Department-wise Action Taken Report on Feedback
Academic Year-2021-22

Feedback is one of the most important components to tracing out the general process in the curriculum and planning for future improvements. We have decided to take feedback of final year students of graduate and postgraduate students, their parents and alumni on curriculum design and overall development of the college

Feedback is an essential and effective tool to identify whether the college is imparting quality education. Hence our college has made a policy to avail the feedback from all the stakeholders. The college authorities have established a Feedback committee

The feedback committee plans the formats, collection and evaluation of feedback from all the stakeholders such as students, teachers, alumni, employers, etc. Regular committee meetings have been organised to execute the planned activities. The feedback is collected through online mode in the form of standard formats from all the stakeholders on various aspects such as curriculum development and deployment, infrastructural facility of the college etc.

The feedback is collected through online mode from different stakeholders. The feedback forms and formats are jointly designed by the committee and IQAC. The forms are uploaded on the college website and feedback is collected from all the stakeholders within a planned schedule in stipulated time. The feedback received from different stakeholders is as below.

Stakeholder	Feedback on curriculum development and deployment	Feedback on the infrastructural facility of the college.
Student	√	√
Teacher	√	√
Alumni	√	√
Employer	√	√

The collected feedback is analysed systematically, and a report is submitted to IQAC and the Principal. The corrective measures are taken by the respective authorities in CDC meetings. Thus, the feedback mechanism is used to maintain the academic excellence of a HEI.

Received responses from different stakeholders

Sr.no	Stakeholder	Received Responses
1	Student	506
2	Teacher	133
3	Alumni	213
4	Employer	13
5	College Infrastructure	578
6	Total Responses	1443

After analyzing the feedback received from all the stakeholders, the suggestion and recommendations are discussed with head of departments, IQAC and Principal. The necessary steps and measures are taken on the feedback. The suggestions regarding curriculum obtained from all the stakeholders are communicated to affiliating university authorities through respective Board of Studies in the curriculum restructuring workshops.

Suggestions received from stakeholders:

- Start a subject related certificate courses in each department
- Open access book facility should be available for alumni
- Organize a more campus interviews / drives
- Increase number of international conferences, seminars on recent trends
- Arrange the campus interview for physics students
- Increase the number of books in departmental library
- Internship must be compulsory for PG students
- Admission process should be completely online
- Review workshop essential in each semester

Action Taken Report is as following:
