skillsets required to find the bright career and focuses on upcoming trends & job requirements available for these two programmes. He provides the overview of freshers resume and experience candidate resume, then the communication skills basic and share some important concepts like Object Oriented Languages.

The session is followed by key note address Mr. S. A. Shinde, focused on demand for information technology and career opportunities during and after the pandemic. He

explains how B.Sc. Comp. Sci and M.Sc. Computer Science students save year as compared to Computer engineering students and it also provide same opportunities. He also mentioned the B.Sc. Computer Science and M.Sc. Computer Science curriculum is comprehensive. He motivated the students to gain the extra skills and technologies while pursuing their degree as the industry demands technically efficient youth.

The keynote address is followed by a question-and-answer session. The participants posted question through chat window the speaker answers the question satisfactorily.

The webinar was conducted using the google meeting application. Since Google meeting application supports only 100 participants, the webinar was live on Computer Science YouTube Channel. The webinar gathered an audience of 100 participants through google meet and the YouTube video gathered 244 views.

Outcome of Activity/ event:

1. Students get the knowledge about the opportunities for IT Sector
2. Students get the knowledge about the skills required for finding the jobs in IT.
3. Students understand the new project and new concepts in current software industry.

Brief Summary of activity/ event:

Maharashtra Academy of Sciences, Pune, with the intention of inspiring young minds into cutting-edge material research. On December 15, 2020, from 9:00 am to 12:00 pm, the Material Research Society of India, IISc Bangalore, and the Department of Chemistry at New Arts, Commerce, and Science College, Parner were jointly host an international workshop on advances in functional materials.

The workshop's opening ceremony began at 9:00 am with a formal greeting of the honourable speakers and participants. Prof. A.J. Dhole, the workshop's coordinator, introduced the honourable speakers. Dr. D. R. Thube, head of the chemistry department and vice president of the college welcomed everyone on behalf of the host institution, New Arts Commerce and Science College Parner, introduced the workshop's theme, and described the goals driving its organisation. During his welcome speech. Prof. G.D. Yadav, Director of ICT and President of MASc, Prof. S. B. Krupanidhi, President of MRSI Bangalore, and Dr. Bharat Kale, Director General of CMET, Pune, were the chief guests for the inaugural function. They gave the inaugural addresses and expressed their best wishes for the workshop's execution.

At 9.30 am, the technical session got underway. Ferroelectric Crystal Materials and Exciting Applications was the theme of Prof. Umesh Waghmare's presentation at JNCASR. Prof. Rahul Panat of Carnegie Mellon University in Pittsburgh, USA, held a second session. Next-generation 3D printing, brain-computer interface, bio-sensing technology, and lithium-ion batteries were the main topics of his speech. Finally, Dr. Dattatray, a former student of our institute and a scientist at NCL in Pune, gave a lecture on 2D hybrid nanomaterials for novel devices. Applications of nanomaterials in sensing, electronic, and energy storage devices were covered in his talk.

The faculty from various colleges, research institutes, and universities in Maharashtra and around India, as well as students enrolled in UG and PG classes, has actively engaged. There were 257 participants overall, including teachers and kids, in this international event. Prof. S. D. Mhaske gave a thank-you speech to end the event. The Google form used to collect workshop feedback. Participants received an electronic copy of the certificate in their emails.

YouTube has posted a workshop video at this link: [r11rSvxHR50](https://www.youtube.com/watch?v=r11rSvxHR50)

Outcome of Activity/ event:

1. Students, Teachers and Young Researchers were benefited by the workshop.
2. Majority of the participants has given Positive feedbacks about the Workshop.
3. Workshop encouraged and motivated to Students and young researchers towards applied research.

Report

Knowledge Resource Centre & IQAC, New Arts, Commerce and Science College, Parner organised a One Day National Webinar on “**National Education Policy (NEP-2020)**” on Monday, 8th February, 2021 through online zoom meeting. The objective of this National Webinar is to acquaint students with New Education Policy (NEP-2020). It aims to transform India into a vibrant knowledge society and global knowledge superpower by making both school and college education more holistic, flexible, multidisciplinary, suited to 21st century needs and aimed at bringing out the unique capabilities of each student. It also aims to increase the Gross Enrolment Ratio in higher education including vocational education.. There are a total 270 participants in this National Webinar.

In the Inaugural session, Dr. Rangnath Aher introduced the theme of National Webinar, outline of the programme and for what this National Webinar is being organised. Dr. Dilip Thube introduced the chief guest and resource person for the National Webinar. The National Webinar is inaugurated by honourable Principal Dr. Rangnath Aher. In his inaugural speech, he said that change is inevitable. We need to change with changing time to adapt with new changes and so we must accept interdisciplinary and multi-disciplinary approach. He also advised faculties and students to be adapt with the newly introduced National Education Policy for the best and multiple career opportunities in research.

In the Second Session, Dr. Samjeev sonawane, Dean, SPPU, Pune the resource person for the National Webinar, introduced participants to the need of New Education Policy. Dr. Dilip R. Thube chaired the session. Dr. Samjeev sonawane added that there is freedom for students to choose courses without any limitations. The students of science faculty can opt for the courses of arts and commerce faculty or Vice-versa. There is flexibility and freedom to students in choosing subjects. We need to accept multi-disciplinary approach.

In the third session, Dr. Samjeev sonawane, Dean, SPPU, Pune highlighted the need to read, study and contemplate New Education Policy. Dr. Rangnath Aher chaired the session. Dr. Samjeev sonawane, Dean, SPPU, Pune also dealt with objective of New Education Policy. We need to go through objective and prepare a plan of action for implementation of the New Education Policy. There is more importance given to Research There is flexibility in Education. New education Policy will cause too many changes in Education system in India. Every college will have its independent identity. There is no interference of UGC or universities. UGC will be replaced by National Higher Education Commission. We need to sustain the quality of education and try our best to give education beyond formal education. The students have to opt for major and minor subjects with a keen desire to learn new and innovative things. It will lead to all round development of the students and they will be the best citizens of the nation.

There is a **panel discussion**. Dr. Sukhdev Kadam, Dr. Vijay Raut, Dr. Dipak Sontakke, Dr. T.S. Thopate, Dr.R.N. Deshmukh, Dr. Raghunath Najan, Dr. S.R. Wagh, Mr.A.V. More, Dr. Yuvraj Waghare, Mrs. Rani Sonawane, Mr.Ranjit Shinde and other participants actively participated in the discussion. There is interaction with the participants on the various issues raised.

In the Valedictory session, there was feedback from participants. At the end, Dr. Bhausaheb Shelke conveyed a Vote of thanks. Ashok More compered the programme.

Brief Summary of activity/ event:

A one-day industry-Academia workshop on "Research Career in Chemistry: Opportunities Abroad" is jointly organized by IQAC, Department of Chemistry and Alumni Association of New Arts, Commerce and Science College, Parner on Thursday 30.12.2021. The workshop is inaugurated the auspicious hand of Prin. Dr. R. K. Aher. 184 students and Teacher participated in the workshop.

Dr. Santosh Pagire was formally welcomed and introduced as the guest by Mr. B. S. Narsale, who also explained the rationale for the workshop's creation. The need for resources in the pharmaceutical business has expanded due to COVID-19, however trained and experienced individuals are preferable.

Salutations from Prin. Dr. R. K. Aher to all of the workshop's resource people. Dr. Aher made the observation that encouraging student involvement in curriculum-enriching activities should be a top concern. Alumni from the chemistry department are constantly making contributions to society, employment opportunities, and educational knowledge. The comments on industry and academic institution collaboration in research and placement have been made, sir.

Dr. Santosh Pagire, a Marie Curie Fellow from the University of Bristol in the UK, explained how the pharmaceutical sector operates during the technical session. It contains departments including Research & Development, ADL, Quality, and Production. each department need human resources. employee traits, job status, and personal development. The requirement for a research project in the senior year was also mentioned by the sir. Students asked questions about academic and industry interviews during the discussion session, and their questions were answered. The workshop's closing session featured spoken comments from the students. The institute's thanks were given by Prof. S. S. Chaudhari.

Outcome of Activity/ event:

1. Students are aware about the positions in industry.
2. Students are aware of the number of fellowships available for study abroad

Brief Summary of activity/ event:

Department of computer Science & IQAC of new arts commerce and Science college, Parner organised one day workshop on Artificial intelligence on 18th Feb 2022 through online zoom platform to make students aware of concept of Artificial Intelligence and application of Artificial Intelligence.

It will motivate students to develop application of artificial Intelligence and work in the research field of Artificial Intelligence. There are total 88 participants in this workshop.

In the inaugural session, Dr. Rangnath Aher introduced the theme of workshop, outline of the programme and what for this workshop is being organised. Dr. Dilip Thube introduced the chief guest and Resource Person for the workshop. The workshop is inaugurated by honourable President Nandakumar Zaware Patil, Ahmednagar Jilha Maratha Vidya Prasarak Samaj's. In inaugural speech, he said Future comes with machines and robotics, so we need to change with changing time to and adapt with new technologies that comes through Computer, Artificial Intelligence and Machine Learning.

In the Second session Prof. Ajit Jaokar, Course Director: Artificial Intelligence – Cloud & Edge Implementations. University of Oxford & Entrepreneur the resource person for the workshop, introduced participants to the Role of Higher Education in the age of Artificial Intelligence, Research in Artificial Intelligence. He explains Scope of Artificial in real world application, or opportunities in research in foreign countries. The use of AI and other technologies in colleges and universities open the doors of higher education to all

disregarding where in the world they live. Location and time becomes a thing of the past while curiosity, creativity, and collaboration are encouraged and supported; students become global students, and universities become borderless. Today's students will become the leaders of tomorrow. Higher education leaders who know the benefits that AI can provide have the responsibility of equipping their institution with the AI that will be able to assess students,

provide feedback, and test scientific hypotheses just as well as a human can. AI will

Complement rather than replace human scientific input, a true human + machine collaboration resulting in a powerful combination of skills.

In the Valedictory Session, Hon. Nandkumar Zaware Patil, President Ahmednagar Jilha Maratha Vidya Prasarak Samaj, Ahmednagar, delivered the presidential address. He highlighted the need of change with time. Also research regarding Artificial Intelligence and

How opportunities in Higher education research for Artificial Intelligence.?

There was Question-Answering Session, Many of Students asked question to Prof. Ajit Jaokar Sir, and Prof. Ajit Jaokar Sir also satisfy to the students. There was feedback from the participants, at the end, Mr. Suraj Gaikwad conveyed vote of thanks.

The Outcome of the Workshop: Interest about Artificial intelligence was shown on the faces of participant.

Outcome of Activity/ event:

1. Student aware of role of AI in mathematics, agriculture and space.
2. Student aware of research on Artificial Intelligence.

Venue	Rajarshi Shahu Auditorium

Brief Summary of Nirbhay Kanya Abhiyan:

In the academic year 2021-22, the Nirbhay Kanya Abhiyan Workshop under the Student Development Board was concluded on 28th February 2022 in the college. This one-day workshop was conducted in three sessions. 12 female professors and total 97 female students participated in this workshop.

In the inaugural session of the workshop, Achieved by Dr. Rajni Mule. She said that those who have good mental, physical and social health progress in life. Girls are mentally stronger than boys. Nowadays anything is celebrated and along with this celebration many foods are consumed which are harmful to health. These festivals are harmful not only to physical health but also to mental health. He has many kangaroos. That is why only certain things should be celebrated. Nowadays, female students have many health problems. Its root is diet and mental stress. Reading is as important as meditation for good mental health. As reading keeps good mental health, it should be read and discussed. We cannot avoid genetic diseases. But, it is in our hands not to let that disease get stronger. Nowadays, many people look at social media and take their own advice for treatment. This should always be avoided. Treatment should be taken only on the advice of a doctor.

She further said, mother took care of us during our blooming period. Now it is our duty to take care of her after her forties. There are many great personalities around us. One of them is our Anna Hazare. Anna's Panchasutra helps to make an ideal man. She said that everyone should adopt that Pancha Sutra.

In the second session Mrs. Rohini Waghmare delivered a lecture on the importance of women education. She said that today's woman is leading in every field. But, still in some places the humanist ideology has not changed. This way of thinking does not allow women to advance. Women should learn to express their thoughts competently. Only then can it survive in this period. Girls must learn some arts. At the same time, self-defense lessons should be given to girls.

In the third session Miss. Rajeshwari Kothavle gave a lecture on self-defence to the students and conducted demonstrations on self-defence.

Vice Principal of the college Dr. Dilip Thube, Student Development Officer Dr. Dattatraya Ghungarde, all the members of Women Empowerment Room were present. As the

coordinator of the program, Dr. Maya Lahare observed the work. Thank you Prof. Rani Sheikh believed. The program was coordinated by Prof. Done by Varsha Magar.

Outcome of Nirbhay Kanya Abhiyan:

1. Students learned to protect themselves.
2. The students started to behave boldly.
3. The students started struggling to become self-reliant.

Hon. Dr. Rajini Mule and Hon. Rohini Waghmare are honoured by the College Vice-Principal and Student Development Officer.

Report

IQAC, New Arts, Commerce and Science College, Parner organised a One Day workshop on “**National Education Policy (NEP-2020)**” on Friday, 4th March, 2022 at Dr. A.P. J. Abdul Kalam auditorium. The objective of this workshop is to acquaint students with New Education Policy (NEP-2020). It also provides an opportunity to teachers and students to discuss the nature of the new education policy to be implemented very soon. There are a total 258 participants in this workshop.

In the Inaugural session, Dr. Rangnath Aher introduced the theme of workshop, outline of the programme and for what this workshop is being organised. Dr. Dilip Thube introduced the chief guest and resource person for the Workshop. The workshop is inaugurated by honourable Principal Dr.N.S. Umrani, Pro Vice- Chancellor, SPPU, Pune. In his inaugural speech, he said that change is inevitable. We need to change with changing time to adapt with new changes and so we must accept blending of courses and interdisciplinary approach. He also advised faculties and students to be adept with the newly introduced National Education Policy for the best and multiple career opportunities.

In the Second Session, Dr. M. G. Chaskar, Dean, Science Faculty, SPPU, Pune, the resource person for the workshop, introduced participants to the need of New Education Policy. Dr. Dilip R. Thube chaired the session. Dr. M.G. Chaskar also cited examples of ancient Indian Universities i.e. Takshashila and Nalanda. Interdisciplinary approach is not new one but it has its origin in our ancient universities. He also explained the concept of Liberal Education. There is freedom for students to choose courses without any limitations. The students of science faculty can opt for the courses of arts and commerce faculty or Vice-versa. There is flexibility and freedom to students in choosing subjects.

In the third session, Dr. N.S. Umarani, Pro Vice- Chancellor, SPPU, Pune highlighted the need to read, study and contemplate New Education Policy. Dr. Rangnath Aher chaired the session. Dr. N.S. Umarani also stressed the need to prepare a plan of action for implementation of the New Education Policy. If we execute the plan of action, there will be the best result. The pandemic is now almost coming to an end and we need to **Begin Again**. We need to consider the aspirations and expectations of the students and built-up bridge between them. We need to sustain the quality of education and try our best to give education beyond formal education. There must be access, equity and quality. We must set up teaching objectives, learning objectives and its outcome. We need to consider accountability and affordability of education we impart to students. We need to increase productivity and transparency. The college development committee has to play an important role to increase resources and avail grants for the projects. There is a need to raise funds for poor and needy students. The students have to opt for major and minor subjects with a keen desire to learn new and innovative things. It will lead to all round development of the students and they will be the best citizens of the nation. They must know and familiar with the law, tradition, practices and culture of the nation they belong to. They must be able to think and act rationally. The students must be compassionate,

empathetic, having courage, credibility, scientific approach and cherish values. He also introduced the new concept Industry 4.0 which includes artificial intelligence. The aim of education is to produce productive citizens to create new communities as per the constitution of our nation.

He also highlighted the principles of New Education Policy. Education must have flexibility, multi-disciplinary approach, creative and critical thinking, conceptual understanding and continuous evaluation. Assessment should be summative rather than formative. The students must learn and practice ethics and human values. They must master life skills. We need to build a standard education system rooted in Indian ethos aligned with principles for transformation of India as a global superpower.

There is a **panel discussion**. Dr. Ajay Thube, Assistant Deputy Registrar, SPPU, Pune, Dr. Sukhdev Kadam, Dr. Vijay Raut, Dr. Dipak Sontakke, Dr. T.S. Thopate, Dr.R.N. Deshmukh, Dr. Raghunath Najan , Dr. S.R. Wagh, Mr.A.V. More, Dr. Yuvraj Waghare, Mrs. Rani Sonawane, Mr.Ranjit Shinde and other participants actively participated in the discussion. There is interaction with the participants on the various issues raised.

In the Valedictory session, Hon. Shri Nandkumar Zaware Patil, President Ahmednagar Jilha Maratha Vidya Prasarak Samaj, Ahmednagar delivered the presidential address. He highlighted the need to master the basic skills as well as soft and life skills. New Education Policy needs to be implemented effectively for having more qualitative knowledge and better career opportunities. We must impart the traditional as well as new courses and subjects to mould citizens to adapt with new changes in the global education system. The New Education Policy offers freedom to learners but the government laid down too many restrictions on it. It seems to be orthodoxia. We must contemplate and raise our voices against it. Our students went abroad to seek higher education especially in the branch of medicine. It is the failure of the Education System. The best way to overcome it, is to implement New Education Policy effectively.

There was feedback from participants. At the end, Virendra Dhanashetti conveyed a Vote of thanks. Dr. Haresh Shelke and Dr. Maya Lahare compered the programme.

The Outcome of the Workshop:

The participants become familiar with New Education Policy.

Brief Summary of activity/ event:

On Wednesday, April 13, 2022, IQAC and the Department of Chemistry of the New Arts, Commerce and Science College, Parner, hosted a one-day course titled "Research Methodology." Prin. Dr. R. K. Aher, Principal, extends a gracious hand in launching the workshop. The session was attended by 63 postgraduate students, 6 research students, and 9 teachers.

In his introduction, Professor Dr. D. R. Thube discussed the rationale behind organising a workshop. Sir talked about the necessity of setting up a workshop on research technique. the requirement for a literature review in the creation of objectives. An effective researcher must have strong communication skills, be on time, have confidence, and be knowledgeable about the topic matter. Welcome to the workshop, main guest and all resource people, prin. Dr. R. K. Aher.

Dr. A. G. Gadhave weighs in on the subject how does research start? The goal of the research must be an environmental, social, or biomedical necessity, among other things. In addition, he offered advice on what should be avoided while choosing a topic. He discussed the literature review and the usage of research articles that were published in reputable international publications. Use the Sci-finder app to acquire the most recent details on the research topic. The different reputable publishers used for referencing include the Royal Society of Chemistry, Elsevier, Taylor and Francis, Chemical Science, Nature, and Pub-Chem. Additionally, he discusses how to introduce yourself, your personality, your body language, and your attire when presenting a topic. The topic knowledge and its fundamental inquiries are covered.

In a Open discussion the student raise question related to literature survey. He said that Research is a passion not a job. The discussion with the resource person and participant resolves the ambiguity of student. The workshop is over with vote of thanks given by Dr. P. N. Daule. Thanks to Resource Person, Chief guest, Patron institute, Principal, Vice-Principal, Staff of institute and all the participants and anchor of webinar Asst. Prof. A. J. Dhole.

Outcome of Activity/ event:
