Date/ Duration	27 February 2024
Name of the Guest/Speaker with Designation	Dr.Manohar Jadhav
Number of Participants Enrolled	119
Collaborating Agency	Department of Marathi and Internal Quality Assurance
Venue	Virtual Classroom

Brief Summary of activity/ event:

The New Arts, Commerce, and Science College Parner Marathi Department and Internal Quality Assurance Chamber celebrated Marathi RajBhasha Gaurav Day on February 27, 2024, at the Virtual Classroom. On this occasion, Dr. Manohar Jadhav, Head of Dr. Babasaheb Ambedkar Adhyasana of Savitribai Phule Pune University, was present as the chief guest, and the Principal of the college, Lakshmanrao Matkar, and Internal Quality Improvement Room Coordinator, Dr. Tukaram Thopte, were Present.

Speaking on the occasion, Dr. Manohar Jadhav said that language is never a hindrance to acquiring knowledge. We should have a special interest in and love for our language. Along with getting an education in life, language is very necessary for us while living in society. The use of language in social life is the need of the hour. For the overall development of students, they need to pay more attention to language learning. Many students have proved that we can be successful in life with a good education, even in the language we speak. So learning a certain language alone does not make us successful in life. Language is a very important part of social life, and the progress of society is due to language. Marathi Rajbhasha Gaurav Din is celebrated keeping in mind that many students who will research the language should be prepared in the future, the inclination of students towards reading should increase, and the social and cultural environment should become better and better.

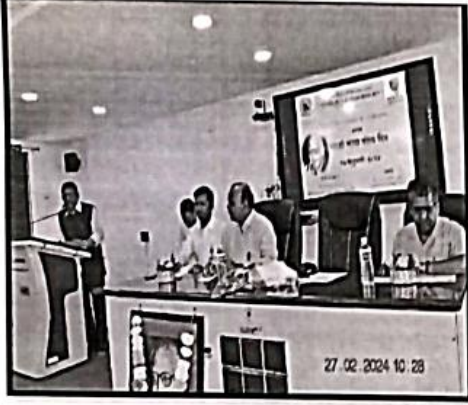

Speaking on the occasion, Laxmanrao Matkar said that the Marathi language is really a language that has reached the global level, not only in Maharashtra. The Marathi language has a rich knowledge tradition. This language has a huge legacy of saintly literature, poets, intellectuals, and social reformers. The knowledge in this language is rich, and it is a matter of special joy and glory that this language is connecting with information technology today in the age of changing information technology.

On this occasion, Dr. Hareesh Shelke, Head of the Marathi Department, while making an introduction, elaborated on the glorious tradition of the history of the Marathi language. Dr. Maya Lahare gave a vote of thanks on this occasion. Moderated by Dr. Nandkumar Udar. Dr. Raghunath Najan, Head of Arts Department; Dr. Deepak Sontakke, Head of Economics Department; Dr. Vijaykumar Raut, Head of Hindi Department; Prof. Abasaheb Gandal, Head of History Department; Dr. Nitin Nipunge, Head of Political Science Department; and Prof. Pratiksha Tanpure, Head of Hindi Department, were all present on this occasion. 119 students participated in this program. 02 Asst. professors have participated in this, while 108 students have participated 84 female and 24 male Students have participated.

Outcome of Activity/ event:

- 1.The students were well guided in developing their linguistic skills.
- 2.It helped to develop students' attitudes towards literature and life.
- 3.Fixed lectures will increase students' inclination towards extra reading.
4. It will help students develop the ability to study Marathi.

Title of Activity	Exhibition & Demonstration of Physics Experiments for School Students
Date/ Duration	09/01/2024 (One Day)
Number of Participants enrolled	33
Venue	Physics Lab I

Exhibition & Demonstration of Physics Experiments for School Students activity is carried out by Department of Physics in the presence of Principal Dr. L.S. Matkar on Tuesday, 9/01/2024 at 2.00 p.m. In this activity 24 students and 01 teacher of New English School, Parner have been participated.

Prof. (Dr.) S. L. Kadam, Head of the Department honoured Principal Dr. L.S. Matkar and welcomed the students and staff of New English School, Parner. He introduced students with staff of Physics Department and then he gave the information of Department of Physics and activities conducted by Department for the students.

In the addressing speech Principal Dr. L.S. Matkar aware the students regarding their experiments in their science book and explained importance of such programme to understand the basic concepts in Physics through experiments. He spoke about research opportunities in future and gave best wishes for students bright future.

There were 6 set of experiments in the 10th standard syllabus and two demonstrations:

❖ List of Experiments:

- | | |
|------------------------------|--|
| 1) Ohm's law | 2) Resistance in series and Parallel |
| 3) Joules law of heating | 4) Magnetic Effect of Electric Current |
| 5) Refractive Index of Glass | 6) Spectra through Prism |

❖ List of Demonstration :

- 1) Laser Show 2) Heat Engine Models

Students were distributed in 04 groups and each group was explained by one teachers of Department. In this way by rotation arrangement each experiment was done by all students in every group. Students showed enthusiasm while performing these experiments. They asked questions and cleared their doubts regarding Physics. Also students have shown their interest in Physics.

The participated students have expressed gratitude towards Department of Physics for organizing such an activity.

Outcome of activity/ event:

1. Students from rural background gets familiar with advanced instruments which they have studied in their syllabus
2. They understood most of the concept through experiments.
3. Developed interest in Science.

Activity Report

Title of Activity	Guest Lecture: Bimetallic metal oxide for energy storage application
Date/Duration	25th July, 2023
Name of the Guest/ Speaker with designation	Dr. Manesh A. Yewale Assistant Professor, Thin - film engineering and Reliability Lab, Yeungnam University, 280 Daehak-ro, Gyeongsan, Gyeongbuk 38541, KOREA
Number of Participants enrolled	49
Collaborating Agency	MoU with Yeungnam University, 280 Daehak-ro, Gyeongsan, Gyeongbuk 38541, KOREA
Venue	Physics Lecture Hall (Block No. 202)

Brief Summary of activity/ event:

A guest lecture of Resource Person Dr. Manesh Yewale from Yeungnam University, KOREA on the topic 'Bimetallic metal oxide for energy storage application' was organized by Department of Physics and IQAC of New Arts, Commerce and Science College, Parner. The lecture was held on Tuesday, 25th July 2023 at 1.00 p.m. There were 49 participants who attended the guest lecture.

Introduction was given by Head of the Department Dr. S. L. Kadam. He introduced the resource person Dr. Manesh Yewale.

The resource person guided the students on the concept of Super capacitor. He explained about various basic concepts in Physics through variety of daily routine examples. He also mentioned that, large project are based on basic concepts of mechanism of charging and discharging of the capacitor however, you must understand the working mechanism of it and how it stores the energy. He explained hybrid mechanism in super capacitor for holding the large potential. He explained that research which was going on increase in voltage of battery on charging and discharging time of super capacitor so that the charging of the battery last long time. Therefore bimetallic metal oxide is used.

Once we understand basic concepts which will improve our knowledge as well as it helps to get jobs in industrial field. He concluded that, Physics student can be able to do career in research, educational field, multinational companies and paramedical field.

In Question- Answer session, students asked about guidance related to different jobs, different paramedical courses requirement and what are the job opportunities in medical fields. The lecture was seen to be fruitful for the Physics students to develop interest in Physics subject, projects. Students are satisfied with the answer given by resource person.

Lecture was over with vote of thanks given by Dr. Smt. V. P. Dhawale. For the successful organization of event, Prof. R. B. Kharade, Prof. N. A. Pawar, Prof. G. M. Repale, Prof. V. B. Sherkar, Prof. M. S. Parjane, Prof. R. G. Konde and Prof. P. S. Magar took effort.

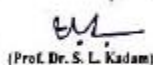

Outcome of Activity/ event:

1. It helps students to understand the career options that they have, and how to pursue them.
2. Through guest lecture students got advice on what jobs and opportunities in Physics are available.
3. They got idea about various career fields in Physics.

Subject: Invitation as a resource person for talk on 'Bimetallic metal oxide for energy storage application'

Respected Sir,

Greetings of the day!!!

We are glad to inform that, Department of Physics is organizing a Guest Lecture on 'Bimetallic metal oxide for energy storage application' on Tuesday, 25th July, 2023 at 1:00 pm. It is of great pleasure to invite you as a Resource Person in our College. Your experience and expertise in the Academics and Research will definitely help for the student, teacher and research aspirant.

Kindly accept our invitation and oblige us.

Thanking You.

Yours Sincerely,

Subject: Letter of appreciation as resource person for Guest Lecture on
'Bimetallic metal oxide for energy storage application'

Respected Sir,

It gives us immense pleasure to appreciate that, **Hon. Dr. Manesh Yewale** have acted as a resource person for Guest Lecture On 'Bimetallic metal oxide for energy storage application' and delivered a lecture on **Tuesday, 25th July, 2023**. In this enlightening and informative lecture, you had discussed all the topics concerned with above topic. Your talk was quite informative and useful. You helped our students immensely and boosted their confidence too. We are very thankful for the close interaction with the students, Physics faculty. We expect similar co-operation and help in future as well.

Thanking You.

Brief Summary of Activity/ Event:

Department of Physics have organized one day workshop on "Photography and Editing" on Wednesday, 20 March 2024 at Dr.A.P.J. Abdul Kalam Auditorium.

The inaugural function started at 10.00am. Principal Dr. L.S. Matkar have presided the inaugural function Vice-Principal Dr. A.S. Athare, IQAC Co-ordinator Dr. T.S. Thorate and SWO Prof. (Dr.) R.N. Deshmukh were present for the function. Dr. Bapu Chandanshive was Chief guest for the function. Prof. Sameer Tamboli was present as resource person for this workshop.

Initially Prof. (Dr.) R.N. Deshmukh welcome the guest on behalf of college. He introduced the program as well as guest and resource person. The guests were felicitated with auspicious hands of Dr. L.S. Matkar. After felicitation Chief guest Dr. Bapu Chandanshive in his address pointed out the importance of photography technique. He told that everybody should take photograph of not only good things but also of bad things. With the help of photography attention of society should be diverted towards different issues. In the presidential address Principal Dr. L.S. Matkar focused on different things related to photography. He mention importance of photography workshop for students for their carrier. The Co-ordinator of workshop Prof. (Dr.) S. L. Kadam express vote of thanks towards students and all dignitaries on dice.

The main session of workshop begins at 11.00 am with speech of Prof. Sameer Tamboli on camera and its use. During the workshop, the students were introduced to basic photography skills. Prof. Sameer Tamboli emphasized on various aspects of camera handling, composition, lighting, the right use of shutter speed, aperture so that a good photograph can be obtained.

Giving examples of his own work, he told the students to read the photograph first and then experiment with different conditions and locations to learn the art. He showed some of his best works and explained the simple tactics behind it. In second session student handled camera and take some photo with camera.

In Question-Answer session, students asked the guidelines about admissions in this course, fee structure, duration etc. of various courses. The workshop was seen to be fruitful from the interaction of participants. Workshop was over with vote of thanks given by Prof. (Dr.) R.N. Deshmukh. Technical Assistance was given by Prof. P.S. Magar and Prof. R.G. Konde. For the successful organization of the event Prof. Ganesh Repale, Prof. Mahesh Patjane took effort.

In this workshop 199 students of all faculties and 9 teachers have participated.

Outcome of Activity/ Event:

1. Students got a basic understanding of a digital camera.
2. An understanding of photo blogging and marketing.
3. A basic understanding of the various types of cameras and its components
4. The legal and ethical aspects of photography and photojournalism.

IQAC/HBSU/2023-24

Date-08/01/2024

From the academic year 2023-24 onwards, all the constituent colleges affiliated to Dr. Homi Bhabha State University, Mumbai, the curriculum plan will be implemented as per National Education Policy-2020. It is for the first year of UG courses and for the first year of postgraduate courses.

At a time when the higher education system is undergoing a complete overhaul and radical sweeping change, there is an urgent need for awareness and continuous counselling. The impact of these changes will mostly be on the students who are studying in Class 12 from Junior College. It's about the students. In that regard, the basic principles of the student's education in fact, if it is to come, it must reach the 12th grade students of this year.

Many of the students studying in class 12 are moving away from higher education because of their academic difficulties. While providing opportunities for higher education to such students in the HBSU and its constituent colleges, it is necessary to pass on the information about the courses to their attention.

For this, every constituent college of HBSU need to be made aware of these educational changes by conducting a comprehensive outreach campaign for class 12 students in their field in nearby junior colleges and UG colleges for PG programs. It is necessary to make students aware of these educational changes that is happening in the curriculum of HBSU by implementing a comprehensive strike and campaign.

On this plot, to increase the GER and to inform the positive changes in the curriculum due to implementation of NEP-2020, Government of Maharashtra directing to implement School Connect (NEP Connect) outreach program all over Maharashtra during January 15th to 31st, 2024. We, HBSU are likely to take the lead for this outreach program. The aim of the School Connect (NEP Connect) outreach program is.

1. Guiding students and parents on student-centered changes and their beneficial outcomes in NEP-2020.
2. To inform about the experience-based, multidisciplinary flexible curriculum designed by the university.
3. To provide reliable information about the creative, professional, and skill-based discourse included in the study.
4. To explain the Credit Based Courses and the flexibility that comes from it.
5. To inform about the scholarships available for students.
6. To inform about the opportunities in university for overall development of the students.

To initiate this on **10th January**, a training of Master Trainers is organized by IQAC, Dr. Homi Bhabha State University, Mumbai at 11.00am.

All the academicians are welcome to be a part of this School Connect program by HBSU and is inspiring to become a Master Trainer for this program.

Title of Activity	Certificate Course on Safety Awareness in Chemical Laboratory and Industry
Date/ Duration	05 - 12 February 2024
Name of the Guest/ Speaker with designation	Dasharath Borude (Ex. IAF Officer), President, Bhairavi Industries Pune
Number of Participants enrolled	41
Collaborating Agency	Bhairavi Industries Pune and IQAC of New Arts Commerce and Science College Parner
Venue	Room No. 102

Brief Summary of activity/ event:

Department of Chemistry is conducting a short term certificate course on 'Safety Awareness in Chemical Laboratory and Industry', with kind permission of Internal Quality Assurance Cell (IQAC), College Development Committee (CDC) and Management of our institute for the benefit of students and industry personnels since 2017. The aim of initiating this course is to create awareness about safety and train them for safety work culture in chemical laboratory and industries. It is of thirty lectures curriculum including demonstrations and laboratory work.

41 students were enrolled from UG to PG classes. Teachers of the department have planned and executed this certificate course successfully. Department has executed a planning of lectures A retired Air Force Officer Mr. Dasharath Borude President, Bhairavi Industries Pune. (Dr.) Anil Athare, Head of the Department, Prof. Dr. T.S. Thopate IQAC Coordinator as well as different teachers of chemistry department have delivered lectures for a special safety training on different modules. After completion of course we have conducted online quiz for for evaluation of safety knowledge into students. The successful candidates were honoured with certificates by providing online link through google drive. The students have done the Safety Audit of her Chemistry Department. The students placed their feedback regarding conduct of the course and shared their experiences. Many students demanded and requested to start such enrichment courses in the department.

On the occasion of this certificate course New Arts, Commerce and Science college Parner, Department of Chemistry and Bhairavi Industries Pune have undersigned the MoU's Since January 2024.

Outcome of Activity/ event:

1. Students were aware about Chemical Safety
2. Importance of safety while performing practicals in daily routine.
3. Students get trained about operation of fire extinguishers on different types of fires.

To,

Dr. Pradip Pachphule

Assistant Professor,

S. N. Bose National Center for Basic Sciences,

Kolkata, India

Subject: Invitation as a Resource Person for Alumni Guidance Lecture Series 2023-24

Our college is established in 1977 in order to educate the deprived masses in this region. Presently, we are catering the diversified needs of the youths of this district as well as districts around us in the form of graduate and postgraduate students (B.A., B. Com., B. Sc. and M.A., M. Com., M.Sc. and Ph.D.). It is accredited by NAAC, India with 'A++' grade with CGPA of 3.54 on 4 point scale for the fourth time in 2023 and is recognized for its academic, research and extension/outreach activities by Govt. of Maharashtra as well as Govt of India. College is supported by UGC as well as DST, India.

The Alumni association of our college is active and organizing a guidance lecture series of eminent scientist, researcher and academicians. On behalf of Association we request you to accept our invitation and oblige us by delivering a talk in lecture Series scheduled on Saturday 17th, February 2024 at 6.00 pm.

Brief Summary of activity/ event:

Department of Chemistry and Research Center and science association of New Arts, Commerce and Science College, Parner had organized "Chemistry Fundamentals 2023-24" on 27th February 2024 funded by college. The exhibition was inaugurated by the principal Dr. L. S. Matkar, Vice-principal and Head of the chemistry department Dr. A. E. Ahare, IQAC Coordinator Dr. T. S. Thopate and Dr. R. S. Diggikar, Dr. S. M. Kale and others faculties.

The exhibition consisted of 116 scientific innovative and basic science concept posters made by the post graduate and T. Y. B.Sc. chemistry students. There were 32 scientific chemistry experiments demonstrated by PG students with the explanation of science behind the experiment in simple language to school students. About 318 school students belonging to 8th, 9th and the teachers of Parner Public School, the students of college visited the exhibition. The PG students of chemistry explain and demonstrated the experiment and scientific poster presented. The total expenditure of the exhibition was fully done from the College funds.

The exhibition was smoothly conducted within safety of all of us by Asst. Prof. S. D. Mhaske (Organizing secretary), Asst. Prof. P. N. Dazole (Coordinator), and Asst. Prof. A. J. Dhole (Convener) Prof. N. B. Chada, Prof. V. R. Nagar, Dr. S. G. Kundlikar, Prof. Thabe A. K. All the faculties of the department, technical staff and all PG students have taken special efforts in successful organization of this activity.

Outcomes of Activity/ event:

1. Students benefited by Hands on Training.
2. Our UG and PG students get trained while training school students.
3. Students increased their communication skills, scientific approach towards any experiments.

Activity Report

Total of Activity	Mobile Literacy Workshop for Women
Date/ Duration	10 th -24th January 2024
Number of Participants Enrolled	All Computer staff(womens)
Collaborating Agency	college
Venue	Parner

Brief Summary of activity/ event:

The mobile literacy workshop conducted from January 10 to January 24 at Parner, has yielded significant and impactful results. This initiative was aimed at enhancing the digital skills of women by providing them with essential knowledge and practical experience in using mobile technology effectively. During the workshop, we engaged with women from nearby college campuses, offering hands-on training in a range of topics critical to modern digital literacy.

One of the key outcomes of the workshop was the increased familiarity and confidence among participants in using Google and YouTube. Women learned how to search for information, access educational content, and utilize these platforms for both personal and professional purposes. This newfound skill has empowered them to seek out resources, stay informed, and engage with a broader array of knowledge.

Another major achievement was the participants' understanding of online shopping and payments. Through guided sessions, women were introduced to the processes of making online purchases, comparing products, and managing transactions safely. They gained practical experience in using payment gateways and e-commerce platforms, which has streamlined their shopping experience and enhanced their financial management skills.

Outcome of Activity/ event:

1. They are able to do house hold works like mobile recharge, paying light bills online, online shopping, online gas booking etc.
2. Womens are able to find information which they want using different browsers and YouTube like application.

Activity Report

Total of Activity	Rakhi With Khaki
Date/ Duration	29 August 2023
Name of the Guest/Speaker with Designation	--
Collaborating Agency	College
Venue	Parner Police Station, Parner

Brief Summary of activity/ event:

On behalf of the National Service Scheme of New Arts, Commerce, and Science College of Ahmednagar District Maratha Vidya Prasarak Samaj, Parner College, volunteer students went to Parner Police Station on August 29, 2023, in observance of their social commitment, and celebrated Raksha Bandhan in a unique way by tying rakhis to the policemen who protect them. In this initiative, volunteer students of the National Service Scheme, Ms. Sampada Sharad Pardhi and Ms. Priyanka Chintaman Alhat, participated. The officers and employees of the Parner Police Station have always done a great job in maintaining peace, order, and social harmony. With this awareness, today's innovative initiative was implemented under the National Service Scheme Department of the college. On this occasion, Police Inspector of Parner Police Station Mr. Sambhaji Gaikwad Saheb, Assistant Police Inspector Mr. Hanumant Ugle Saheb, and the staff present wished the students well and assured them of the protection of their mothers and sisters. Principal of the college, Dr. Ranganath Aher This initiative was successfully completed under the guidance of Vice Principal Dr. Dilip Thube, Student Development Officer Dr. Ravindra Deshmukh, NSS Program Officer Prof. Mahesh Aher, and Dr. Maya Lahare.

Outcome of Activity/ event:

1. Worked to instill the value of social commitment.
2. Taught to maintain social harmony

Brief Summary of activity/ event:

Ahmednagar District Maratha Vidya Prasarak Samaj's New Arts, Commerce, and Science College, Parner, in association with Rural Hospital Parner, Red Ribbon Club, Parner, National Service Scheme, Student Development Board, and National Student Army, organized a "Voluntary Blood Donation and Health Checkup Camp" under the Ayushman Bhava scheme on Friday, September 21, 2023, at 10:30 am. In this camp, students, professors, staff, and citizens of the college participated spontaneously and donated blood. Also, the health of the students was checked, and blood group, hemoglobin, and HIV were tested under ICTC. On the occasion of this camp, Medical Superintendent of Parner Rural Hospital Dr. Prakash Lalge, Medical Officer Dr. Sachin Dafal, Laboratory Technician Mr. Tarte, Counselor of ICTC Mr. Vikas Walunj, Director of Arpan Blood Bank Mr. Sudarshan Shinde, Mrs. Bhagyashree Pawar, Hind Lab, Parner Mr. Shubham Kale, and Shri. Aniket Dhage and other dignitaries were present. While guiding the students on the occasion of the inauguration of the camp, Dr. Prakash Lalge said that under the Red Ribbon Club and Ayushman Bhava campaign, college students should create more AIDS awareness in the society and donate blood. Only through public awareness can we prevent the spread of AIDS in a better way. Therefore, he appealed to all the students to understand this as their duty and participate in this initiative. Similarly, we should regularly check our health. So that we can take care of our health and live a healthy life.

While guiding the students of the camp on this occasion, the principal of the college, Dr. Ranganath Aher, said that the students of the college should take nutritious food to maintain the right hemoglobin level and develop a healthy personality. Blood donation and health check-up camps and supplementary activities are regularly organized in our college through the National Service Scheme. All students should be aware of their health. Our diet and lifestyle should be kept good accordingly. Our college has a well-equipped gymkhana and yoga center for body fitness. Students should make proper use of it. Along with this, yoga and pranayama should be done regularly. Only then can we build a healthy India. A total of 174 students participated in

the voluntary blood donation and health check-up camp. A total of 31 volunteers donated blood enthusiastically in the camp. Also, a total of 29 students got HIV tested under ICTC, and a total of 76 students got their hemoglobin and CBC checked. On the occasion of the inauguration of the said camp, the Vice Principal of the college, Dr. Dilip Thube; Student Welfare Officer Dr. Ravindra Deshmukh; Office Superintendent Mr. Savkar Kakade; Physical Education Director Dr. Sanjay Gaikwad; Rashtriya Chhatra Sena Prof. Bharat Dagle; Arts Branch Head Dr. Deepak Sontakke; Prof. Dr. Vijaykumar Raut; Dr. Ashok Ghorpade; and Prof. Sanjay Aher were present. The program was introduced by the National Service Scheme Program Officer, Prof. Mahesh Aher; thanks were given by Dr. Hanumant Gaikwad and moderated by Dr. Maya Lahare. The volunteers of the National Service Scheme put in special efforts to organize the camp.

Outcome of Activity/ event:

Activity Report

Total of Activity	Worlds AIDS Day
Date/ Duration	01 December 2023
Number of Participants Enrolled	90
Collaborating Agency	PHIC Parner and College
Venue	Dr.A.P.J. Abdul Kalam Auditorium

Brief Summary of activity/ event:

Ahmednagar District Maratha Vidya Prasarak Samaj's New Arts, Commerce, and Science College, Parner College, celebrated World AIDS Day on 01 December 2023 on behalf of its National Service Scheme.

On the occasion of World AIDS Day, a lecture and rally were organized in the college by the Rural Hospital, Parner, Red Ribbon Club, and National Service Scheme Department. On this occasion, lectures were given by Dr. Lolge Madam (medical officer) and Mr. Vikas Walunj (counselor, rural hospital, Nevasa). On this occasion, Dr. Lolge informed the students about how AIDS reduces the immunity of our body. She further said that we have to face many diseases. There is only one solution for that, and that is to take care to prevent this disease. We should behave like normal people with AIDS-affected people in the society. They should also be treated equally in the society.

Also, while guiding the students on this occasion, Vikas Walunj stated that AIDS is caused by four main reasons: unprotected sex, transmission from an AIDS-infected pregnant mother to her child, reuse of unsafe syringes, and AIDS-infected blood. Therefore, we should always take care of these things. We look at the horoscope of the boy and girl while arranging a marriage. Accordingly, we arrange their marriage. But, today, instead of checking the horoscope, it is necessary to do an AIDS test. This will save three lives. At the same time, the low treatment caused by this disease by the society will also stop. On this occasion, the principal of the college, Dr. Laxman Matkar, said in his presidential address that if every person does wrong things and goes in the wrong direction while living his life or deciding the direction of his life, it has far-reaching consequences in life, and many consequences have to be faced later. Similarly, everyone should take health seriously. We should try to live a good life without falling victim to crises. Speaking further, he said that the youth should create awareness about AIDS. The youth should contribute to creating awareness in the society. There are some misconceptions about this disease. People should be made aware of it. College youth should raise their voices and create

awareness on some important and serious issues in so many misconceptions. On this occasion, an AIDS awareness rally was organized by the college and rural hospital, Parner. A total of 83 volunteer students participated in this initiative.

On this occasion, Dr. Lolge Madam (Medical Officer) of Rural Hospital, Parner; Mr. Vikas Walunj (Counselor, Rural Hospital, Nevasa); Mrs. Deshmukh (Laboratory Technician); Principal of the Mahavidyalaya, Dr. Laxman Matkar; Office Superintendent Mr. Savkar Kakade; professors; and other employees were present. The program was introduced by the National Service Scheme Program Officer, Prof. Mahesh Aher, thanks to Dr. Hanumant Gaikwad, and moderated by Dr. Maya Lahare.

Outcome of Activity/ event:

1. Misconceptions about AIDS among students were dispelled.
2. The students took an oath to create awareness in their areas.

Date/ Duration	12/08/2023
Name of the Guest/ Speaker with designation	Prin.R.K. Aher
Number of Participants enrolled	933
Collaborating Agency	IQAC
Venue	Common Reading Hall

Brief Summary of activity/ event:

IQAC and Knowledge Resource Centre have organised a Two Day's Book Exhibition (*Granth Pradarshan*) on the Birth anniversary of Dr. S.R. Rangnathan, Father of Library Science. Dr. Bhausahab Shelke, Librarian introduced the aims and objectives of Book exhibition. The programme aims to encourage students to read and develop reading habits. Hon. Principal Dr R. K. Aher inaugurated this programme, and he highlighted the importance of reading and the need to inculcate the habit of reading among students. The student has open access to books ensuring that everyone can participate. The e-library also has open access.

The Book exhibition, a yearly tradition, is a testament to our commitment to inclusivity. Books are placed in the common reading room. It was open to all. Vice Principal, Dr. D. R. Thube, Coordinator IQAC, All Heads, and Faculty Members were present. Seven hundred and Ten visitors visited the Book Exhibition within two days. Lastly, Nandini Chavan proposed a vote of thanks.

Outcome of Activity/ event:

1. To know aims and objective of "Granth Pradarshan".
2. Increased Reading Habit of the student
3. To know the available reading resources in college Library.
